Georgias Land Of The Golden Isles:

Georgia's Land of the Golden Isles Burnette Vanstory, 1981 Since it first appeared in 1956 Mrs Vanstory's rich narrative of the barrier islands from Ossabaw to Cumberland and the mainland towns along the way has become the standard popular history of Georgia's golden coast Thoroughly revised and with over forty new illustrations this edition traces the crucial and colorful role these islands have played from the sixteenth century to the twentieth Home at one time or another to the American Indians the French the Spanish and the English to buccaneers friars and priests to Puritans and Scottish Highlanders to slave traders planters soldiers statesmen and millionaires these islands are as rich in history as they are in natural beauty Georgia's Land of the Golden Isles now takes the reader through the years from General James Oglethorpe to President Jimmy Carter unfolding the stories of the lives that have touched or been touched by the golden isles of Georgia

Anna Anna Matilda King, 2010-04-15 As the wife of a frequently absent slaveholder and public figure Anna Matilda Page King 1798 1859 was the de facto head of their Sea Island plantation This volume collects more than 150 letters to her husband children parents and others Conveying the substance of everyday life as they chronicle King's ongoing struggles to put food on the table nurse her family black and white and keep faith with a disappointing husband the letters offer an absorbing firsthand account of antebellum coastal Georgia life Anna Matilda Page was reared with the expectation that she would marry a planter have children and tend to her family's domestic affairs Untypically she was also schooled by her father in all aspects of plantation management from seed cultivation to building construction That grounding would serve her well By 1842 her husband's properties were seized owing to debts amassed from crop failures economic downturns and extensive investments in land enslaved workers and the development of the nearby port town of Brunswick Anna and her family were sustained however by Retreat the St Simons Island property left to her in trust by her father With the labor of fifty bondpeople and their increase she was to strive with little aid from her husband to keep the plantation solvent A valuable record of King's many roles from accountant to mother from doctor to horticulturist the letters also reveal much about her relationship with and attitudes toward her enslaved workers Historians have yet to fully understand the lives of plantation mistresses left on their own by husbands pursuing political and other professional careers Anna Matilda Page King's letters give us insight into one such woman who reluctantly entered but nonetheless excelled in the male domains of business and agriculture

Georgia's Lighthouses and Historic Coastal Sites Kevin M McCarthy, 1998-04 Though the Georgia coast is a mere 110 miles long a wealth of historic beauty natural and manmade lies between the Savannah and St Mary's Rivers The last settled and poorest of the original thirteen colonies of the United States Georgia is a unique combination of war torn history and genteel character Here you'll find stories of Civil War soldiers pioneers and settlers Native Americans seafarers and pirates including Blackbeard and even a ghost or two Some of the places you'll visit First Presbyterian Church where smugglers hoisted a horse into the belfry to divert the townspeople's attention from their

nefarious activities St Simons Lighthouse one of America's oldest continuously working lighthouses and home to the ghost of keeper Frederick Osborne whose footsteps can be heard in the tower at night Jekyll Island Club an elegant posh retreat established in 1886 by some of the wealthiest families in America including the Astors Rockefellers and Vanderbilts These and other lighthouses plantations churches forts and summer cottages of wealthy Northerners and Southerners alike stand as testaments to the rich and provocative history of this the most Southern of Southern states Each site is illustrated with a full color painting

Rice Gold James Bagwell, 2002-06 Drawing from a wealth of information particularly from primary sources such as diaries letters plantation records etc the author has recreated the story of James Hamilton Couper and his times into an exciting interesting and readable account The work begins with an introductory chapter The Georgia Coast a land of sluggish rivers murky blackwater swamps and studded with a string of islands is the home of a special breed of people They are as wild reckless exciting beautiful and contradictory as the land itself Bagwell examines the Couper heritage from kings war and intrigue in Scotland to their firm establishment on the Georgia Coast As colonial times move into antebellum the Coupers progress especially with James Hamilton Couper of Hopeton Plantation On his grand tour of Europe many on that continent commented on the abilities and potential of this young man Couper made quite a name for himself in the area of politics plantation management scientific agriculture archaeology and architectural design In the sinking of the *Pulaski* he was hailed the hero of the occasion The publication of this volume will be a valuable addition to the history and culture of the South especially Georgia and its coast

