McCarroll,2013-12-24

How do we hope in the face of modernity s failure and postmodernity s absence of foundations How do we hope when the future seems fearful and no clear way forward appears How do we hope when despair indifference and cynicism dominate the psychic landscape of English speaking North America In dialogue with theologians of the cross George Grant and Douglas John Hall this book unmask the failure of hope in our time and the vacuum of meaning that remains As an exercise in the theology of the cross Waiting at the Foot of the Cross explores the North American context as one in which true hope is discovered only when life s negations are engaged
