

Georg Simmel (1858-1918), the German sociologist who rejected simple materialism and interactionism. He believed society comprises complex interactions that create more than the sum of its parts. His work was influential in philosophy and sociology. Simmel's study of groups and group behavior has gained some important insights that would later be used in social psychology and sociology.

**Georg Simmel** David Frisby, 2002 Until recently little of Simmel s work was available in translation and certain key texts were unknown outside Germany David Frisby the eminent Simmel scholar provides not only an introduction to the major sociological writings of this important figure but also an argument for a reconsideration of his work The author outlines the cultural and historical context in which Simmel worked reviews Simmel s most important writings and examines his legacy to

sociology by illuminating his links with Weber's theories and his influential relationship with Marxism. Simmel, a central figure in the development of modern sociology and a contemporary of Weber and Durkheim, was one of the first to identify sociology as a separate discipline. His ideas influenced Weber, the Chicago School, and many later sociologists. His introduction of a number of basic concepts to sociology, such as exchange, interaction, and differentiation, attest to his intellectual stature and the far-reaching significance of his work.

**Georg Simmel** David Frisby, 2013-01-11 Until recently little of Simmel's work was available in translation and certain key texts were unknown outside Germany. David Frisby, the eminent Simmel scholar, provides not only an introduction to the major sociological writings of this important figure but also an argument for a reconsideration of his work. The author outlines the cultural and historical context in which Simmel worked, reviews Simmel's most important writings, and examines his legacy to sociology by illuminating his links with Weber's theories and his influential relationship with Marxism. Simmel, a central figure in the development of modern sociology and a contemporary of Weber and Durkheim, was one of the first to identify sociology as a separate discipline. His ideas influenced Weber, the Chicago School, and many later sociologists. His introduction of a number of basic concepts to sociology, such as exchange, interaction, and differentiation, attest to his intellectual stature and the far-reaching significance of his work.

A Sociological Theory of Value Natàlia Cantó Milà, 2015-07-15 In this book Natàlia Cantó Milà elaborates on Georg Simmel's relational approach to a theory of value, pointing at the heuristic possibilities that this approach offers to modern sociology and to a sociology of modernity. She does so by focusing on the theory of value Simmel developed in his *The Philosophy of Money*, delivering an alternative reading of this book that views its theory of value as its main axial point. Simmel's theory of value is depicted by Cantó Milà as including an intrinsically sociological aspect, since economic as well as moral, ethical, and aesthetic values are conceived as resulting from human relations.

**Georg Simmel and the Disciplinary Imaginary** Elizabeth S. Goodstein, 2017-01-04 An internationally famous philosopher and best-selling author during his lifetime, Georg Simmel has been marginalized in contemporary intellectual and cultural history. This neglect belies his pathbreaking role in revealing the theoretical significance of phenomena including money, gender, urban life, and technology that subsequently became established arenas of inquiry in cultural theory. It further ignores his philosophical impact on thinkers as diverse as Benjamin Musil and Heidegger. Integrating intellectual biography, philosophical interpretation, and a critical examination of the history of academic disciplines, this book restores Simmel to his rightful place as a major figure and challenges the frameworks through which his contributions to modern thought have been at once remembered and forgotten.

Classical Sociological Theory Bert N. Adams, R. A. Sydnie, 2002-01-29 A concise yet surprisingly comprehensive theory text given the range of ideas, historical context, and theorists discussed. Unlike other books of the type, *Classical Sociological Theory* focuses on how the pivotal theories contributed not only to the development of the field but also to the evolution of ideas concerning social life.

**Sociological Theory** Bert N. Adams, R. A. Sydnie, 2001-01-30 Providing a concise and comprehensive

introduction to both classical and contemporary social thought this volume makes social theory and social theorists accessible and meaningful

**A Special Issue on Georg Simmel** Georg Simmel, 1991 Georg Simmel 1858-1918 has long been recognized as one of the founding figures in the discipline of sociology. A contemporary of Max Weber and Emile Durkheim, he produced a wide range of sociological and other writings, including his classic work on *The Philosophy of Money*. The importance of Simmel's work is currently being marked in Germany by publication of a complete edition of his work. In this collection, also published as a special issue of *Theory & Culture Society* 8:3, an international team of distinguished contributors reassesses Simmel's work and its relation to contemporary issues and problems in social theory. The collection also incorporates new translations of a number of Simmel's short essays. It will be of interest to scholars and students of sociology, social theory, and the history of the human sciences.

**The Blackwell Companion to Sociology of Religion** Richard K. Fenn, 2008-04-15 The *Blackwell Companion to Sociology of Religion* is presented in three comprehensive parts. Written by a range of outstanding academics, the volume explores the current status of the sociology of religion and how it might look in the future. Explores the current status of the sociology of religion and how it might look at the beginning of the next millennium. Traces the boundaries between sociology and other closely related disciplines such as theology and social anthropology. Edited by one of the best known and most widely respected sociologists of religion. Accessibly presented in three comprehensive parts.

**The Emotions in the Classics of Sociology** Massimo Cerulo, Adrian Scribano, 2021-08-29 *The Emotions in the Classics of Sociology* stands as an innovative sociological research that introduces the study of emotions through a detailed examination of the theories and concepts of the classical authors of the discipline. Sociology plays a crucial role, emphasizing how much emotional expressions affect social dynamics, thus focusing on the ways in which subjects show or decide to show a specific emotional behaviour based on the social and historical context in which they act. This book focuses the attention on the individual emotions that are theorized and studied as forms of communication between subjects, as well as magnifying glasses to understand the processes of change in the communities. This volume therefore guides the readers through an in-depth overview of the main turning points in the social theory of the classical authors of sociology, highlighting the constant interaction between emotional, social, and cultural elements. Thus demonstrating how the attention of the emotional way of acting of the single subject was already present in the classics of the discipline. The book is suitable for an audience of undergraduate, postgraduate students, and researchers in sociology, sociology of emotions, sociology of culture, social theory, and other related fields.

