Heart Of Darkness An Authoritative Text Backgrounds And Sources Criticism:

Joseph Conrad's Heart of Darkness Harold Bloom, 2008 Joseph Conrad's *Heart of Darkness* is not simply a critique of colonialism in the Congo it is an examination of the human tendency toward self endangering corruptibility In this updated collection of critical essays master literary scholar Harold Bloom suggests that this resonant work has taken on the power of myth Book jacket Heart of Darkness; An Authoritative Text, Backgrounds and Sources, Criticism JOSEPH. CONRAD, 1971

Heart of Darkness : an Authoritative Text, Backgrounds and Sources, Essays in Criticism Joseph Conrad, 1963 **Crimes of Art and Terror** Frank Lentricchia, Jody McAuliffe, 2007-11-01 Do killers artists and terrorists need one another In *Crimes of Art and Terror* Frank Lentricchia and Jody McAuliffe explore the disturbing adjacency of literary creativity to violence and even political terror Lentricchia and McAuliffe begin by anchoring their penetrating discussions in the events of 9 11 and the scandal provoked by composer Karlheinz Stockhausen's reference to the destruction of the World Trade Center as a great work of art and they go on to show how political extremism and avant garde artistic movements have fed upon each other for at least two centuries *Crimes of Art and Terror* reveals how the desire beneath many romantic literary visions is that of a terrifying awakening that would undo the West's economic and cultural order This is also the desire of course of what is called terrorism As the authority of writers and artists recedes it is criminals and terrorists Lentricchia and McAuliffe suggest who inherit this romantic destructive tradition Moving freely between the realms of high and popular culture and fictional and actual criminals the authors describe a web of impulses that catches an unnerving spirit Lentricchia and McAuliffe's unorthodox approach pairs Dostoevsky's *Crime and Punishment* with Martin Scorsese's *King of Comedy* and connects the real life Unabomber to the surrealist Joseph Cornell and to the hero of Bret Easton Ellis's bestselling novel *American Psycho* They evoke a desperate culture of art through thematic dialogues among authors and filmmakers as varied as Don DeLillo Joseph Conrad Francis Ford Coppola Jean Genet Frederick Douglass Hermann Melville and J M Synge among others And they conclude provocatively with an imagined conversation between Heinrich von Kleist and Mohamed Atta The result is a brilliant and unflinching reckoning with the perilous proximity of the impulse to create transgressive art and the impulse to commit violence Paradise Discourse, Imperialism, and Globalization Sharae Deckard, 2009-12-04 In this volume Deckard analyzes authors such as Malcolm Lowry Leonard Woolf Juan Rulfo Wilson Harris Abdulrazak Gurnah and Romesh Gunsekera to make a materialist study of the relation between paradise myths and the ideologies and economies of colonialism and neo imperialism in literature from Mexico Zanzibar and Sri Lanka Postcolonial Ecocriticism Graham Huggan, Helen Tiffin, 2015-04-17 This second edition of *Postcolonial Ecocriticism* a book foundational for its field has been updated to consider recent developments in the area such as environmental humanities and animal studies Graham Huggan and Helen Tiffin examine transverse relations between humans animals and the environment across a wide range of postcolonial literary texts and also address key issues such as global warming food security human over population in the

context of animal extinction queer ecology and the connections between postcolonial and disability theory Considering the postcolonial first from an environmental and then a zoocritical perspective the book looks at Narratives of development in postcolonial writing Entitlement belonging and the pastoral Colonial asset stripping and the Christian mission The politics of eating and the representation of cannibalism Animality and spirituality Sentimentality and anthropomorphism The changing place of humans and animals in a posthuman world With a new preface written specifically for this edition and an annotated list of suggestions for further reading Postcolonial Ecocriticism offers a comprehensive and fully up to date introduction to a rapidly expanding field

Color, Space, and Creativity Jack Stewart, 2008 This study of Virginia Woolf D H Lawrence Joyce Cary Lawrence Durrell and A S Byatt focuses on color space and creativity in selected novels stories travel texts essays and letters Stewart highlights a nexus of color space and creativity that takes on ontological dimensions in the writing of five writers who are linked by stylistic affinities and correspondingly calibrated sensibilities They engage writing with painting and their acts of attention converge in a zone where color space and creativity sustain the imaginative life world of their characters This study should lead to ongoing reflections on the roles of color and space in modernist and postmodernist texts and direct attention to the subtle and pervasive interactions of literature with painting

BOOK JACKET

Primitive Jo Odgers, Flora Samuel, Adam Sharr, 2006-09-27 This innovative illustrated edited edition brings together a collection of authors to chart the rise fall and possible futures of the word primitive

