*Heart Breaker* J.C. Diem,1928 Omen has vanished from Augury and no one knows where he's gone Harmoni and her team will have to perform a rescue mission for the vampire His mind was already unstable thanks to his addiction to Harm's blood Things change dramatically for the worse during his absence The balance of power is about to shift which won't go down well with their boss at all Tate Franklin and the remaining rogue squads are still on the run They've been chipping away at the Aion Corp bases as they'd been ordered Tate knows their days are numbered Harmoni's hold over him is slowly slipping He can only pray that he'll survive the nightmare she'd put him through and that he can escape from the net that's closing around him Harmoni struck a bargain with Enoch that they would both perform a task to build their alliance She needs to find property that was stolen from him Enoch has a different idea in mind The cruelty she and her friends suffered at Aion Corps hands is the inspiration behind his plan Nothing can cement a friendship faster than shared hatred of their mutual enemies With luck the intriguing fire demon called Phoebe will be impressed with his mission if he succeeds
