The Heartache No One Sees Sheila Walsh, *Heartache Vs. Heartbreak* Sandi Lorraine, 2012-12-07 When Sheriff Brice Hawkins was called to investigate the disappearance of a seven year old boy he wasn't prepared to come face to face with the mother of his ten year old son She had deserted them years before but now here she stood before him wanting to rekindle the flame that had been between them And as she crawled into his bed again he realized that he had never really gotten over her However now he had Mira She was his best friend favorite companion and the woman that Grady wanted for his mother It wasn't going to make any difference how he leaped someone was going to get hurt Who would it be *Hospital World*, 1912 *Farming, Fighting and Family* Miranda McCormick, Max Hastings, 2015-10-05 Farmer author and broadcaster Arthur A G Street was one of the leading voices of British agriculture during the Second World War His daughter Pamela herself an aspiring writer was 18 when war broke out David her future husband served with the 4th RHA in North Africa Using their previously unpublished diaries and letters Miranda McCormick Pamela's daughter tells the candid story of a Wiltshire family living and working at a time when a little German with a black paint brush moustache turned the world upside down Their very different experiences of war are woven into one masterful narrative of love duty and separation during a time of national adversity Detailing the sudden rise of her tenant farmer father to the status of a national celebrity Pamela's service as a VAD nurse and in the ATS as well as her unofficial fiancé's detainment in German and Italian prison camps this is a story told with an almost allegorical simplicity Intimate and personal this vivid account of ordinary life during extraordinary times is also the chronicle of a generation for whom farming was the fourth line of defence **Heartbreak Gone Good** Chenier Datilus, 2021-07-19 Heartbreak Gone Good By Chenier Datilus Heartbreak Gone Good concerns a man who overcomes a horrendous heartbreak and psychological demons to find new hope in love Charlie and Wanda each have had bad relationships in the past but learn to find redemption through each other Their underlying pain persisted because they were never offered an ideal outlet to express their heartache until their fateful meeting at the beach Love and heartbreak often go hand in hand and everyone can relate to the ups and downs that a relationship endures With love most times follows pain But hope does exist even in the darkest times **Populating the Future** Britt Johanne Farstad, 2023-07-19 Speculative fiction opens doors for imagining beyond what is possible conventional or acceptable Speculative fiction has an acute ear for the social the scientific and for political developments and change all of which are prominent topics Reproduction and parenthood are pertinent social questions that are constantly renegotiated in various arenas By investigating representations of family making and reproduction in speculative fiction the research presented in *Populating the Future* Families and Reproduction in Speculative Fiction not only adds to the field of speculative fiction scholarship but also contributes to the more general discussion about reproduction and parenting Speculative fiction operates as thought laboratories that make connections between discourses visible It highlights power structures that can be

difficult to detach and represents difficult and abstract issues more concretely As such speculative fiction demonstrates the complex entanglement of reproduction with issues of gender power and agency By facilitating thought experiments and illustrating alternatives speculative fiction also enables the representation of new family structures and reproductive technologies thus paving the way for discussions about various practices and their possible consequences Due to its multidisciplinary approach this book will be of value to scholars and students of various disciplines such as literature studies philosophy ethics political science the social sciences and gender studies It will also be a useful resource in teacher training programmes as well as to a more general audience interested in speculative literature politics society gender and ethics

Heidi Hoefinger, 2013-07-04 Dealing with the complex and discomfiting grey area where sex love and money collide this book highlights the general materiality of everyday sex that takes place in all relationships In doing so it draws attention to and destigmatizes the transactional elements within many normative partnerships be they transnational inter ethnic or otherwise Focusing on Cambodia and on a subculture of young women employed in the tourist bar scene referred to as professional girlfriends the book shows that the resulting transnational relationships between Cambodian women and their foreign partners are complex and multi layered It argues that the sex for cash prostitution framework is no longer an appropriate model of analysis Instead a new vocabulary of professional girlfriends and transactional sex is used with which the nuanced complexities of these transnational partnerships are analysed Interdisciplinary in nature the book inspires new understandings of gender power sex love desire political economy and materiality within everyday relationships around the globe It is a useful contribution for students and scholars of Anthropology Sociology Southeast Asian Studies Gender and Sexuality Studies and Cultural Studies **Contexts of Contemporary Nursing** Graham R. Mary K Snyder, 2023-03-09 What was supposed to be a day at the park with my son ended up to be the day that would change the course of so many lives some for the worst and some for the better Instead of giving him a bath before bed I was watching him fight for his life As the years unfolded I discovered the true meaning of love faith struggle fear and most of all

hope I had a front row seat to watch life's unpredictability a crash course in the delicacy life holds for all of us Out of tragedy the perfect person was reborn A person who only knew how to truly enjoy life and what it had to offer good or bad There was no agenda no hate no greed or dishonesty just love This story is about the journey my son took us on Only a person with a pure heart can carry those who hold money and power over humanity It is a story of a boy who was able to make a difference without money fame or social media He made a difference with his ability to bring people together to overcome adversity and political abuse Abuse that unfortunately exists in a corrupt system that we are all a part of It is a journey of love lies deception and triumph Through this journey this book was born **PEOPLE OF THE STATE OF MICHIGAN V DR.**

Lemon, Tom Taylor, Shirley Brooks, Francis Cowley Burnand, Owen Seaman, 1920 **The Seasons of My Mother** Marcia Gay Harden, 2018-05-01 In this lyrical and deeply moving memoir one of America's most revered actresses weaves stories of her adventures and travels with her mother while reflecting on the beautiful spirit that persists even in the face of her mother's struggle with Alzheimer's disease. Marcia Gay Harden knew at a young age that her life would be anything but ordinary. One of five lively children born to two Texas natives, Beverly, a proper Dallas lady, and Thad, a young naval officer, she always had a knack for storytelling, role playing, and adventure. As a military family, the Hardens moved often, and their travels eventually took them to Yokohama, off the coast of Japan, during the Vietnam War era. It was here that Beverly, amid the many challenges of raising her family abroad, found her own self-expression in ikebana, the ancient Japanese art of flower arranging. Using the philosophy of ikebana as her starting point, Marcia Gay Harden intertwines the seasons of her mother's life with her own journey from precocious young girl to budding artist in New York City to Academy Award-winning actress. With a razor-sharp wit as well as the kind of emotional honesty that has made her performances resonate with audiences worldwide, Marcia captures the joys and losses of life even as her precious mother gracefully strives to maintain her identity while coming to grips with Alzheimer's disease. Powerful and incredibly stirring, *The Seasons of My Mother* illustrates the unforgettable vulnerability and beauty of motherhood as Marcia does what Beverly can no longer do: she remembers.
