Caribbean Maritime Security Michael A. Morris,2016-07-27 Caribbean coast guard and naval hierarchies are developed in order to facilitate systematic comparisons about maritime issues and key actors On this basis the relationship of different groups of states to the longstanding Cold War security agenda as well as the emerging post Cold War one is assessed Prominent emerging security issues include boat people maritime drug trafficking and a variety of local maritime security issues While Caribbean maritime security is distinctive and important this book provides the only comprehensive treatment of the subject Dependency and Socialism in the Modern Caribbean Euclid A. Rose,2002-01-01 Was the

Anglophone Caribbean condemned by its colonial history to permanent conditions of dependency and by Cold War geopolitical realities to international interventionism In *Dependency and Socialism in the Modern Caribbean* Euclid Rose focuses upon the efforts made by the English speaking Caribbean through case studies that compare and contrast the political economies of Guyana Jamaica and Grenada to break out of the legacy of colonial dependency and underdevelopment through the implementation of a Caribbean brand of socialism The work considers the Caribbean s adoption of Fabian style socialism as an alternative to capitalist development and how these socialist policies were impacted by differences in infrastructure capacity economic and social resources and political agendas It highlights the pivotal role of race and class and the hitherto little studied impact of religion on the region s political economy Moreover the study calculates the impact of the global economy upon Caribbean socio economic conditions and the ideological geopolitical and strategic implications of the Cold War and the Caribbean s socialist alignment on the nature character and intensity of British and American interventionism in the region A must read for political economists in search of a greater understanding of the postcolonial political economy of the Caribbean and Latin America **Modern Caribbean Politics** Anthony Payne,Paul K.