The Non-Literate Other Helga Ramsey-Kurz, 2007-01-01 Public debates on the benefits and dangers of mass literacy prompted nineteenth century British authors to write about illiteracy Since the early twentieth century writers outside Europe have paid increasing attention to the subject as a measure both of cultural dependence and independence So far literary studies has taken little notice of this The Non Literate Other Readings of Illiteracy in Twentieth Century Novels in English offers explanations for this lack of interest in illiteracy amongst scholars of literature and attempts to remedy this neglect by posing the question of how writers use their literacy to write about a condition radically unlike their own Answers to this question are given in the analysis of nineteen works featuring illiterates yet never before studied for doing so The book explores the scriptlessness of Neanderthals in William Golding of barbarians in Angela Carter David Malouf and J M Coetzee of African natives in Joseph Conrad and Chinua Achebe of Maoris in Patricia Grace and Chippewas in Louise Erdrich of fugitive or former slaves and their descendants in Richard Wright Toni Morrison and Ernest Gaines of Untouchables in Mulk Raj Anand and Salman Rushdie and of migrants in Maxine Hong Kingston Joy Kogawa and Amy Tan In so doing it conveys a clear sense of the complexity and variability of the phenomenon of non literacy as well as its fictional resourcefulness

Chinua Achebe and the Igbo-African World Chima J. Korieh, Ijeoma C. Nwajiaku, 2022-04-12 Chinua Achebe and the Igbo African World Between Fiction Fact and Historical Representation explores Chinua Achebe's literary works and how they communicated the Igbo African world to readers Engaging in the politics of representation Achebe sought to demystify deterministic views of race and cultural ethnocentrism While his books

and commentaries have been very influential in shaping a unique and multifaceted view of the African world some scholars have challenged Achebe's representations of historical reality Through in depth analyses of his writing contributors examine the interpretations Achebe imposed on African culture and history in his texts The chapters cover Achebe's engagement with critical issues like historical representation gender relations and indigenous political institutions in a changing society Throughout contributors present new ways for understanding Achebe's literary works and show how his work draws from African historical reality and identity while challenging Western epistemological hegemony *Re-imagining Africa* African Studies Association of Australasia and the Pacific. Annual Conference, 2001 This book provides a plethora of insights and perspectives that take up and challenge prevailing points of view about today's Africa The chapters examine a number of different media and topics from African theatre to poetry from accounts of personal history to South Africa's language policy and publishing practices Their unifying theme is a search for tomorrow's cultural trends in an ever changing Africa

Conrad's Presence in Contemporary Culture, 2024-04-30 The anthology consists of essays authored by scholars of different nationalities from diverse cultures nations and primary languages They cover Conrad's presence across multiple media fiction films comics and graphic novels The collection is unique because the contributors focused on Conrad's presence in contemporary culture a constantly changing field rather than well trodden paths The exploration of Polish French Italian Spanish English and American works of art strengthens its originality The artists discussed in connection with Conrad include Olga Tokarczuk Stanisław Lem Robert Silveberg Loic Godart Christian Bobin Christian Perrissin Tom Tirabosco Eduardo Berti J M Coetzee Michelangelo Antonioni Last but not least the volume contains 20 stunning reproductions in full colour from films graphic novels and comics **Africa's Radicalisms and Conservatisms**

, 2022-10-31 Volume II of *Africa's Radicalisms and Conservatisms* continues the broad themes of radicalisms and conservatisms that were examined in volume I Like volume I the essays examine why the two isms of radicalisms and conservatisms should not be viewed as mere irreconcilable conceptual tools with which to categorize or structure knowledge The volume demonstrates that these concepts are intertwined have multiple and diverse meanings as perceived and understood from different disciplinary vantage points hence the deliberate pluralization of the terms The twenty two essays in the volume show what happens when one juxtaposes the two concepts and when different peoples lived experiences of politics pop culture democracy liberalism the environment colonialism migration identities and knowledge etc across the length and breadth of Africa are brought to bear on our understandings of these two particularisms Contributors are Adesoji Oni Admire M Nyamwanza Akin Tella Akinpelu Ayokunnu Oyekunle Bamidele Omotunde Alabi Charles Nkem Okolie Craig Calhoun Diana Ekor Ofana Edwin Etieyibo Folusho Ayodeji Gabriel Akinbode Godwin Oboh Joseph C A Agbakoba Julius Niringiyimana Lucky Uchenna Ogbonnaya Maxwell Mudhara Muchaparara Musemwa Nathan Osareme Odiase Obvious Katsaura Okpowhoavotu Dan Ekere Olaniran Olakunle Lateef Omolara V Akinyemi Owen Mafongoya Paramu Mafongoya

