Foreword by Dennis Showalter

Germany And The Axis Powers From Coalition To Collapse

John Ferris, Evan Mawdsley

Germany And The Axis Powers From Coalition To Collapse:

Germany and the Axis Powers from Coalition to Collapse R. L. DiNardo, 2005 It seemed that whenever Mussolini acted on his own it was bad news for Hitler Indeed the Fuhrer's relations with his Axis partners were fraught with an almost total lack of coordination Compared to the Allies the coalition was hardly an alliance at all Focusing on Germany's military relations with Italy Romania Hungary and Finland Richard DiNardo unearths a wealth of information that reveals how the Axis coalition largely undermined Hitler's objectives from the Eastern Front to the Balkans Mediterranean and North Africa DiNardo argues that the Axis military alliance was doomed from the beginning by a lack of common war aims the absence of a unified command structure and each nation's fundamental mistrust of the others Germany was disinclined to make the kinds of compromises that successful wartime partnerships demanded and because Hitler insisted on separate pacts with each nation Italy and Finland often found themselves conducting counterproductive parallel wars on their own DiNardo's detailed assessments of ground naval and air operations reveal precisely why the Axis allies were so dysfunctional as a collective force sometimes for seemingly mundane but vital reasons a shortage of interpreters for example His analysis covers coalition warfare at every level demonstrating that some military services were better at working with their allies than others while also pointing to rare successes such as Rommel's effective coordination with Italian forces in North Africa In the end while some individual Axis units fought with distinction if not on a par with the vaunted Wehrmacht and helped Germany achieve some of its military aims the coalition's overall military performance was riddled with disappointments Breaking new ground DiNardo's work enlarges our understanding of Germany's defeat while at the same time offering a timely reminder of the challenges presented by coalition warfare *Joint Force Quarterly*, 2006

Operation Barbarossa and Germany's Defeat in the East David Stahel, 2009-09-10 This book is an important reassessment of the failure of Germany's 1941 campaign against the Soviet Union *Stalingrad* David M. Glantz, Jonathan M. House, 2019-07-13 The long awaited one volume campaign history from the leading experts of the decisive clash of Nazi and Soviet forces at Stalingrad an abridged edition of the five volume Stalingrad Trilogy Stalingrad offers a sweeping synthesis of this massive confrontation how it impacted the war and why it matters today

West Point History of World War II United States Military Academy, 2016-11-08 Reader's Digest Endowed Book Fund

Jewish Responses to Persecution: 1941-1942 Jürgen Matthäus, 2013-04-18 Published in association with the United States Holocaust Memorial Museum Jewish Responses to Persecution 1941-1942 is the third volume in a five volume set published in association with the United States Holocaust Memorial Museum that offers a new perspective on Holocaust history Incorporating historical documents and accessible narrative this volume sheds light on the personal and public lives of Jews during a period when Hitler's triumph in Europe seemed assured and the mass murder of millions had begun in earnest The primary source material presented here including letters diary entries photographs transcripts of speeches newspaper articles and official memos and reports makes this

volume an essential research tool and curriculum companion *The United States at War, 1941 - 1945* Gary R.

Hess,2014-08-26 This 3rd edition presents a concise overview of how the war was fought as well as a consideration of the ways in which Americans regarded allies and enemies embraced heroes and viewed the war's purpose Making the important distinction between popular notions and military and political realities Gary Hess helps today's readers to better understand the complexity of the conflict Updated to incorporate the latest scholarship this latest edition also includes new material to underscore more fully the moral dimensions of the war including the American decision to use the atomic bomb the ruthless campaigns of both the Germans and Russians in Eastern Europe American reaction to the Holocaust as well as the government's post war tolerance and protection of Nazis deemed valuable to Cold War research and intelligence Enhanced coverage of specific topics including the Bataan Death March the Battle of the Bulge and the Allied uncovering of concentration camps rounds out the narrative

