## Hearts Magic:

**A Harvest of Hearts** Andrea Eames, 2025-03-04 In the beloved tradition of Howl's Moving Castle meets The House in the Cerulean Sea a whimsical and unforgettable cozy fantasy about adventure common sense and the power of love as a cheeky butcher's daughter a befuddlingly handsome sorcerer and his clever talking cat unlock magical secrets in the dark heart of their kingdom Down to earth and completely irresistible Foss is fantastic as is her talking cat A Harvest of Hearts is that rare story that feels both classic and unique at the same time I loved it Sarah Beth Durst New York Times bestselling author of The Spellshop Everyone in Foss Butcher's village knows what happens when the magic workers come they harvest human hearts to use in their spells That's just how life in her kingdom works But Foss plain clumsy and practical as a boot never expected anyone would want hers When a sorcerer snags a piece of Foss's heart without meaning to she is furious For once a heart is snagged the experience is well unpleasant So Foss finds herself stomping toward the grand City to keep his enchanted House and demands that he fixes her before she keels over and dies or whatever happens when hearts are Snagged But the sorcerer Sylvester is not what she expected Petulant idle and new to his powers Sylvester has no clue how to undo the heart taking or how to do much of anything really apart from sulk Foss's only friend is a talking cat and even the House's walls themselves have moods As Foss searches for a cure she accidentally uncovers that there is much more to the heart taking and to the magic workers themselves than she could have ever imagined *Faces to Hearts* Lightwell Mpfu ,2018-10-08 In every human being lies potential The potential for both good and bad Human beings are as vast as the boundless ocean so unpredictable as the ever changing atmosphere yet also so beautiful as a serene summer shower which brings with it a beautiful trail of colour icing the lovely imagery In many ways a human being is a universe filled with endless possibilities and this anthology is written that we may come close to understanding the universe that is a human being and come to a deeper and more authentic questioning and understanding of ourselves and the different belief systems that inform who we are This way we can tap into the great power that lies in our hearts and be the much needed solution to the various problems our world faces today

enough to believe in themselves and see the beauty inside It shows how important friendship is how strong the human spirit is and how love can change things Luna s story becomes a symbol of hope that will last forever and give hope to future generations The story starts out like this Luna was a magical creature who used to live in a forest that was full of life and color Luna was a beautiful unicorn Her coat was as white as fresh snow and her horn sparkled like a mirror in the sun She had a kind and caring heart and her eyes were full of wonder and interest One day Luna woke up with a spark of curiosity in her eyes She wanted to see what was outside the forest which she had lived in for so long Luna took a deep breath and decided it was time to go on a journey which made her heartbeat faster Luna jumped ahead and as she galloped down the familiar trails of the woods a rush of adrenaline went through her body Her feet made a rhythmic song against the soft earth as they echoed through the woods like a happy symphony Luna was soothed by the familiar sights and smells of the forest but deep down she wanted something more a taste of the amazing that was just out of her reach As Luna got closer to the edge of the forest she noticed a change in the air The air seemed to be filled with a magical force and words of magic that made her want to explore It seemed like the forest itself was telling secrets about treasures to be found outside of its limits Luna moved closer to the edge her mane fluttering and her eyes shining with purpose Her heart was pounding with a mix of excitement and fear The forest had been her safe place and her home but now she was in a whole new world where thoughts and imaginations collided and every day gave way to the extraordinary Luna was interested in what she didn t know so she went outside of her comfort zone She stopped for a while because she was afraid of what she didn t know But Luna knew deep down that life was all about accepting the unknown and exploring places no one had been before Luna put all her courage into a leap of trust She rode forward and her hooves carried her through the trees and into the magical world As soon as she crossed the line she felt tingly as if the air itself was charged with magic She had never felt anything like it before a heady mix of joy and surprise A beautiful view of green fields tall mountains and sparkling lakes spread out in front of her The place seemed to shine with a wacky light as if it had been touched by humor itself Every step Luna took was a surprise and every breath she took smelled like options Slowly the world beyond the trees showed its beauty Flowers grew in every color of the rainbow and made a beautiful song Majestic animals with wings and scales flew through the sky adding bright colors to everything As Luna went deeper into this strange world she came across creatures that had only been mentioned in stories Fairies flew through the air with wings that were clear and shone like small rainbows They smiled and giggled sneakily at Luna and led her to private clearings where they laughed and told her secrets In their company Luna s heart felt lighter as if the weight of the world had been taken off Luna was surrounded by the magical energy in the air which gave her a feeling of purpose and wonder She found out that the world of magic was more than just a place to hide It was also a place where imagination and faith were the most important things In this setting dreams took flight and the unusual became the norm Fear and reluctance turned into courage and interest for Luna over time She was no longer scared of the

