

Advance praise for
THE GERMAN ARMY LEAGUE

"Coetzee shows that the Army League, founded in 1912, was the last in a chain of patriotic societies in pre-World War I Germany, created to combat socialism and pacifism, as well as to prepare society for what the founders of the patriotic associations felt was an inevitable armed conflict with the enemies of Germany. An original work. . . . A valuable addition to a much debated period."

István Deák
Columbia University

"Marilyn Shevin Coetzee's careful study of the German Army League sheds new light on political life during the final years of the Second Empire. By carefully examining the League's social composition and regional distribution, she contributes to our understanding of nationalism's strengths and limitations as a political force."

James J. Sheehan

German Army League Popular Nationalism In Wilhelmine Germany

Laurence Cole

German Army League Popular Nationalism In Wilhelmine Germany:

The German Army League Marilyn Shevin Coetzee, 1990 This book traces the development of the German Army League from its inception through the earliest days of the Weimar Republic Founded in January 1912 the League promoted the intensification of German militarism and the cultivation of German nationalism As the last and second largest of the patriotic societies to emerge after 1890 the League led the campaign for army expansion in 1912 and 1913 and against the growing influence of socialism and pacifism within Germany Attempting to harness popular and nationalist sentiment against the government's foreign and domestic policies by preying on Germans fears of defeat and socialism the League contributed to the polarization of German society and aggravated the international tensions which culminated in the Great War Coetzee combines an analysis of the League's principal personalities and policies with an exploration of the inner workings of local and regional branches arguing that rather than having served solely as a barometer of populist nationalist sentiment the League also reflected the machinations of men of education and prominence who believed that an unresponsive German government had stifled their own careers dealt ineffectually with the prospect of domestic unrest and squandered the nation's military superiority over its European rivals

The German Army League Marilyn Shevin Coetzee, 1990-06-28 This book traces the development of the German Army League from its inception through the earliest days of the Weimar Republic Founded in January 1912 the League promoted the intensification of German militarism and the cultivation of German nationalism As the last and second largest of the patriotic societies to emerge after 1890 the League led the campaign for army expansion in 1912 and 1913 and against the growing influence of socialism and pacifism within Germany Attempting to harness popular and nationalist sentiment against the government's foreign and domestic policies by preying on Germans fears of defeat and socialism the League contributed to the polarization of German society and aggravated the international tensions which culminated in the Great War Coetzee combines an analysis of the League's principal personalities and policies with an exploration of the inner workings of local and regional branches arguing that rather than having served solely as a barometer of populist nationalist sentiment the League also reflected the machinations of men of education and prominence who believed that an unresponsive German government had stifled their own careers dealt ineffectually with the prospect of domestic unrest and squandered the nation's military superiority over its European rivals

Nazi Empire Shelley Baranowski, 2011 Examines the history of Germany from 1871 to 1945 as an expression of the tension of empire *Germany and the Causes of the First World War* Mark Hewitson, 2014-03-04 How can we understand what caused World War I What role did Germany play This book encourages us to re think the events that led to global conflict in 1914 Historians in recent years have argued that German leaders acted defensively or preemptively in 1914 conscious of the Reich's deteriorating military and diplomatic position Germany and the Causes of the First World War challenges such interpretations placing new emphasis on the idea that the Reich Chancellor the German Foreign Office and the Great General Staff were confident that

they could win a continental war This belief in Germany's superiority derived primarily from an assumption of French decline and Russian weakness throughout the period between the turn of the century and the eve of the First World War Accordingly Wilhelmine policy makers pursued offensive policies at the risk of war at important junctures during the 1900s and 1910s The author analyses the stereotyping of enemy states representations of war in peacetime and conceptualizations of international relations He uncovers the complex role of ruling elites political parties big business and the press and contends that the decade before the First World War witnessed some critical changes in German foreign policy By the time of the July crisis of 1914 for example the perception of enemies had altered with Russia the traditional bugbear of the German centre and left becoming the principal opponent of the Reich Under these changed conditions German leaders could now pursue their strategy of brinkmanship using war as an instrument of policy to its logical conclusion

