**George Eastman** Elizabeth Brayer,2006 George Eastman transformed the world of photography In this revealing and informative biography Elizabeth Brayer draws a vivid portrait of this enigmatic and complex man *Lab Dog* Brad Bolman,2025-05-06 Tracing over a century of transformation in the relationship between humans and our best friend from hunting companion to laboratory commodity to modern pet Intrepid docile and cloaked in coats of white black and tan beagles were one of the most popular breeds in the United States in the twentieth century From Snoopy to dog shows many

Americans loved and identified with beagles But during the same period as scientists searched for a standard research dog beagles emerged as something else an ideal animal for laboratory experimentation In Lab Dog historian Brad Bolman explains how the laboratory dog became a subject of intense focus for twentieth century scientists and charts the beagle s surprising trajectory through global science Following beagles as they moved from eugenics to radiobiology pharmaceutical testing to Alzheimer s studies Lab Dog sheds new light on pivotal stories of twentieth century science including the Manhattan Project tobacco controversies contraceptive testing and behavioral genetics research Bolman shows how these experiments shaped our understanding of dogs as intelligent companions who deserve moral protection and socialization and in some cases daily medication Compelling and accessible Lab Dog tells the thorny story of the participation of beagles in science including both their sacrifices and their contributions and offers a glimpse into the future of animal experimentation