Origins of the Georgia Coast William P. A. Hunt, 2025-02-25 Now recognized as a global tourist destination featuring the Forbes Five Star Sea Island Resort with world renowned golf courses and fine dining Georgia's Golden Isles possess a complex history involving indigenous populations colonial rivalries and economic transformations stretching hundreds of years During its evolution from territory contested by Spain France and Britain to a crucial part of the South's cotton belt the region has witnessed pivotal moments including the American Revolution the Civil War and postbellum reconstruction This work sets the stage for an exploration of the Golden Isles multifaceted past highlighting their vital role in shaping the history of the United States Originally called Golden Islands by Scottish nobleman Robert Montgomery in the eighteenth century and geographically defined by the Altamaha and Ogeechee Rivers the region comprises a series of islands including Sea Island St Simons Island Jekyll Island Sapelo Island and Cumberland Island The area's elevation above sea level coupled with marshes and waterways contributes to its distinctive ecology and its salt marshes covering over 350 000 acres are a defining feature creating a unique environment where ocean and river waters intermingle

Inside One Author's Heart Eugenia Price, 2021-08-17 Inside One Author's Heart offers a rare glimpse behind the image of a bestselling writer Instead of her sweeping tales of the Old South Ms Price focuses on herself her readers and the special way in which they nourish each other He tells it straight with warts and flaws and at all times an endearing sense of humor about herself and her work Here Ms Price reveals how she creates her haunting novels

and how she brings her characters to life on paper Here are the heartfelt dialogues between Ms Price and her readers Here is the real Eugenia Price eternally optimistic yet strangely intimidated by her own success The story ranges from Ms Price s early years as a writer living in Chicago to how she fled in the 1960 s for privacy to the sanctuary of St Simons Island And this is the most riveting part of her narrative This deeply private and spiritual woman not only absorbed her new surroundings she also created a mystique about the island and its history *Freedom's Shore* Russell Duncan,2021-07-01

The Journal of Archibald C. McKinley Archibald Carlisle McKinley,1991 A valuable document from the Reconstruction era The Journal of Archibald C McKinley offers the modern reader a rare glimpse of daily life on Sapelo Island Georgia as seen through the eyes of an upper class farmer A descendant of Scottish settlers Archibald McKinley was born in Lexington Georgia in 1842 and served as a Confederate officer during the Civil War Just after the war he began farming near Milledgeville Georgia and within a year had met and married Sarah Spalding a granddaughter of Thomas Spalding who had built his plantation empire on Sapelo Island In 1869 the McKinleys moved to Sapelo to raise cotton sugar cane and other crops The bulk of this journal is a sustained account of their sojourn on the island through 1876 before their return to Milledgeville The brief matter of fact entries that make up McKinley s journal focus mainly on the small occurrences that filled his days farm work hunting and fishing expeditions sailing excursions church services changes in the weather the disposition of his crops the development of the Darien timber shipping trade Scattered throughout however are intriguing references to dramatic events shootings trials tensions between whites and the recently freed blacks and to the processes of Reconstruction as when McKinley notes that a company of Yankee soldiers had arrived at the penitentiary to ensure equal treatment of black and white convicts The longest entry in the journal is a eulogy for a freedman named Scott who as McKinley s slave had remained true as steel during McKinley s service in the Civil War Editor Robert L Humphries has included with the journal several of the McKinley family letters written after Archibald and Sarah left Sapelo Island In the introduction historian Russell Duncan places the story in context focusing on the larger events of Reconstruction as they pertained to Sapelo Island and to the relations between blacks and whites there **Swamp Water and Wiregrass** George A.
