**Crossing the Heart of Africa** Julian Smith, 2010-12-07 Banff Award Winner Like David Grann's *The Lost City of Z* this is two stories of an explorer and of the author's search for him and both are compelling Library Journal In 1898 the dashing British adventurer Ewart the Leopard Grogan fell head over heels in love but before he could marry he needed the approval of his beloved's skeptical aristocratic stepfather Grogan seeking to prove his worth and earn her hand set out on an epic quest to become the first man to walk the entire length of Africa from Cape Town to Cairo a feat as the New York Times put it hitherto thought by many explorers to be impossible A little more than a century later American journalist Julian Smith also found himself madly in love with his girlfriend of seven years but terrified by the prospect of marriage Inspired by Grogan's story which he discovered by chance Smith decided to face his fears of commitment by retracing the explorer's amazing but now forgotten 4 500 mile journey for love and glory through Africa *Crossing the Heart of Africa* is the unforgettable account of these twin adventures as Smith beautifully interweaves his own contemporary journey with Grogan's larger than life tale of cannibal attacks charging elephants deadly jungles and romantic triumph Not only a modern day travelogue but also a great historical account of a charming trailblazer and the story of a modern day relationship Miami Herald Smith a talented travel writer evokes Grogan his adventures and his world with both insight and panache and matchless skill The Washington Post A rapturous adventure narrative that shows love really does conquer all Hampton Sides New York Times bestselling author of *In the Kingdom of Ice* Gold Prize Winner Society of American Travel Writers Western Writing Awards Banff Mountain Book Competition Winner Special Jury Mention American Society of Journalists and Authors Award Winner Best Book Memoir

**The Heart of Africa** Marilyn Kellum Barr, 2023-02-02 Learning to care for a baby monkey and a chameleon growing giant vegetables meeting Pygmies in the jungle finding the source of the Nile that Davidson and Stanley once searched for sleeping in the open of the Serengeti prairie and hiking around the rim of a volcano were some of the rare activities that Marilyn Kellum Barr describes that she experienced while living in Burundi Africa as she attended schools there and in Kenya in the 1960s In *The Heart of Africa* she reports that the native people of this tiny mountainous agricultural land lived simply valuing their family their small plot of land and their mud hut while many found Jesus and worshiped Him with enthusiasm in the midst of poverty and government strife Even though she had to eat foods she found abhorant she loved the culture and challenges of central Africa as her parents reached out to the people and worked with native leaders to begin a Christian radio station Through God's grace and the hard work of many Christians Radio Cordac opened to air the gospel in five languages also providing a school where Burundian students could learn electronics recording techniques and other relevant skills while working alongside other missionaries While the station is now closed and missionaries are no longer allowed in the country she shares reports from family members who have returned more recently on short term visas that faithful Christians abound in this country and that a Christian radio station still offers the people spiritual hope even though electricity and running water are not available to rural people

*The Troubled Heart of Africa* Robert B. Edgerton, 2024-06-04 This book serves as a basic primer on how one of the world's most mineral rich countries was turned into one of its greatest tragedies Publishers Weekly Written over a century ago Joseph Conrad's *Heart of Darkness* continues to dominate our vision of the Congo unlikely as it might seem that a late Victorian novella could encapsulate a country roughly equal in size to the United States east of the Mississippi Conrad's Congo is hell itself a place where civilization won't take where literal and metaphor darkneses converge and where human conduct unmoored from social Western in other words norms turns barbaric As Robert Edgerton shows in this crisply narrated yet sweeping work of history the Congo is still trying to awaken from the nightmare of its past struggling to pull free from the grip of the heart of darkness cliché Plundered for centuries for its natural resources which remain Africa's most abundant the Congo was not always a place of horror Before the Portuguese landed on its shores at the end of the 15th century it was a prosperous and thriving region The Congo River the world's second longest as well as the deepest and one of the only routes to the continent's interior provided indigenous populations with ample means for living and trading What the Portuguese found first to exploit were people and with the slave trade began a dizzying downward spiral of conquest and degradation that continued for centuries By the 19th century the race to explore the full length of the legendary river masked a fight for

territorial and moral control among the French Arabs British Germans as well as American missionaries all of whom dreamed of possessing Africa's very heart When King Leopold of Belgium managed to solidify control in 1885 the Congo question seemed solved His reign of course was almost pathological in its cruelty the true source of Conrad's horror and its grim legacy endures to this day Edgerton documents the Congo's long sad history with a sense of empathy with and admiration for the character of the land and its inhabitants Since independence in June 1960 the country has endured the machinations and disappointments of one dictator after another beginning with Patrice Lumumba and continuing through Joseph Mobutu Laurent Kabila and today Kabila's son Joseph who assumed power after his father was assassinated in January 2001 Whether called the Congo Free State or Zaire or the Democratic Republic of the Congo the country remains perilously unstable The Troubled Heart of Africa is the only book to give a complete history of the Congo filling in the blanks in the country's history before the advent of Henry Stanley David Livingstone King Leopold and other figures and carrying us straight into today's headlines The Congo continues today to be the subject of intense speculation and concern and with good reason upon it hangs the fate of sub-Saharan Africa as a whole Here is a book that helps us face the stark truths of the Congo's past and appreciate both the enormous potential and uncertainty of its future **The Lost Heart of Africa** Pasquale De