Enduring the Whirlwind Gregory Liedtke,2016-09-19 Despite the best efforts of a number of historians many aspects of the ferocious struggle between Nazi Germany and the Soviet Union during the Second World War remain obscure or shrouded in myth One of the most persistent of these is the notion largely created by many former members of its own officer corps in the immediate postwar period that the German Army was a paragon of military professionalism and operational proficiency whose defeat on the Eastern Front was solely attributable to the amateurish meddling of a crazed former Corporal and the overwhelming numerical superiority of the Red Army A key pillar upon which the argument of German numerical weakness vis vis the Red Army has been constructed is the assertion that Germany was simply incapable of providing its army with the necessary quantities of men and equipment needed to replace its losses In consequence as their losses outstripped the availability of replacements German field formations became progressively weaker until they were incapable of securing their objectives or eventually of holding back the swelling might of the Red Army This work seeks to address the notion of German numerical weakness in terms of Germany's ability to replace its losses and regenerate its military strength and assess just how accurate this argument was during the crucial first half of the Russo German War June 1941 June 1943 Employing a host of primary documents and secondary literature it traces the development and many challenges of the German Army from the prewar period until the invasion of the Soviet Union in June 1941 It continues on to chart the first two years of the struggle between Germany and the Soviet Union with a particular emphasis upon the scale of German personnel and equipment losses and how well these were replaced It also includes extensive examinations into the host of mitigating factors that both dictated the course of Germany's campaign in the East and its replacement and regeneration capabilities In contrast to most accounts of the conflict this study finds that numerical weakness being the primary factor in the defeat of the Ostheer specifically as it relates to the strength and condition of the German units involved has been overemphasized and frequently exaggerated In fact Germany was actually able to regenerate its forces to a remarkable degree with a steady flow of fresh men and equipment and German field

divisions on the Eastern Front were usually far stronger than the accepted narratives of the war would have one believe

The Cambridge History of the Second World War: Volume 1, Fighting the War John Ferris, Evan

Mawdsley, 2017-11-23 The military events of the Second World War have been the subject of historical debate from 1945 to the present It mattered greatly who won and fighting was the essential determinant of victory or defeat In Volume 1 of The Cambridge History of the Second World War a team of twenty five leading historians offer a comprehensive and authoritative new account of the war s military and strategic history Part I examines the military cultures and strategic objectives of the eight major powers involved Part II surveys the course of the war in its key theatres across the world and assesses why one side or the other prevailed there Part III considers in a comparative way key aspects of military activity including planning intelligence and organisation of troops and material as well as guerrilla fighting and treatment of prisoners of war

Ostkrieg Stephen G. Fritz, 2011-10-14 On June 22 1941 Germany launched the greatest land assault in history on the Soviet Union an attack that Adolf Hitler deemed crucial to ensure German economic and political survival As the key theater of the war for the Germans the eastern front consumed enormous levels of resources and accounted for 75 percent of all German casualties Despite the significance of this campaign to Germany and to the war as a whole few English language publications of the last thirty five years have addressed these pivotal events In Ostkrieg Hitler s War of Extermination in the East Stephen G Fritz bridges the gap in scholarship by incorporating historical research from the last several decades into an accessible comprehensive and coherent narrative His analysis of the Russo German War from a German perspective covers all aspects of the eastern front demonstrating the interrelation of military events economic policy resource exploitation and racial policy that first motivated the invasion This in depth account challenges accepted notions about World War II and promotes greater understanding of a topic that has been neglected by historians **As political soldiers we face**

Moscow's hordes: Dutch volunteers in the Waffen-SS Evertjan van Roekel, 2022-01-04 During the Second World War approximately 25 000 Dutchmen served within the ranks of the military branch of the German SS the Waffen SS They volunteered to fight to secure the victory of Nazi Germany These Dutch volunteers fought mainly on the Eastern Front and to a lesser extent within their own national borders After the war the Allied victors regarded them as part of a criminal organization and jointly responsible for the atrocious transgressions of the Nazi regime In the Netherlands these men were reviled branded as traitors and became pariahs in their own country Those who had devoted themselves to the Nazi regime caused so much grief to the Netherlands that they had to be held accountable Despite their military achievements their reputation was damaged forever The Netherlands supplied the largest contingent of SS soldiers from the occupied North western European territories Who were these people What led them to enlist and what were the consequences of their choice An important part of this study involves the autobiographical texts of nineteen Dutch volunteers in the Waffen SS These ego documents recount their own immediate experiences and are mainly fragments from diaries but there are also letters

individual notes and memoirs The ego documents are placed within the larger historical context to provide an answer to the question of whether these men were only ideologically motivated and unconditional Nazi sympathizers and for this their criminal records are also researched Among other topics the book discusses their choice to enlist their experiences at the front and their involvement in genocide providing a new perspective on the Eastern Front

