in a left wing newspaper in 1850 *The Salt Smugglers* provides a political satire of the waning days of France's short lived  
Second Republic With nods to Diderot and Sterne this shaggy dog story deals less with contraband salt smugglers than with  
the subversive power of fiction to transgress legal and esthetic boundaries By writing what he claimed was a purely  
documentary account of his picaresque adventures in search of an elusive book recording the true history of a certain  
seventeenth century swashbuckler Nerval sought to deride the press censors of the day who forbade the serial publication of  
novels in newspapers and in the process he provocatively deconstructed existing distinctions between fact and fiction Never  
before translated into English and still unavailable as a separately published volume in French *The Salt Smugglers* is a pre  
postmodern gem of experimental prose Richard Sieburth's vibrant translation and illuminating afterword remind us why G  
rard de Nerval's blend of sly irony and acerbic social criticism proved so inspiring to authors as various as Baudelaire Proust  
and Leiris      **The Enchanted Hand and Other Works** Gerard De Nerval, Benn Sowerby, 2013-07 Gerard de Nerval 1808  
1855 was the nom de plume of Gerard Labrunie a French romantic poet essayist and translator He was a leading figure in  
the romantic movement and a precursor of the symbolists and surrealists He travelled widely in the Orient and viewed  
dreams as a means of communication between the real world and the spirit world From 1841 onwards he suffered from a  
series of mental breakdowns It was during this period that he produced some of his best writing His works greatly influenced  
Andre Breton Marcel Proust Rene Duhamel and Antonin Artaud His translation of Goethe's *Faust* was highly praised by the

author whose preferred translator he was His major works are the collection of poems *les Chimeres Voyage en Orient* and *Sylvie* considered by Marcel Proust and Umberto Eco to be a masterpiece The writings in this selection which include his masterpiece *Sylvie* provide an ideal introduction to his work **Aurélia ; Followed by Sylvie** Gérard de Nerval,1993 Throughout his life the poet and writer Gerard de Nerval 1808 1855 struggled with bouts of madness and ended his life wandering homeless on the streets of Paris until he was found hanging from a sewer grating an apparent suicide As one of the most individualistic of the colorful French Romantics the details of Nerval s life have passed into legend as writers and commentators have served up any number of versions of his mysterious love affair with the actress Jenny Colon not to mention his famous habit of walking a lobster on a pale blue leash through the gardens of the Palais Royal Soon after the completion of his novella *Sylvie* in 1853 Nerval began under advice from his doctor an extended personal journal essay chronicling his psychic experiences and visions What emerged from these writings is *Aurelia* a masterpiece in the literature of dreams and hallucinations and one of the most remarkable prose works of nineteenth century French literature Book jacket Gerard de Nerval C. Ducray,1946 *Journey to the Orient* Gérard de Nerval,Conrad Elphinstone,2012-08-10 More than just an account of his travels in Cairo Beirut and Constantinople in 1842 Gerard de Nerval s *Journey to the Orient* is a quest for the unknown If his narrator seems credulous in his retelling of legends of the origins of the pyramids and the mysteries of the Druzes it is with this purpose in mind While the Orientalists of his day were confident of having in the words of Edward Said grasped appropriated reduced and codified the Orient Nerval s Orient remains elusive impossible to grasp Poignantly dramatized in the thematic centerpieces of the tales of the Queen of Sheba and the Caliph Hakim what takes shape in this visionary travelogue as the author s hopes are alternately disappointed and rapturously renewed is the story of the artist s search for the ideal