Bismarck's Shadow Richard Frankel, 2004-12-01 History is a tale often told by ghosts and demi gods and our relationship to these figures often determines the shape of the narratives we weave about the past Bismarck's Shadow targets this idea as it is a book that unearths a fascinating phenomenon of German political culture the elevation of a dead political figure Otto von Bismarck to the level of a demi god and the effects of such deification on the course of German politics during the first half of the 20th century Already a central national symbol during his lifetime after his death Bismarck became the object of a political religion what Frankel regards as a Bismarck Cult This book examines how certain ritual practices and a particular historical understanding a Bismarckian gospel provided its followers meaning and direction Extending beyond the cultural as well Bismarck's Shadow also looks at how the cult of Bismarck translated into political practice In Frankel's estimation the logic of the Bismarckian political religion contributed to the right's progressive radicalization from the turn of the century to the triumph of the Nazis The image of the deceased figure of Bismarck serves as a tool to investigate the transformation of the German right from a traditional state supporting group to a populist radical nationalist movement like Nazism Timely and compelling Bismarck's Shadow raises long overdue questions about the political religion of National Socialism Germans' perceptions about Bismarck and the relationship between Otto von Bismarck and Adolf Hitler

The German Right, 1860-1920 James N. Retallack, Professor of History and German Studies James Retallack, 2006-01-01 With unification as a nation state under Bismarck in 1871 Germany experienced the advent of mass politics The dynamic political culture that emerged challenged the adaptability of the interlocking directorate of the Right This work examines how the authoritarian imagination inspired the Right and how political pragmatism constrained it

The Educated Woman Katharina Rowold, 2011-02-09 The Educated Woman is a comparative study of the ideas on female nature that informed debates on women's higher education in the late nineteenth and early twentieth centuries in three western European countries Exploring the multi layered roles of science and medicine in constructions of sexual difference in these debates the book also pays attention to the variety of ways in which contemporary feminists negotiated and reconstituted conceptions of the female

mind and its relationship to the body While recognising similarities Rowold shows how in each country the higher education debates and the underlying conceptions of women's nature were shaped by distinct historical contexts *Carl Peters and German Imperialism 1856-1918* Arne Perras, 2004-07-22 Carl Peters 1856 1918 ranked among Germany's most prominent imperialists in the Bismarckian and Wilhelmine periods In the 1880s he emerged as a leader of the colonial movement and became known as the founder of Deutsch Ostafrika a region many Germans regarded as the pearl of their overseas possessions In Nazi Germany he was revered as a precursor of Hitler and ascended retrospectively to new glory as a pioneer in the struggle for Lebensraum This scholarly biography examines Peters's nationalist agenda and sheds light on his colonial expeditions into East Africa It seeks to explain how this young academic who had written about Schopenhauer and metaphysics eventually became a skilful agitator for a German world empire

Origins of the First World War Gordon Martel, 2016-10-04 *Origins of the First World War* summarizes the policies issues and crises that brought Europe to war in 1914 Examining the strategic and political problems that confronted each of the great powers and the way in which social and economic factors influenced the decision making process Martel discusses the position of each power and their place in the system of alliances which dominated international politics The fourth edition has been revised and updated throughout to incorporate the body of new scholarship that has appeared since the hundredth anniversary of the outbreak of war In a clear and accessible manner it explains how and why the alliance system was created how alliances led to a network of complicated strategic commitments how an escalating series of international crises from the turn of the century fuelled preparations for war why the peculiarities of the Balkan situation are essential in understanding the outbreak of war in 1914 This book also includes an updated Guide to Further Reading Who's Who of important figures and Glossary of key terms and the selection of documents has been expanded to include the key treaties as well as evidence of popular militarism and nationalism Concise accessible and analytical it is essential introductory reading for all students interested in the origins of the First World War

