Heart Of Creation:

Christ the Heart of Creation Rowan Williams, 2018-09-06 In this wide ranging book Rowan Williams argues that what we say about Jesus Christ is key to understanding what Christian belief says about creator and creation overall Through detailed discussion of texts from the earliest centuries to the present day we are shown some of the various and subtle ways in which Christians have discovered in their reflections on Christ the possibility of a deeply affirmative approach to creation and a set of radical insights in ethics and politics as well Throughout his life Rowan Williams has been deeply influenced by thinkers of the Eastern Christian tradition as well as Catholic and Anglican writers This book draws on insights from Eastern Christianity from the Western Middle Ages and from Reformed thinkers from Calvin to Bonhoeffer as well as considering theological insights sparked by philosophers like Kierkegaard and Wittgenstein *Christ the Heart of Creation* concerns fundamental issues for Christian belief and Williams tackles them head on he writes with pellucid clarity and shows his gift for putting across what are inevitably complex ideas to a wide audience

HuntinGOD Gary Hall,2019-05-09 Have you ever asked yourself what is the purpose of the created universe As we traverse field woods pond creek lake and woods our surroundings call out to us about the meaning of the universe The stars clouds sun trees scrubs ponds lakes seas bays creeks rivers and grasses overwhelm our senses as they were created to do We see ourselves as infinitely small in relation to the universe It puts us in our place as it was created to do We feel overwhelmed with the scope of nature that surrounds us It makes us insignificant That is our place in creation It

pushes points and calls us to look beyond the creature we are and the creation in which we live There is a huge learning curve in becoming an effective hunter fisherman conservationist or water fowler The time it takes to learn the game sought habitat instinctual behavior seasons and movement requires much time afield Imagine the creator of the universe is pursuing you he knows your every move he knows where you are going to go and what you are going to do before you do it He pursues you to love you Psalm 8 3 says When I view and consider Your heavens the work of Your fingers the moon and the stars which you have ordained and establish What is man that You are mindful of him and the son of earthborn man that you care for him This planet earth cries out every day what this universe it about the glory and greatness of God It is not crying out the significance of man All of creation cries out wise beautiful masterful powerful unfathomable God The scope and depth and breadth and height of creation is the understatement of God It demands us to take humble ourselves before the creator and redeemer of humanity Our place is not as God of the universe but to recognize and glorify the creator and our redeemer
