 of handguns This stunning book is the first to present in detail the evolution of his most famous invention and to document  
 the unsurpassed Colt firearms collections held by the Wadsworth Atheneum Colt designed his revolvers with an artistic  
 sensibility paying particular attention to form and beauty and juxtaposing colors and finishes to heighten the visual effects  
 He was also one of the first American manufacturers to secure celebrity endorsements and to commission paintings by  
 renowned artists like George Catlin to promote his arms Colt s standards for excellence industrial foresight and quest for  
 market domination are explored in light of primary documents that reveal his constant battles to protect his patents Essays  
 discuss Colt s personal collection of historic firearms as well as the memorial collection of Colt manufactured firearms the  
 relationship between art and commerce as they pertain to the inventor s career and his international celebrity Richly  
 illustrated and beautifully produced this volume presents the artistry of the firearms that Colt worked so diligently to perfect