Philip Onyekachukwu Egbule Rutanga Murindwa Sandra Bhatasara Takesure Taringana Tunde A Abioro Victor Clement Nweke William Muhumuza and Zainab M Olaitan We Have a Religion Tisa Wenger, 2009-05-01 For Native Americans religious freedom has been an elusive goal From nineteenth century bans on indigenous ceremonial practices to twenty first century legal battles over sacred lands peyote use and hunting practices the U S government has often acted as if Indian traditions were somehow not truly religious and therefore not eligible for the constitutional protections of the First Amendment In this book Tisa Wenger shows that cultural notions about what constitutes religion are crucial to public debates over religious freedom In the 1920s Pueblo Indian leaders in New Mexico and a sympathetic coalition of non Indian reformers successfully challenged government and missionary attempts to suppress Indian dances by convincing a skeptical public that these ceremonies counted as religion This struggle for religious freedom forced the Pueblos to employ Euro American notions of religion a conceptual shift with complex consequences within Pueblo life Long after the dance controversy Wenger demonstrates dominant concepts of religion and religious freedom have continued to marginalize indigenous traditions within the United States *Ritual Unbound* Thomas Cousineau, 2004 This study explores the vestiges of primitive sacrificial rituals that emerge in a group of canonical modernist novels including *The Turn of the Screw* *Heart of Darkness* *The Good Soldier* *The Great Gatsby* and *To the Lighthouse* It argues that these novels reenact a process that achieved its seminal expression in the Genesis story of *The Binding of Isaac* in which Abraham having been prevented from sacrificing Isaac offers up a ram in his place Modernist reenactments of this pattern present narrators who although vigorously protesting the victimization of certain characters unfailingly seize upon others as their surrogates Each novel is designed in such a way however as to resist the reconstruction of a sacrificial ritual to which its narrator is prone The resulting tension between the binding and unbinding of ritual persecution dramatizes the paradox that we can neither believe convincingly in the guilt of our scapegoats nor imagine a society that has dispensed with them entirely Thomas Cousineau is Professor of English at Washington College in Maryland Heaven, Hell, and the Afterlife J. Harold Ellens, 2013-07-25 Christianity Islam and Judaism all feature ideas about heaven hell and afterlife and these concepts have evolved over time within these religions This work supplies a detailed and coherent understanding of the broad scope of spiritual thinking in the last 3 000 years within the Abrahamic traditions *Heaven Hell and the Afterlife* Eternity in Judaism Christianity and Islam provides an all encompassing examination of historic and contemporary perspectives on afterlife in Western religions In these three volumes Judaic Christian and Muslim scholars join forces providing an unprecedented review of their individual faith s traditions Every significant issue and major theme is discussed no controversial topic is avoided From ancient doctrines to modern day outlooks of conservatives progressives and liberals in all three religions all are analyzed and presented here The framework of the volumes underscores how the ethics and concepts of eternity in the Western action religions contrast with Eastern religions that tend to be characterized as passive or withdrawal religions in

their ethics and their notions of afterlife as absorption within universal spirit Nirvana or nonexistence This work is well suited for undergraduate and graduate students general readers interested in religion and professional scholars particularly those in fields corollary to religious study *SpaceTime of the Imperial* Holt Meyer,Susanne Rau,Katharina Waldner,2016-11-07 This volume works through spatio temporal concepts to be found in imperial practices and their representations in a wide range of media The individual cases investigated in the volume cover a broad spectrum of historical periods from ancient times up to the present Well known international scholars treat special cases of the topic using cutting edge theory and approaches stemming from historical cartographic religious literary media studies as well as ethnography

English Language and Literature for the IB Diploma Lindsay Tandy,Alice Gibbons,Joseph Koszary,2020-02-17 Developed in cooperation with the International Baccalaureate Everything you need to deliver a rich concept based approach for the new IB Diploma English Language and Literature course Navigate seamlessly through all aspects of the syllabus with in depth coverage of the key concepts underpinning the new course structure and content Investigate the three areas of exploration in detail and engage with global issues to help students become flexible critical readers Provide a variety of texts with a breadth of reading material and forms from a diverse pool of authors Engaging activities are provided to test understanding of each topic and develop skills guiding answers are available to check your responses Identify opportunities to make connections across the syllabus with explicit reference to TOK EE and CAS *Transnational Trills in the Africana World* Cheryl Sterling,2019-03-18 This volume focuses on how music and arts in the global Africana world are used for political and social change It will be an essential resource for scholars and students in African studies Africana Afro Atlantic studies diaspora studies sociology music literature politics and culture The volume is divided into three sections namely Music and Politics Case Studies of Experiential Practices in Healing and Education and Literature the Arts and Political Expression which cross subject areas such as nationalism political identity post coloniality health education orality and cultural expressivity Diverse topics are covered such as the African thematics of jazz the Y en a Marre Fed Up movement in Senegal the Occupy Nigeria movement NGO activism in Brazil and Africana performance traditions as well as the dynamics of oral and written literature The articles explore works by Joseph Conrad Nathaniel Mackey Kofi Awoonor and Ngugi wa Thiong o as well as the artistic expression of Jean Michel Basquiat **Acts of Visitation** María J.
