A Rotten Person Travels the Caribbean Gary Buslik,2009-04-01 If you look at a map you will see that the island chain known as the Caribbean or to confuse you the West Indies lies between Florida and South America and resembles a string of gems or possibly drool And so begins author Gary Buslik s tale of tropical adventure Each chapter of this often hilarious and sometimes poignant travelogue recounts another island hopping culture clashing crisis that pits the homesick author against falling coconuts hospitals that remove wrong organs insects as big and dangerous as stealth bombers ticket agents that put him on hold for hours mysteriously calculated currency exchanges over proofed rum livestock singing Rastafarians garbage bin sex peanut crazed children Idi Amin flesh eating monkeys dentists cricket steel drum bands and the French Fortunately even when making fun of his West Indian hosts the curmudgeonly author s essential good nature and devotion to his wife twinkle through and in the end his stubborn geocentricity gives way to a heartfelt appreciation of his island hosts *The International Directory of Little Magazines and Small Presses* Len Fulton,2006-09 The biggest revision in ten years of the Bible of the business Wall Street Journal This essential reference for writers librarians students of modern literature and readers worldwide was started in the 1960s during the initial phase of the small press revolution It is safe to say that in its forty first edition the directory is a publishing legend It includes information on over 5 000 presses and journals from around the world listing addresses manuscript requirements payment rates and recent publications Subject and regional indexes are also provided *2008 Poet's Market* Nancy Breen,2007-08-06 Where how to publish your poetry Cover **American Directory of Writer's Guidelines** ,2007-02 Perhaps the best kept secret in the publishing industry is that many publishers both periodical publishers and book publishers make available writer s guidelines to assist would be contributors Written by the staff at each publishing house these guidelines help writers target their submissions to the exact needs of the individual publisher The American Directory of Writer s Guidelines is a compilation of the actual writer s guidelines for more than 1 700 publishers A one of a kind source to browse for article short story poetry and book ideas **2006 Novel & Short Story Writer's Market** ,2005 **The American Directory of Writer's Guidelines** Stephen Blake Mettee,Michelle Doland,Doris Hall,2005-12 Perhaps the best kept secret in the publishing industry is that many publishers both periodical publishers and book publishers make available writer s guidelines to assist would be contributors Written by the staff at each publishing house these guidelines help writers target their submissions to the exact needs of the individual publisher The American Directory of Writer s Guidelines is a compilation of the actual writer s guidelines for more than 1 600 publishers A one of a kind source to browse for article short story poetry and book ideas *Imagining the Heartland* Britt E. Halvorson,2022-06-21 An overdue examination of the Midwest s long influence on nationalism and white supremacy Though

many associate racism with the regional legacy of the South it is the Midwest that has upheld some of the nation's most deep seated convictions about the value of whiteness From Jefferson's noble farmer to The Wizard of Oz imagining the Midwest has quietly gone hand in hand with imagining whiteness as desirable and virtuous Since at least the U S Civil War the imagined Midwest has served as a screen or canvas projecting and absorbing tropes and values of virtuous whiteness and its opposite white deplorability with national and global significance Imagining the Heartland provides a poignant and timely answer to how and why the Midwest has played this role in the American imagination In Imagining the Heartland anthropologists Britt Halvorson and Josh Reno argue that there is an unexamined affinity between whiteness Midwestness and Americanness anchored in their shared ordinary and homogenized qualities These seemingly unremarkable qualities of the Midwest take work they do not happen by default Instead creating successful representations of ordinary Midwestness in both positive and negative senses has required cultural expression through media ranging from Henry Ford's assembly line to Grant Wood's famous American Gothic Far from being just another region among others the Midwest is a political and affective logic in racial projects of global white supremacy Neglecting the Midwest means neglecting the production of white supremacist imaginings at their most banal and at their most influential their most locally situated and their most globally dispersed

Flowering Bruno Charlene Fix, 2006 An extraordinary meditation upon human and animal communication and the world we share xoxox press