To the Gates of Stalingrad David M. Glantz, Jonathan M. House, 2009-04-21 The confrontation between German and Soviet forces at Stalingrad was a titanic clash of armies on an unprecedented scale a campaign that was both a turning point in World War II and a lasting symbol of that war's power and devastation Yet despite the attention lavished on this epic battle by historians much about it has been greatly misunderstood or hidden from view as David Glantz the world's foremost authority on the Red Army in World War II now shows This first volume in Glantz's masterly trilogy draws on previously unseen or neglected sources to provide the definitive account of the opening phase of this iconic Eastern Front campaign Glantz has combed daily official records from both sides including the Red Army General Staff the People's Commissariat of Internal Affairs the German Sixth Army and the Soviet 62nd Army to produce a work of unparalleled detail and fresh interpretations Jonathan House an authority on twentieth century warfare adds further insight and context Hitler's original objective was not Stalingrad but the Caucasus oilfields to the south of the city So he divided his Army Group South into two parts one to secure the city on his flank one to capture the oilfields Glantz reveals for the first time how Stalin in response demanded that the Red Army stand and fight rather than withdraw leading to the numerous little known combat engagements that seriously eroded the Wehrmacht's strength before it even reached Stalingrad He shows that although advancing German forces essentially destroyed the armies of the Soviet Southwestern and Southern Fronts the Soviets resisted the German advance much more vigorously than has been thought through constant counterattacks ultimately halting the German offensive at the gates of Stalingrad This fresh eye opening account and the subsequent companion volumes on the actual battle for the city itself and the successful Soviet counteroffensive that followed will dramatically revise and expand our understanding of what remains a military campaign for the ages

Endgame at Stalingrad David M. Glantz, Jonathan M. House, 2014-04-14 The campaign intended to secure the Wehrmacht's flanks had proven one front too many for the German Army And now the offensive at Stalingrad the epic clash that marked Germany's failure on the Eastern Front was entering its grim final phase In Book One of the third volume of his acclaimed Stalingrad Trilogy David Glantz offers the definitive account the ground truth to counter a half century's worth of myth and misinformation of the beginning of the end of one of the most infamous battles of the Second World War and one of the most costly in lives and treasure in the annals of history When Volume Two left off Germany's vaunted Sixth Army already deflected from its original goal the Caucasus oil fields had been drawn into a desperate war of attrition within the ravaged city of Stalingrad In Volume Three Book One we see the ultimate consequences of the Germans overreach and the gathering force of the Red Army's massive manpower and increasingly sophisticated

command After failing repeatedly to find and exploit the weaknesses in Axis defenses Stalin and the Stavka High Command finally seized their chance in mid November of 1942 by launching a bold and devastating counteroffensive Operation Uranus Glantz draws a detailed and vivid account of how in Operation Uranus the Red Army's three fronts defeated and largely destroyed two Romanian armies and encircled the German Sixth Army and half of the German Fourth Panzer Army in the Stalingrad pocket turning the Germans world on its head Like its predecessor volumes this one makes extensive use of sources previously out of reach or presumed lost such as reports from the Sixth Army's combat journal and newly released Soviet and Russian records These materials many cited at length or printed in their entirety in a companion volume lend themselves to a strikingly new interpretation of the campaign's planning and execution on both sides a version of events that once and for all gets at the ground truth of this historic confrontation

Consumed by War: European Conflict in the 20th Century Richard C. Hall, 2010

How the War Was Won Phillips Payson O'Brien, 2015-02-12 An important new history of air and sea power in World War II and its decisive role in Allied victory

Territorial Revisionism and the Allies of Germany in the Second World War Marina Cattaruzza, Stefan Dyroff, Dieter Langewiesche, 2012-12-01 A few years after the Nazis came to power in Germany an alliance of states and nationalistic movements formed revolving around the German axis That alliance the states involved and the interplay between their territorial aims and those of Germany during the interwar period and World War II are at the core of this volume This territorial revisionism came to include all manner of political and military measures that attempted to change existing borders Taking into account not just interethnic relations but also the motivations of states and nationalizing ethnocratic ruling elites this volume reconceptualizes the history of East Central Europe during World War II In so doing it presents a clearer understanding of some of the central topics in the history of the war itself and offers an alternative to standard German accounts of the period and East European national histories

