## German Revolution 1918 1919:

The German Revolution, 1918-1919 A. J. Ryder, 1959

*The German Revolution, 1918-1919* Ralph Haswell Lutz, 1922

*The German Revolution, 1918-1919* A. J. Ryder, 1981

**The German Revolution, 1918-1919** Ralph Haswell Lutz, 1922

**Failure of a Revolution: Germany 1918-1919** Sebastian Haffner, 2019-08-16 The masterfully told story of what happened in Germany following its defeat in the first world war the Kaiser's exit from the stage the sailors' mutiny the spreading of the revolution and its betrayal by its own chosen socialist leaders Haffner recounts the murder of Karl Liebknecht and of Rosa Luxemburg and the deliberate creation of those relentless counter revolutionary forces that became the nightmare of the Third Reich More than a brilliant historical study it has vital lessons for our own day Haffner's history of the revolution is unrivalled tight precise passionately rational brilliantly formulated Prof. Wien No one else has described and analysed the events of 1918 19 that were decisive for the century as well and as convincingly as Sebastian Haffner Tagespiegel For Haffner the revolution was a social democratic revolution That it was nevertheless ultimately suppressed bloodily by social democratic politicians confirms Haffner's suspicion that this was a case of betrayal Norddeutscher Rundfunk North German Radio Haffner's book is one of the few that breaks open previously locked doors and shines a light on dark corners of our past Kölnischer Anzeiger Sebastian Haffner's brilliant intellect clarifies contrasts and similarities in situations motivations and deeds and describes lucidly and dramatically the main lines of the complex developments from September 1918 to January 1919 Dieter Wunderlich Those who know Haffner's method of making the writing of history an inspection of the past motivated by the present will appreciate this book zitty Berlin *The German Revolution, 1918-1919* Ralph Haswell Lutz, 2012 Unlike some other reproductions of classic texts 1 We have not used OCR (Optical Character Recognition) as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy The German Revolution, 1918-1919 (Classic Reprint) Ralph Haswell Lutz, 2018-05-04 Excerpt from The German Revolution 1918 1919 The German revolutionary movement Of 1918 and 1919 not only destroyed the Bismarckian Empire but fundamentally altered the life and institutions Of the German people Although it has as yet received little attention from historians a knowledge Of the revolution is essential to an understanding of contemporary Germany and Of those economic and political problems resulting from the defeat Of the German Empire in the World War This monograph is a study of the origins events tendencies and results of the German Revolution based upon personal Observations and an examination Of the documentary and other printed materials available AS a member Of the American Military Mission in Berlin under the command of General George H. Harries from March to August 1919 the author had Opportunities to Observe the revolutionary struggles in the capital as well as in the several states About the Publisher

*Founding Weimar* Mark Jones,2016-10-20 The German Revolution of 1918 1919 was a transformative moment in modern European history It was both the end of the German Empire and the First World War as well as the birth of the Weimar Republic the short lived democracy that preceded the establishment of the Nazi dictatorship A time of great political drama the Revolution saw unprecedented levels of mass mobilisation and political violence including the Spartacist Uprising of January 1919 the murders of Karl Liebknecht and Rosa Luxemburg and the violent suppression of strikes and the Munich Councils Republic Drawing upon the historiography of the French Revolution *Founding Weimar* is the first study to place crowds and the politics of the streets at the heart of the Revolution s history Carefully argued and meticulously researched it will appeal to anyone with an interest in the relationship between violence revolution and state formation as well as in the history of modern Germany     *The German Revolution, 1918-1919* Henry Egon Friedlander,1968     **GERMAN**

**REVOLUTION 1918-1919** Ralph Haswell 1886-1968 Lutz,2016-08-26 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant     ***The German Revolution, 1918-1919*** Ralph Haswell Lutz,1922     **And the Kaiser**

**Abdicates: the German Revolution November 1918-August 1919** S. Miles Bouton,2020-09-28     **A People's History of the German Revolution** William Pelz,2018-06-20 In October 1918 war weary German sailors mutinied when the Imperial Naval Command ordered their engagement in one final fruitless battle with the British Royal Navy This revolt in the dying embers of the First World War quickly erupted into a full scale revolution that toppled the monarchy and inaugurated a period of radical popular democracy The establishment of the Weimar Republic in 1919 ended the revolution relegating all but its most prominent leaders to a historical footnote In *A People s History of the German Revolution* William A Pelz cuts

against the grain of mainstream accounts that tend to present the revolution as more of a collapse or just a chaotic interregnum that preceded the country's natural progression into a republic. Going beyond the familiar names of Karl Liebknecht, Rosa Luxemburg or Clara Zetkin, Pelz explores the revolution from the bottom up, focusing on the active role that women, rank and file activists and ordinary workers played in its events. Rejecting the depiction of agency as exclusively in the hands of international actors like Woodrow Wilson or in those of German elites, he makes the compelling case that for a brief period the actions of the common people shaped a truly revolutionary society. *The German Revolution 1918-1919* Arthur J. Ryder, 1959 Study Of German Revolution 1918-1919 Cortez Kresal, 2021-05-04 The German Revolution or November Revolution was a civil conflict in the German Empire at the end of the First World War that resulted in the replacement of the German federal constitutional monarchy with a democratic parliamentary republic that later became known as the Weimar Republic. This definitive documentary history collects manifestos, speeches, articles and letters from the German Revolution. Rosa Luxemburg, the Revolutionary Stewards and Gustav Landauer amongst others introduced and annotated by the editor. Many documents such as the anarchist Erich M. Hsami's comprehensive account of the Bavarian Council Republic are presented here in English for the first time. The volume also includes materials from the Red Ruhr Army that repelled the reactionary Kapp Putsch in 1920 and the communist bandits that roamed Eastern Germany until 1921.

The German Revolution, 1918-1919 Ralph H. Lutz, 1968 **GERMAN REVOLUTION, 1918-1919** RALPH HASWELL. LUTZ, 2018 Founding Weimar Mark Jones, 2016 The German Revolution of 1918-19 was a transformative moment of modern European history. It was both the end of the German Empire and the First World War as well as the birth of the Weimar Republic, the short-lived democracy that preceded the establishment of the Nazi dictatorship. A time of great political drama, the revolution saw unprecedented levels of mass mobilisation and political violence, including the Spartacist Uprising of January 1919, the murders of Karl Liebknecht and Rosa Luxemburg, and the violent suppression of strikes and the Munich Councils Republic. Drawing upon the historiography of the French Revolution, *Founding Weimar* is the first study to place crowds and the politics of the streets at the heart of the revolution's history. Carefully argued and meticulously researched, it will appeal to anyone with an interest in the relationship between violence, revolution and state formation, as well as in the history of modern Germany. Provided by publisher **The German Revolution, 1918-1919; Volume 1** Ralph Haswell Lutz, 2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it.