**Simmel** Thomas Kemple, 2019-07-12 Georg Simmel, as well as being a major philosopher, is one of the founding figures of sociology whose work is comparable in importance to that of Marx, Weber, and Durkheim. His writings on money, metropolises, and modernity have inspired generations of thinkers for over a century. In this book, leading expert Thomas Kemple clearly and accessibly introduces Simmel's sociological and philosophical work, ranging from his masterpiece *The Philosophy of Money* to his famous essays *The Metropolis and Mental Life* and *Fashion and Beyond*.

The author situates his writings within his social and intellectual circles and analyses them in light of current debates surrounding urban sociology and social networks phenomenology and metaphysics cultural criticism and the study of everyday life He brings Simmel's most famous works into conversation with others that have received less attention such as his writings on nature art religion and sexuality Through diagrams everyday examples and expositions of the work of his predecessors and contemporaries and successors this highly readable book captures the innovative spirit of Simmel's unique method of thinking about cultural objects and his original style of writing about social life Commemorating the 100th anniversary of Simmel's death it will be the leading guide to Simmel's thought for generations of students and scholars

**Contemporary Sociological Theory** Doyle Paul Johnson, 2008-04-23 This volume is designed as a basic text for upper level and graduate courses in contemporary sociological theory Most sociology programs require their majors to take at least one course in sociological theory sometimes two A typical breakdown is between classical and contemporary theory Theory is perhaps one of the broadest areas of sociological inquiry and serves as a foundation or framework for more specialized study in specific substantive areas of the field In addition the study of sociological theory can readily be related to various aspects of other social science disciplines as well From the very beginning sociology has been characterized by alternative theoretical perspectives Classical theory includes the European founding figures of the discipline whose works were produced during the later half of the nineteenth century and the first couple of decades of the twentieth century plus early American theorists For most of the second half of the twentieth century a fairly high consensus has developed among American sociologists regarding these major founders particularly with regard to the works of Durkheim and Weber in analyzing the overall society and of Simmel in analyzing social interaction processes Since the late 1960s and early 1970s the influence of Marx has also been recognized Recent decades have also witnessed an increased emphasis on the important contributions of several pioneering feminist perspectives in the early years of sociology

Love and Sexuality in Social Theory Emiliano Bevilacqua, Mariano Longo, Michael Hviid Jacobsen, 2024-11-27 Love and Sexuality in Social Theory considers the role that love and sexuality play in private and public life Drawing on both classical and contemporary social theory this book presents both theoretical and empirical studies of love and sexuality as social factors from the earliest reconstructions of modern emotional life to the most recent analyses of liquid love With attention to the consequences that passions and desires have both on morals and behaviour it departs from the analysis of society in terms of the division of labour and utilitarian mechanisms to consider how a society based on performances values human energy and emotional behaviour in a contradictory way This book therefore presents and discusses classic authors from Georg Simmel and Pitirim Sorokin to Marianne Weber and Simone De Beauvoir through the work of Erving Goffman and ending with contemporary authors such as Michel Foucault Anthony Giddens Zygmunt Bauman Ulrich Beck and Eva Illouz By presenting love as the social foundation of altruism an essential element in modern conceptions of subjectivity and a force shaping intimacy and contemporary social

life this book will appeal to scholars of sociology particularly those interested in social theory and the sociology of emotions

Form and Dialectic in Georg Simmel's Sociology H. Schermer,D. Jary,2013-08-22 This book shows that a dialectical conceptual model underpins Georg Simmel's writings The book provides key examples of social forms including fashion the secret and money as exemplifications of this method The volume concludes with a reassessment of Simmel's relevance today

*Sociological Theory and the Question of Religion* Andrew McKinnon,Marta Trzebiatowska,2016-04-01 Religion lies near the heart of the classical sociological tradition yet it no longer occupies the same place within the contemporary sociological enterprise This relative absence has left sociology under prepared for thinking about religion's continuing importance in new issues movements and events in the twenty first century This book seeks to address this lacunae by offering a variety of theoretical perspectives on the study of religion that bridge the gap between mainstream concerns of sociologists and the sociology of religion Following an assessment of the current state of the field the authors develop an emerging critical perspective within the sociology of religion with particular focus on the importance of historical background Re assessing the themes of aesthetics listening and different degrees of spiritual self discipline the authors draw on ethnographic studies of religious involvement in Norway and the UK They highlight the importance of power in the sociology of religion with help from Pierre Bourdieu Marx and Critical Discourse Analysis This book points to emerging currents in the field and offers a productive and lively way forward not just for sociological theory of religion but for the sociology of religion more generally

This is likewise one of the factors by obtaining the soft documents of this **Georg Simmel And Contemporary Sociology** by online. ## **Georg Simmel And Contemporary Sociology Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Georg Simmel And Contemporary Sociology free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Georg Simmel And Contemporary Sociology free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for

offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Georg Simmel And Contemporary Sociology free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Georg Simmel And Contemporary Sociology. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Georg Simmel And Contemporary Sociology any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Georg Simmel And Contemporary Sociology Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
