German Essays On History:

German Essays on History Rolf Sältzer, 1991 *German Essays on Art History: Winckelmann, Burckhardt, Panofsky, and Others* Gert Schiff, 1988-06-01 Published in cooperation with Deutsches Haus New York University T p verso **The German Family (Routledge Revivals)** Richard J. Evans, W. R. Lee, 2015-06-11 This book surveys the history of the German family in the nineteenth and twentieth centuries The contributions deal with the influence of industrialisation on family life in town and country with rural families and communities under the impact of social and economic change and with the role and influence of the family in the lives of men and women in the newly emerged working class Research on the history of the family had so far at the point of this book's publication in 1981 concentrated on England and France this book adds an important comparative dimension by extending the discussion into Central Europe and bringing fresh evidence and interpretation to bear on the wider debate about the effects of industrialisation on family structure and family life as a whole The authors approach the subject from a variety of perspectives including social anthropology oral history economic history and feminist studies This book is ideal for students of history particularly the history of Germany [German essays on art history](#) Gert Schiff, 1988 Published in cooperation with Deutsches Haus New York University T p verso **The Burden of German History 1919-45** Michael Laffan, 2020-01-08 Originally published in 1988 The Burden of German History 1919 45 examines the vast literature surrounding Weimar years and the National Socialist tragedy daunting even for the specialist historian or political scientist The essays included in this volume provide an invaluable guide to research of the time and provides a stimulating review of a wide range of topics in modern German cultural political economic and military history The essays are based on a series of lectures given by German and Irish scholars to a conference on the theme Weimar Germany and National Socialism which was held in March 1986 in University College Dublin under the auspices of the Goethe Institute Dublin This book offers a significant commentary on a period of German history which included the exciting and ambivalent freedom of the Weimar society and the repressive murderous uniformity of National Socialism **German Essays on History: Hegel, Ranke, Spengler, and Others** Rolf Sältzer, 1991-11 Idea for a universal history with cosmopolitan intent Immanuel Kant Philosophy of history Johann Gottfried von Herder What is universal history and to what end does one study it Friedrich Schiller On the task of the historian Wilhelm von Humboldt Idea of universal history Johann Gottlieb Fichte World history Georg Wilhelm Friedrich Hegel The ages of the world Friedrich Wilhelm Josef Schelling On the epochs of modern history Leopold von Ranke Preface to first edition of histories on the Latin and Germanic nations Leopold von Ranke Introduction to the history of the nineteenth century Georg Gottfried Gervinus Outline of the principles of history Johann Gustav Droysen The German ideology Karl Marx and Friedrich Engels Speeches and essays Theodor Mommsen Answer to the inaugural addresses Theodor Mommsen On fortune and misfortune in history Jakob Burckhardt Patterns and meaning in history Wilhelm Dilthey The task of the historian Heinrich von Treitschke The use and abuse of history Friedrich Nietzsche

Historism the rise of the new historical outlook Friedrich Meinecke The meaning of history Karl Jaspers The problem of world history Oswald Spengler **Conflict, Catastrophe and Continuity** Frank Biess, Mark Roseman, Hanna Schissler, 2007 Offers fresh perspectives on key debates surrounding Germany's descent into and emergence from the Nazi catastrophe This book explores relations between society economy and international policy and provides fresh insights into the complex continuities and discontinuities of modern German history Essays in German History F. L. Carsten, 1985-07-01 F L Carsten has probably been the most influential historian of Germany writing in English over the past forty years His work is remarkable for its ability to span the course of German history from the late middle ages to the present This book brings together a substantial collection of Professor Carsten's work that has appeared as articles **Populists and Patricians (Routledge Revivals)** David Blackbourn, 2014-06-17 First published in 1987 this collection of essays from one of the leading historians in the field is concerned with the central debates about German history from Bismarck to Hitler David Blackbourn questions many previously held assumptions whether about the natural conservatism of the German peasantry of the feudalization of the middle classes and offers an innovative approach to such subjects as liberalism anti semitism and the continuing importance of religion in German history Bringing together social economic cultural and political history each essay is concerned with the social and political flux that characterized the period and with the problems and opportunities it presented This reissue will be of great value to any students and academics with an interest in the history of modern Germany **The Double Face of Janus and Other Essays in the History of Medicine** Owsei Temkin, 2006-11-02 Preeminent historian of medicine Owsei Temkin brought to his writing an awesome range of scholarship for he was at home in the classical the medieval and the modern eras The essays gathered in this volume deal with all the topics that Temkin considered most important in his work They were widely commended for their originality intelligent analysis and impressive continuity of thought Temkin explores the history of basic medical sciences of health and disease and of surgery and drug therapy as well as general questions concerning the historical and philosophical approach to medicine from antiquity to the early twentieth century In a retrospective introduction which gives the book its name Temkin relates his writings to his career as a scholar in Germany and the United States He situates the writings against the background of the development of the study of medical history and provides recollections of such prominent figures as Karl Sudhoff Henry E Sigerist William H Welch and Richard H Shryock Germany, Hitler, and World War II Gerhard Ludwig Weinberg, 1996 Essays on the History, Persecution, and Emigration of German Jews Herbert Arthur Strauss, 1987 **Library of Congress Subject Headings: F-O** Library of Congress. Headings Used in the Dictionary Catalogues of the Library of Congress Library of Congress, Library of Congress. Catalog Division, 1919 **The Many Faces of Germany** John A. McCarthy, Walter Grûnzweig, Thomas Koebner, 2004-04-01 With the fall of the Berlin Wall and the shifting of American foreign policy away from old Europe long established patterns of interaction between Germany and the U S have come under review Although seemingly disconnected from the cultural and intellectual world political developments were not without their influence on the humanities and their curricula during the past century In retrospect we can speak of the many different roles Germany has played in American eyes The Many Faces of Germany seeks to acknowledge the importance of those incarnations for the study of German culture and history on both sides of the Atlantic One of the major questions raised by the contributors is whether the transformations in the transatlantic dynamics and in the importance of Germany for the U S have had a major influence on the study of things German in the U S internally The volume gathers together leading voices of the older and younger generations of social historians literary scholars film critics and cultural historians *Library of Congress Subject Headings* Library of Congress.
