

A romantic silhouette of a man and a woman embracing on a beach at sunset. The man is standing and holding the woman, who is sitting or kneeling. The background is a warm, orange-red sky with a bright sun low on the horizon, creating a soft glow. The overall mood is intimate and heartfelt.

Heartfelt Feelings About Love And Life:

LOVING LIFE: Poems of Inspiration and Enlightenment Robin Hosking, 2021-07-30 In Loving Life Poems of Inspiration and Enlightenment Poet Robin Hosking reminds us that we are born to love and we are never without love as love is a part of us all Robin believes that if we love we live if we stop loving or turn away from the love offered to us we die Love Never Dies We Knew without knowing seen without seeing touched without touching and Loved without loving We are one will always be never without the other through all eternity Light of Love Love is something you do not choose As love is already a part of you Love shows up when you least expect it to When all you see is doom and gloom **Heartfelt Feelings**

about Love and Life Tanya Gardepe, 2005-01-01 Tanya Gardepe was born in Sussex County New Jersey in 1977 This poetry is written so that everyone can enjoy and understand it Tanya has been through much in her life as a single mother of three children and she loves to write May you enjoy reading this book as much as she enjoyed writing it **The Life-Death**

Instinct Neil Maizels, 2023-12-14 Throughout this enlightening collection Neil Maizels considers the helical tandem between the Life Instinct and the Death drive in the light of canonical literary figures like Thomas Hardy Patricia Highsmith Sylvia Plath and Shakespeare classic filmmakers like Hitchcock and contemporary television shows such as Curb Your Enthusiasm The West Wing and Succession This light is filtered through intricate clinical work whereby Maizels seeks to illustrate and expound on the strength and indefatigability of the Life Instinct He makes a case for it as the relentless driver of integration and binding in the ever growing expansive psyche He considers both Freud's original equation of the Life Instinct with Eros and a widening interconnecting love of mankind and Melanie Klein's with gratitude and creative reparation This book is a multi layered presentation of the clinical and theoretical work of Neil Maizels as it has evolved and convolved over several decades It places the feeling through of one's conflicts at the heart of the mind's generation of a unique identity equipped to evolve its own unique form of creative spirit in the face of life's most pressing psychological challenges the limitation of time and reciprocated beauty The Life Death Instinct Feeling Through Creative Clinical Moments is important reading for anyone seeking to expand their knowledge in this fascinating intersection of psychoanalysis and the arts [Open to Bliss Sage](#)

[Hope's 1st Gift to Humanity the Definitive and Complete Solution Manual to Sexual Attraction and Addiction](#) Omid Mankoo, 2009-05-06 Sex produces life Sex years worth of exclusive study on the matter culminating in the Absolute Solution which when understood dispels the illusions of sexual attraction to such a point that the mystery becomes as the sage says unimpressive Essence of the Problem Sexual attraction is presented in perplexing multi layered multi faceted and ever changing forms The onlooker is thereby mesmerized Baffled he loses his perspective and sense of reality His consciousness is swept away with the stream of peculiar variegated data that bombards him The Solution A born teacher The author Omid Mankoo Is extremely detailed With simplicity he dissects and identifies each illusive element of the jumbled mass of sexual manipulation He elucidates how each element functions to capture the mind Furthermore he demonstrates the reason for

their potency when they combine to form what many experience as a mysterious unknown force that many mistakenly attribute to their instinct or nature and strongly *Have I Been Over-Wed?* Renooka Gopaul,2011-09-26 My first husband Goldie was obsessed with kids and he chose to be with another woman just for kids He said he loved me but I don't know whether he was true as when I asked him to hire a surrogate mother he turned me down saying he wanted a child with love Does love mean to have physical relation only and produce children It might be so I am still searching an answer to this He asked me to stay in his life just as a mere doll and I could not accomplish that My second husband Brainie was simply obsessed with money For him money was everything and other things served no importance in his life He wanted me to be his money machine and after spending seven years with him Dave came in my life Dave my third husband was obsessed with sex For him marriage was just the license to physical relation freely Whereas for me marriage is a very sacred relation a relation which I believe can be nurtured only with love faith and happiness Again love is not as simple as it sounds to be It is the mental and emotional attachment between two persons You cannot go before two or three persons at a time and tell them that you love them Before you tell a person that you love him or her at first give a thought whether you have any respect for that person and if you can keep him or her happy Have some love in your heart for the person with whom you are sharing a physical relation I am so confused after so many incidents in my life that I still do not have answers to many questions I am writing this book and I hope earnestly that the readers will help me in finding answers to these questions I don't know if I had been married too many times I don't know even if any one of my husbands loved me I don't know if they had just abused my life and my trust and kicked me out of their lives *A Life Unscripted* Mary Inez Ramirez,2004-12-03 This is the life story of a remarkable woman who has not only learned life's difficult lessons but understands that life is sweeter because of them Whereas others may harbor despair over life's challenges Mary Inez writes about these difficulties in a way that inspires the reader and leaves powerful feelings about life She honestly shares life's crises and shows how through faith any circumstance in life can be worthwhile **Living Life as a Thank You** Nina Lesowitz,Mary Beth Sammons,2010-10-15 Whatever is given even a difficult and challenging moment is a gift Living as if each day is a thank you can help transform fear into courage anger into forgiveness isolation into belonging and another's pain into healing Saying thank you every day inspires feelings of love compassion and hope These ideas are the basis for this timely book Authors Nina Lesowitz and Mary Beth Sammons present a simple but comprehensive program for incorporating gratitude into one's life and reaping the many benefits that come from doing so The book is divided into ten chapters from Thank You Power and Ways to Stay Thankful in Difficult Times to Gratitude as a Spiritual Cultural Practice and Putting Gratitude into Action Each chapter includes stories of individuals whose lives have been transformed by embracing this program along with motivating quotes and blessings and a suggested gratitude practice such as keeping a weekly gratitude journal and starting a gratitude circle Expansive Leadership Latha Poonamallee,2021-05-17 The structured 28 day mindfulness and contemplative journey presented in this

book will help aspiring and current leaders to clarify their identities and identify and reflect on their mental models to become more expansive leaders The present moment demands new ways of being doing and relating with the world To meet this moment we need fresh collective inclusive and interdependent models of leadership and new approaches to leadership development This book goes beyond the McMindfulness often seen in mindful leadership books to offer a multi faceted approach to develop a more interconnected sense of self and interdependence centric mindsets needed for expansive leadership through mindfulness practice Through this practice leaders can cultivate the ability to make deliberate choices using slow thinking and overcome any unconscious and implicit biases that are the result of fast thinking processes Anchored in insights from over ten years of teaching mindfulness based leadership development courses this book is an invitation to explore how to be a leader in an expansive inclusive robust and resilient way The reader will have an opportunity to define and refine their identity uncover their personal mental models and conclude by developing their own leadership philosophy Leadership development professionals and teachers can adopt this for their students coaching and consulting clients

Life Code Second Edition - The Vedic Science of Life SWAMI RAM CHARRAN,2011-01-18 What if you could pick the right home for successful living What if you can pick the perfect partner for love and marriage What if you can know which car you will enjoy the most What if your can know if you are in the right career What if you could tell what tomorrow would be like And so on Would life not be easier if you could know how safe your children are at anytime Would you not worry less if you know your partner will never be unfaithful How great it would be to know that you will win a court case or a contract deal
