Heart Of The Redeemer:

Heart of the Redeemer Timothy O'Donnell, 2017-11-07 In this revised updated edition of Heart of the Redeemer Timothy O'Donnell synthesizes years of research to provide a thorough presentation of devotion to the Sacred Heart of Jesus. He examines the doctrinal roots of the devotion in Scripture and in documents from the Apostolic and Patristic Ages, charts its growth and development through the Middle Ages, explains the enormous contribution of St. Margaret Mary Alacoque and presents magisterial teaching on the subject including statements from Vatican Council II, recent popes and the Catechism of the Catholic Church. The book also includes images illustrating the development of the devotion. Devotion to the Sacred Heart is a response to the tremendous love of Christ as symbolized by his human heart pierced on Calvary. At the core of Catholic spiritual life, the devotion is a key to effective renewal of the Church and the world. Those who have not yet embraced this devotion or who want to understand it more deeply and practice it more fully will discover its profound richness and beauty in Heart of the Redeemer.

Heart of the Redeemer Timothy O'Donnell, A revised updated edition of this classic work on the Sacred Heart of Jesus. Dr. Tim O'Donnell examines the doctrinal roots of the devotion to the Sacred Heart in Scripture and in the Apostolic and Patristic ages, charts its growth and development through the Middle Ages, explains the enormous contribution of Saint Margaret Mary Alacoque and unfolds the teachings of the Papal Magisterium on the Sacred Heart, including Vatican II and John Paul II. The book also includes photographs illustrating the development of the devotion. Devotion to the Sacred Heart is intimately linked to our response in love to the Eucharistic Christ. It lies at the core of Catholic spiritual life and is the key to effective renewal of individuals, the Church and the world. For those who have not yet lived this devotion or who want to understand and live it more fully, they will discover its richness and beauty in Heart of the Redeemer. Years of careful research have produced a one-volume synthesis of how the devotion to the Heart of Jesus has developed over the centuries. The result is a moving overview of how the love for Jesus Christ has grown in the hearts of the faithful from Calvary to the present day.
