The Meditative Way

"To learn to meditate is to begin the process of making vital contact with the source of all being, the source of all life, and the source of all energy. What we have to discover is that this creative source is to be found within our own being, life and energy. That is the great teaching of Jesus: the Kingdom of heaven is within you. To meditate is simply to begin to live in full harmony with the power that has called us into being. ... As you know the process of meditation is very simple. Choose a quiet place, a quiet time, sit still and say your mantra, *Manasatha*."