Absolute Destruction Isabel V. Hull, 2013-01-14 In a book that is at once a major contribution to modern European history and a cautionary tale for today Isabel V Hull argues that the routines and practices of the Imperial German Army unchecked by effective civilian institutions increasingly sought the absolute destruction of its enemies as the only guarantee of the nation's security So deeply embedded were the assumptions and procedures of this distinctively German military culture that the Army in its drive to annihilate the enemy military did not shrink from the utter destruction of civilian property and lives Carried to its extreme the logic of military necessity found real security only in extremities of destruction in the silence of the graveyard Hull begins with a dramatic account based on fresh archival work of the German Army's slide from administrative murder to genocide in German Southwest Africa 1904-7 The author then moves back to 1870 and the war that inaugurated the Imperial era in German history and analyzes the genesis and nature of this specifically German military culture and its operations in colonial warfare In the First World War the routines perfected in

the colonies were visited upon European populations Hull focuses on one set of cases Belgium and northern France in which the transition to total destruction was checked if barely and on another Armenia in which military necessity caused Germany to accept its ally's genocidal policies even after these became militarily counterproductive She then turns to the Endkampf 1918 the German General Staff's plan to achieve victory in the Great War even if the homeland were destroyed in the process a seemingly insane campaign that completes the logic of this deeply institutionalized set of military routines and practices Hull concludes by speculating on the role of this distinctive military culture in National Socialism's military and racial policies Absolute Destruction has serious implications for the nature of warmaking in any modern power At its heart is a warning about the blindness of bureaucratic routines especially when those bureaucracies command the instruments of mass death

Stealing Horses to Great Applause Paul W. Schroeder, 2025-02-18 Stand out theoretical and empirical explanation of the origins of the First World War by one of the great historians of international diplomacy Stealing Horses to Great Applause presents arguably the finest considerations yet of the origins of the First World War Breaking with accounts which focus on the actions of a single state or the final countdown to hostilities Paul W. Schroeder describes the systemic crisis engulfing the Great Powers They were more interested in colonial plunder overseas stealing horses to great applause in the old Spanish adage than the traditional statecraft of European peace making Preserving the balance of power required preserving all the essential actors in it including a tottering Austria-Hungary This the British in particular failed to recognise The Central Powers may have started the War but that does not mean they in any real sense caused it In the end Schroeder recalls the verdict of Shakespeare's Romeo and Juliet All are punished Stealing Horses to Great Applause includes appraisals of Niall Ferguson and A. J. P. Taylor and an extensive unpublished final paper rethinking the First World War as the last 18th century war With an introduction by Perry Anderson

Reformers, Critics, and the Paths of German Modernity Kevin Repp, 2000 Modernity was an inescapable fact of life for the first generation to come of age in the German Empire Even the most extreme political opponents saw the chaotic transformation of all spheres of life in the wake of industrial capitalism as the central problem facing young men and women at the fin de siècle This fresh look at Wilhelmine perceptions of modernity challenges both the traditional emphasis on anti-modernism as a peculiarly German response that led to the rise of National Socialism and the more recent post-Foucauldian studies on the pathologies of modernity which point instead to an unreflective faith in science and efficiency on the part of German progressives Shifting the focus away from radical extremes on either side Kevin Repp explores the more moderate agendas of hundreds of mainstream intellectuals and activists from diverse social backgrounds who sought to surmount the human costs of industrialization without relinquishing its positive potential Repp combines detailed case studies of Adolf Damaschke Gertrud B. Umer and Werner Sombart with an innovative prosopography of their milieu to show how leading reformers enlisted familiar tropes of popular nationalism eugenics and cultural pessimism in formulating pragmatic solutions that would be at once modern and humane Easily obscured by radical

voices on right and left this quiet search for alternatives nevertheless succeeded in building a nationwide network of educational centers associative ties and institutions that substantially altered the landscape of Wilhelmine political culture in the decades before the First World War

A German Women's Movement Nancy R. Reagin, 2000-11-09 Nancy Reagin analyzes the rhetoric strategies and programs of more than eighty bourgeois women's associations in Hanover a large provincial capital from the Imperial period to the Nazi seizure of power She examines the social and demographic foundations of the Hanoverian women's movement interweaving local history with developments on the national level Using the German experience as a case study Reagin explores the links between political conservatism and a feminist agenda based on a belief in innate gender differences Reagin's analysis encompasses a wide variety of women's organizations feminist nationalist religious philanthropic political and professional It focuses on the ways in which bourgeois women's class background and political socialization and their support of the idea of spiritual motherhood combined within an antidemocratic climate to produce a conservative maternalist approach to women's issues and other political matters According to Reagin the fact that the women's movement evolved in this way helps to explain why so many middle class women found National Socialism appealing