unknown Instead it drove her forward into a world with endless options She liked the thrill of finding new things like going to places she hadn't been before meeting new people and finding secret treasures that made her heart happy Luna's leap of faith not only let her into a magical world but it also lit a fire in her an insatiable desire to learn and a deep seated belief in the power of stepping outside of one's comfort zone She knew that people who were brave enough to face the unknown would grow and have real adventures As Luna went through this beautiful place she met magical creatures who had made this world their home Wise old wizards passed on their knowledge and taught important lessons about how magic and duty should work together As they danced around the fields and laughed the nymphs filled the air with joy and mischief And beautiful unicorns rushed with Luna confirming who she was and telling her of how strong she was on the inside With each new person she met Luna's sense of who she was grew stronger She found hidden skills and strengths she didn't know she had She learned to trust her gut listen to what her heart was telling her and believe in herself The enchanted realm she had moved to had become a place where she could learn about herself Every experience and contact had made her a stronger more confident unicorn Luna's quest on the other hand was not easy Along the way she ran into big problems that put her willpower to the test Dark woods dangerous ravines and whirling clouds all tried to stop her from getting where she needed to go In her head doubt whispered warnings and begged her to turn around But Luna found her own strength and used what she had learned to move forward with a strong sense of purpose Luna found that the real magic wasn't just in the things she saw but also in herself when she didn't know what to do Her faith in herself and her determination helped her get through the worst times and she was able to overcome any task Luna found that her spirit held the power to help her overcome problems but it was silent As Luna stood on a beautiful hill and looked out over the vast area of the magical country she had grown to love As the sun went down it filled the area with golden light and cast long shadows that moved to the sounds of her trip As Luna thought about everything she had seen and done she felt proud of herself She had learned what true friendship was gotten the strength to face her fears and unlocked the magic that was inside her Luna had understood that the most valuable thing she had seen was not what she had seen but how her heart had changed Luna went back to the familiar forest she used to live in She did so with a new understanding and a spirit that burned brighter than ever No longer did it feel tight or limiting Instead it looked like a safe place where she could share the magic and knowledge she had learned on her amazing journey Luna rode her horse back across the border of the enchanted realm and into the warm comfort of her favorite forest The soft ground under her hooves seemed to sing a happy tune because she was back Luna's presence gave off a unique vibe that made other species want to try new things and go on with their own adventures With a playful toss of her hair Luna moved into a place she didn't know Light from the sun bounced off the leaves and made bright patterns on her white cloak Her heart was beating faster as she thought about the new people she'd meet the secret treasures she'd find and the stories she'd hear on this amazing trip Luna didn't know that this trip would involve more than just a walk through a

magical forest It would test her courage make her think about her beliefs and light a fire of self discovery deep inside her She would see things that were more amazing than anything she could have imagined She would also face surprises that would test her strength As Luna went deeper into the unknown she met a group of naughty fairies with beautiful wings that sparkled like rainbows They flew around her whispering secrets about the forest and showing her hidden paths Luna s heart filled with joy when she learned that everywhere she turned she would meet new friends Luna was led to a secret waterfall by the fairies playful giggles as she followed their ethereal glow It fell in a fluid way and its clear waters made beautiful music that filled the air Luna was amazed to see that the water sparkled with a beautiful light just like the colors of a rainbow Luna cautiously walked up to the edge of the pool drawn by its beauty As she went deeper into the pool her own image stared back at her mirroring the determination in her eyes She saw more than just her body she saw the spirit of who she really was waiting to be found The river told cosmic secrets and promised that wants would be met and that people s deepest wishes would be revealed Luna could feel the power in the air as it swirled around her urging her to find out what she was capable of and what secrets were inside her Luna got down on her knees and put her hoof in the water Her heart was strong As waves moved across the pool s surface she felt a rush of energy It was almost as if the water knew she was there and knew how powerful she was