The Liberal Heartland Jon K. Lauck, Catherine McNicol Stock, 2025-04-29 Over the last two decades the political narrative of the liberal coasts and the conservative heartland has become something of a truism leading many Democrats to write off much of the Midwest as a Republican stronghold Today's polarized divide between rural and urban voters makes it easy to forget that things have not always been this way The Liberal Heartland is a powerful reminder that the American Midwest has a progressive legacy that rivals the coasts Across twenty chapters The Liberal Heartland traces the political history of this region from the post New Deal period to the rise of the New Right and Donald Trump's right wing populism The contributors explore the way liberals and progressives across the Midwest fought for expanding environmental protection engaged in community activism developed a queer labor coalition before Stonewall struggled for women's rights and representation in the Great Plains states opposed the death penalty and mobilized for Indigenous self determination among other topics In addition to well known leaders like Harry Truman and George McGovern the book highlights lesser known figures such as Lydia Cady Langer Mary Jean Collins Richard Hatcher Jim Jontz and Paul Wellstone A companion to the 2020 volume The Conservative Heartland The Liberal Heartland explores the history of the Midwest from a less acknowledged perspective recounting often forgotten stories that demonstrate the importance of the Midwest for New Deal liberalism and various forms of left wing politics This is a long overdue book that represents a fresh look at the American heartland

The American

Midwest Andrew R. L. Cayton, Richard Sisson, Chris Zacher, 2006-11-08 This first ever encyclopedia of the Midwest seeks to embrace this large and diverse area to give it voice and help define its distinctive character Organized by topic it encourages readers to reflect upon the region as a whole Each section moves from the general to the specific covering broad themes in longer introductory essays filling in the details in the shorter entries that follow There are portraits of each of the region's twelve states followed by entries on society and culture community and social life economy and technology and public life The book offers a wealth of information about the region's surprising ethnic diversity a vast array of foods languages styles religions and customs plus well informed essays on the region's history culture and values and conflicts A site of ideas and innovations reforms and revivals and social and physical extremes the Midwest emerges as a place of great complexity signal importance and continual fascination

The Second Battle for Africa Erik S. McDuffie, 2024-11-08 In *The Second Battle for Africa* Erik S. McDuffie establishes the importance of the US Midwest to twentieth century global Black history internationalism and radicalism McDuffie shows how cities like Chicago Detroit and Cleveland as well as rural areas in the heartland became central and enduring incubators of Marcus Garvey's Black nationalist Universal Negro Improvement Association UNIA and its offshoots Throughout the region Black thinkers activists and cultural workers like the Grenada born activist Louise Little championed Black freedom McDuffie explores Garveyism and its changing facets from the 1920s onward including the role of Black midwesterners during the emergence of fascism in the 1930s the postwar US Black Freedom Movement and African decolonization the rise of the Nation of Islam and Malcolm X in the 1950s and 1960s and the continuing legacy of Garvey in today's Black Midwest Throughout McDuffie evaluates the possibilities limitations and gendered contours of Black nationalism radicalism and internationalism in the UNIA and Garvey inspired movements In so doing he unveils new histories of Black liberation and Global Africa

Directory of Poetry Publishers, 2005 *Heartland* James H. Madison, 1988 Contains chapters on Minnesota Michigan Wisconsin Missouri North Dakota Illinois Indiana South Dakota Ohio Nebraska Kansas and Iowa

The Ku Klux Klan in the Heartland James H. Madison, 2020-10-06 Who is an American asked the Ku Klux Klan It is a question that echoes as loudly today as it did in the early twentieth century But who really joined the Klan Were they hillbillies the Great Unteachables as one journalist put it It would be comforting to think so but how then did they become one of the most powerful political forces in our nation's history In *The Ku Klux Klan in the Heartland* renowned historian James H. Madison details the creation and reign of the infamous organization Through the prism of their operations in Indiana and the Midwest Madison explores the Klan's roots in respectable white protestant society Convinced that America was heading in the wrong direction because of undesirable un-American elements Klan members did not see themselves as bigoted racist extremists but as good Christian patriots joining proudly together in a righteous moral crusade *The Ku Klux Klan in the Heartland* offers a detailed history of this powerful organization and examines how through its use of intimidation religious belief and the ballot box the ideals of Klan in the 1920s have on going

implications for America today