Transnational Nazism Ricky W. Law, 2019-05-23 The first English language study of German Japanese interwar relations to employ sources in both languages

Beyond the Beach Stephen Bourque, 2018-04-15 An important rethinking of the Normandy war narrative Beyond the Beach examines the Allied air war against France in 1944 During this period General Dwight David Eisenhower as Supreme Allied Commander took control of all American British and Canadian air units and employed them for tactical and operational purposes over France rather than as a strategic force to attack targets deep in Germany Using bombers as his long range artillery he directed the destruction of bridges rail centers ports military installations and even French towns with the intent of preventing German reinforcements from interfering with Operation Neptune the Allied landings on the Normandy beaches Ultimately this air offensive resulted in the death of over 60 000 French civilians and an immense amount of damage to towns churches buildings and works of art This intense bombing operation conducted against a friendly occupied state resulted in a swath of physical and human destruction across northwest France that is rarely discussed as part of the D Day landings This book explores the relationship between ground

and air operations and its effects on the French population It examines the three broad groups that the air operations involved the doctrine and equipment used by Allied air force leaders to implement Eisenhower s plans and each of the eight major operations called lines of effort that coordinated the employment of the thousands of fighters medium bombers and heavy bombers that prowled the French skies that spring and summer of 1944 Each of these sections discusses the operation s purpose conduct and effects upon both the military and the civilian targets Finally the book explores the short and long term effects of these operations and argues that this ignored narrative should be part of any history of the D Day landings

Hitler's Empire Mark Mazower, 2013-03-07 The powerful disturbing history of Nazi Europe by Mark Mazower one of Britain s leading historians and bestselling author of *Dark Continent* and *Governing the World* Hitler s Empire charts the landscape of the Nazi imperial imagination from those economists who dreamed of turning Europe into a huge market for German business to Hitler s own plans for new transcontinental motorways passing over the ethnically cleansed Russian steppe and earnest internal SS discussions of political theory dictatorship and the rule of law Above all this chilling account shows what happened as these ideas met reality After their early battlefield triumphs the bankruptcy of the Nazis political vision for Europe became all too clear their allies bailed out their New Order collapsed in military failure and they left behind a continent corrupted by collaboration impoverished by looting and exploitation and grieving the victims of war and genocide About the author Mark Mazower is Ira D Wallach Professor of World Order Studies and Professor of History Professor of History at Columbia University He is the author of *Hitler s Greece The Experience of Occupation 1941-44* *Dark Continent Europe s Twentieth Century* *The Balkans A Short History* which won the Wolfson Prize for History *Salonica City of Ghosts* which won both the Duff Cooper Prize and the Runciman Award and *Governing the World The History of an Idea* He has also taught at Birkbeck College University of London Sussex University and Princeton He lives in New York

The Red Army and the Second World War Alexander Hill, 2017 A major new account of the Soviet Union at war which charts the development successes and failures of the Red Army

Germany And The Axis Powers From Coalition To Collapse Introduction

In the digital age, access to information has become easier than ever before. The ability to download Germany And The Axis Powers From Coalition To Collapse has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Germany And The Axis Powers From Coalition To Collapse has opened up a world of possibilities. Downloading Germany And The Axis Powers From Coalition To Collapse provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Germany And The Axis Powers From Coalition To Collapse has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Germany And The Axis Powers From Coalition To Collapse. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Germany And The Axis Powers From Coalition To Collapse. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Germany And The Axis Powers From Coalition To Collapse, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download Germany And The Axis Powers From Coalition To Collapse has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Germany And The Axis Powers From Coalition To Collapse Books

1. Where can I buy Germany And The Axis Powers From Coalition To Collapse books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Germany And The Axis Powers From Coalition To Collapse book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Germany And The Axis Powers From Coalition To Collapse books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Germany And The Axis Powers From Coalition To Collapse audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Germany And The Axis Powers From Coalition To Collapse books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