German Anglophobia and the Great War, 1914-1918 Matthew Stibbe, 2006-06-22 This volume focuses on the extremity of anti English feeling in Germany in the early years of the Great War and on the attempt by writers propagandists and cartoonists to redefine Britain as the chief enemy of the people and their cultural heritage

Military Culture and Popular Patriotism in Late Imperial Austria Laurence Cole, 2014 Military Culture and Popular Patriotism examines the interplay between popular patriotism and military culture in late imperial Austria Laurence Cole suggests that two main questions should be asked regarding the western half of the Habsburg Monarchy during the period from the mid nineteenth century to the outbreak of war in 1914 Firstly how far did imperial Austrian society experience a process of militarization comparable to that of other European countries Secondly how far did the military sphere foster popular patriotism in the multinational state Various manifestations of military culture including hero cults and above all military veterans associations provide the main subject for analysis in this volume After exploring the historical development of military culture in the Habsburg Monarchy Cole explains how the long reign of Emperor Franz Joseph I constituted a decisive phase in the militarization of Austrian society with the dynasty and state emphasizing the military's role as the locus of loyalty Popular manifestations of military culture such as the hero cult surrounding Field Marshal Radetzky and military veterans associations complemented the official agenda in many respects However veterans associations in particular constituted a political mobilization of the lower middle and lower classes who asserted their own interests and position in civil society as is shown by case studies of regions of the Austrian state with significant Italian speaking populations Trentino and the Littoral State attempts to assert greater control of veterans activities led to national and political opposition at a time when tensions over militarism and foreign policy increased The

Black and the Gold thus raises the question of whether the military was really a bulwark of the multinational state or rather a polarizing force in imperial Austrian society

Iron and Blood Peter H. Wilson, 2023-02-14 From the author of the acclaimed *The Thirty Years War* and *Heart of Europe* a masterful landmark reappraisal of German military history and of the preconceptions about German militarism since before the rise of Prussia and the world wars German military history is typically viewed as an inexorable march to the rise of Prussia and the two world wars the road paved by militarism and the result a specifically German way of war Peter Wilson challenges this narrative Looking beyond Prussia to German speaking Europe across the last five centuries Wilson finds little unique or preordained in German militarism or warfighting *Iron and Blood* takes as its starting point the consolidation of the Holy Roman Empire which created new mechanisms for raising troops but also for resolving disputes diplomatically Both the empire and the Swiss Confederation were largely defensive in orientation while German participation in foreign wars was most often in partnership with allies The primary aggressor in Central Europe was not Prussia but the Austrian Habsburg monarchy yet Austria's strength owed much to its ability to secure allies Prussia meanwhile invested in militarization but maintained a part time army well into the nineteenth century Alongside Switzerland which relied on traditional militia both states exemplify the longstanding civilian element within German military power Only after Prussia's unexpected victory over France in 1871 did Germans and outsiders come to believe in a German gift for warfare a special capacity for high speed high intensity combat that could overcome numerical disadvantage It took two world wars to expose the fallacy of German military genius Yet even today Wilson argues Germany's strategic position is misunderstood The country now seen as a bastion of peace spends heavily on defense in comparison to its peers and is deeply invested in less kinetic contemporary forms of coercive power

Sweeping the German Nation Nancy R. Reagin, 2006-10-09 Is cleanliness next to Germanness as some nineteenth century nationalists insisted This book explores the relationship between gender roles domesticity and German national identity between 1870 1945 After German unification approaches to household management that had originally emerged among the bourgeoisie became central to German national identity by 1914 Thrift order and extreme cleanliness along with particular domestic markers such as the linen cabinet and holiday customs were used by many Germans to define the distinctions between themselves and neighboring cultures What was bourgeois at home became German abroad as German domesticity also helped to define and underwrite colonial identities in Southwest Africa and elsewhere After 1933 this idealized notion of domestic Germanness was racialized and incorporated into an array of Nazi social politics In occupied Eastern Europe during WWII Nazi women's groups used these approaches to household management in their attempts to Germanize Eastern European women who were part of a large scale project of population resettlement and ethnic cleansing

