not worthy to have Only love can quench this fire When Cassidy volunteers for a dangerous hotshot mission in the wilds of Colorado Parker insists on going with her As they travel together into a life threatening situation will their love combust like the trees that surround them And in the battlefield of a forest fire will Cassidy be brave enough to fight for the one thing that will snuff out the fires that rage within her *My Heart's in the Highlands* Angeline Fortin,2018-06-26 Dying gave her the love of her life It was supposed to be the trip of a lifetime Curator Mikah Bauer had always been fascinated with Scotland yearning to visit the castles and dreaming of the same handsome Highlander So when she has the chance to visit Glasgow on business she jumps at it But the dream turns into a nightmare when leaving the museum Mikah is hit by a car She wakes in 1856 surrounded by strangers except for one familiar face her fantasy Highlander Living took him away Or did it Mikah believes she s dreaming but as days and weeks pass she must accept she s been sent back in time to a past life one she has had flashes of memories of for years In 1856 she s a widow Her deceased husband was a Marquess the new Marquess her handsome dream man Ian Conagham But someone wants to take the title from Ian and whoever it is will do anything to gain sovereignty Even murder As Mikah and Ian are caught up in the deceit and danger of a villain s quest for power the line that separates past and present will be blurred When the mist of time clears where will Mikah be More importantly who will she be and will Ian be at her side *Heroes and Anti-heroes in Medieval Romance* Neil Cartlidge,2012 Investigations into the heroic or not behaviour of the protagonists of medieval romance Medieval romances so insistently celebrate the triumphs of heroes and the discomfiture of villains that they discourage recognition of just how morally ambiguous antisocial or even downright sinister their protagonists can be and correspondingly of just how admirable or impressive their defeated opponents often are This tension between the heroic and the antiheroic makes a major contribution to the dramatic complexity of medieval romance but it is not an aspect of the genre that has been frequently discussed up until now Focusing on fourteen distinct characters and character types in medieval narrative this book illustrates the range of different ways in which the imaginative power and appeal of romance texts often depend on contradictions implicit in the very ideal of heroism Dr Neil Cartlidge is Lecturer in English at the University of Durham Contributors Neil Cartlidge Penny Eley David Ashurst Meg Lamont Laura Ashe Judith Weiss Gareth Griffith Kate McClune Nancy Mason Bradbury Ad Putter Robert Rouse Siobhain Bly Calkin James Wade Stephanie Vierick Gibbs Kamath *The Heart of a Hero* Janet Chapman,2013 **A Hero's Temptation (Heroes of the Flint Hills)** Tessa Layne,2018-06-26 **The Hero as Prophet. Mahomet** Thomas Carlyle,1882 *Spiritual Formation as the Hero's Journey in John of Ruusbroec* Robert Pelfrey,2022-04-07 This book examines the theology of spiritual formation developed by fourteenth century Flemish mystic John of Ruusbroec arguing that his formational path clearly and consistently displays the characteristics of the archetypal narrative structure of the hero s journey To start with a hermeneutical dialogue between scholars of the hero s journey and Ruusbroec is established employing the work of Hans Georg Gadamer The author then examines the stages and tropes of the hero s journey according

to Vladimir Propp Joseph Campbell Northrop Frye Ren Girard Dean Miller and others exploring the parallels in Ruusbroec's writing and theology of spiritual formation The book follows Ruusbroec's story of answering the divine call journeying inward and experiencing the trials of spiritual transformation attaining the treasure of divine union and returning in loving service to others Finally the ramifications of the argument for the interpretation and application of other mystical and heroic narratives are considered Offering a new perspective on John of Ruusbroec mystical theology and the hero's journey as a spiritual quest this volume will be of interest to scholars of mysticism theology formative spirituality narrative theory and religious literature of the Low Countries

A Hero in Every Heart H. Jackson Brown, Jr., Robyn Freedman Spizman, 1996 Once in a while a person touches our lives with words and actions so special that they change us forever These are the people who extend our vision and inspire us to higher levels of personal achievement they are our heroes For centuries we've used the exemplary lives of heroes to teach us the benefits of persistence and commitment And with today's creeping cynicism and irreverence the model of the hero becomes more important than ever