War and the World Jeremy Black, 2008-10-01 In this brilliant history of warfare Jeremy Black is the first to approach the entire modern era from a comprehensive global perspective He provides a wide ranging account of the nature purpose and experience of war over the past half millennium

and argues the importance of viewing the rise of European power within a wider international context Investigating both land and sea warfare Black examines weaponry tactics strategy and resources as well as the political social and cultural impact of conflict The book takes issue with established interpretations not least those that emphasize technology and challenges the view that European military and naval forces were dominant throughout the period European mastery at sea did not always translate into equivalent success on land says Black and many non European military systems the Ottomans in their expansionist years Babur and the Mughals in sixteenth century India and the Manchu in China in the following century for example were formidable in their own right The author contends that in the nineteenth century the focal period of Europe s military revolution the international military balance shifted decisively Black shows how military developments combined with political economic and ideological shifts influenced the nature and success of European imperialism Linking debates on early modern history with those of more recent centuries he offers a fundamental reexamination of the role of war in the progress of nations

Heavenly Fatherland Jeremy Best,2020 Motivated by a theology that declared missionary work was independent of secular colonial pursuits Protestant missionaries from Germany operated in ways that contradict current and prevailing interpretations of nineteenth century missionary work As a result of their travels these missionaries contributed to Germany s colonial culture Because of their theology of Christian universalism they worked against the bigoted racialism and ultra nationalism of secular German empire building Heavenly Fatherland provides a detailed political and cultural analysis of missionaries mission societies mission intellectuals and missionary supporters Combining cases studies from East Africa with studies of the metropole this book demonstrates that missionaries ideas about race and colonialism influenced ordinary Germans experience of globalization and colonialism at the same time that the missionaries shaped colonial governance By bringing together religious and colonial history the book opens new avenues of inquiry into Christian participation in colonialism During the Age of Empire German missionaries promoted an internationalist vision of the modern world that aimed to create a multinational multiracial heavenly Fatherland spread across the globe

The Great Naval Game Jan Rüger,2007-06-21 An innovative study of the cult of the navy in the age of empire

The Enigmatic Realm of **German Army League Popular Nationalism In Wilhelmine Germany**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. German Army League Popular Nationalism In Wilhelmine Germany Introduction

In the digital age, access to information has become easier than ever before. The ability to download German Army League Popular Nationalism In Wilhelmine Germany has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download German Army League Popular Nationalism In Wilhelmine Germany has opened up a world of possibilities. Downloading German Army League Popular Nationalism In Wilhelmine Germany provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading German Army League Popular Nationalism In Wilhelmine Germany has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download German Army League Popular Nationalism In Wilhelmine Germany. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading German Army League Popular Nationalism In Wilhelmine Germany. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize

reputable websites that prioritize the legal distribution of content. When downloading German Army League Popular Nationalism In Wilhelmine Germany, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download German Army League Popular Nationalism In Wilhelmine Germany has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About German Army League Popular Nationalism In Wilhelmine Germany Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. German Army League Popular Nationalism In Wilhelmine Germany is one of the best book in our library for free trial. We provide copy of German Army League Popular Nationalism In Wilhelmine Germany in digital format, so the resources that you find are reliable. There are also many Ebooks of related with German Army League Popular Nationalism In Wilhelmine Germany. Where to download German Army League Popular Nationalism In Wilhelmine Germany online for free? Are you looking for German Army League Popular Nationalism In Wilhelmine Germany PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another German Army League Popular Nationalism In Wilhelmine Germany. This method for see exactly

what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of German Army League Popular Nationalism In Wilhelmine Germany are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with German Army League Popular Nationalism In Wilhelmine Germany. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with German Army League Popular Nationalism In Wilhelmine Germany To get started finding German Army League Popular Nationalism In Wilhelmine Germany, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with German Army League Popular Nationalism In Wilhelmine Germany So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading German Army League Popular Nationalism In Wilhelmine Germany. Maybe you have knowledge that, people have search numerous times for their favorite readings like this German Army League Popular Nationalism In Wilhelmine Germany, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. German Army League Popular Nationalism In Wilhelmine Germany is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, German Army League Popular Nationalism In Wilhelmine Germany is universally compatible with any devices to read.
