Twentieth Century Crime & Mystery Writers NA NA, 2015-12-25      *Anthropology of Pregnancy Loss* Rosanne Cecil, 2020-08-26 How much influence does culture have on a mother s reactions to pregnancy loss At what stage is a fetus attributed with human status How does this affect the mother s reactions to the loss of a baby Contemporary historical and oral history accounts from regions as diverse as rural North India urban America South Africa and Northern Ireland provide a fascinating insight into the experience and management of miscarriage across a number of different cultures The authors explore how the social technological and medical context in which miscarriages occur can affect the ways in which women experience such an event In the West advances in medical technology a low infant mortality rate and a low birth rate have raised expectations as to the successful outcome of each pregnancy In addition the early confirmation of pregnancy makes consequent pregnancy loss which might have gone unnoticed or unconfirmed in the past all the more difficult for mothers in the West Yet mourning rituals and behaviour at a pregnancy loss which may be elaborate in some societies are generally

considered to be inappropriate in many Western societies Differing social beliefs regarding the causes of miscarriage preventative measures and curative treatments are also examined Medical anthropologists sociologists and health professionals will all find this book fascinating reading *A Woman Of My Age* Nina Bawden,2011-05-05 Absorbing and quietly uncompromising redolent with the vibrant smells and colours of Majorca and of Spain DAILY TELEGRAPH A highly revealing account not only of a woman's life but of a whole extraordinary passage in one contemporary European country FINANCIAL TIMES Nina Bawden is one of the really attractive practitioners of the genre the feminine novel not a dismissive referral in her case KIRKUS REVIEWS Elizabeth and Richard are on holiday in Morocco travelling from its fertile coast to the barren uplands beyond the Atlas mountains During the expedition's adventures and mishaps Elizabeth surveys her eighteen year marriage and its accumulations of grievance frustration and betrayal Nina Bawden allows us to see the ambivalences and deceptions on both sides as this touching and often subversively comic novel moves towards a shocking catastrophe and a wryly surprising coda **Tortoise By Candlelight** Nina Bawden,2011-11-03 It is a small book acute discreet and tender it is also written with warm care and considerable taste all qualities too easily overlooked KIRKUS REVIEWS An exceptional picture of disorganised family life OBSERVER Bawden is noted too for the sharp sense of humour that edges her tales of middle class manners and mores towards satire particularly when it all goes wrong GUARDIAN With the ferocity of a mother tiger defending her cubs fourteen year old Emmie Bean watches over her household her amiable drunken father her gaunt evangelical old grandmother her beautiful wayward sister Alice and most precious of all eight year old Oliver who has the countenance of an angel and the ethical sense of a cobra But with the arrival of new neighbours the outside world intrudes into the isolated privacy of family life and Emmie's kingdom is no longer secure Combining the guile of a young child with the desperation of adolescence Emmie fights to stave off the changes and the revelations that growing up necessarily brings Powerful heart rending but never sentimental Tortoise by Candlelight is a captivating excursion into the landscape of youth

Post-War British Women Novelists and the Canon Nick Turner,2011-11-03 With the increasing number of books on contemporary fiction there is a need for a work that examines whom we value and why These questions lie at the heart of this book which by focusing on four novelists literary and popular interrogates the canon over the last fifty years The argument unfolds to demonstrate that academic trends increasingly control canonicity as do the demands of genre the increasing commercialisation of literature and the power of the literary prize Turner argues that literary excellence demonstrated by style and imaginative power is often missing in many works that have become modern classics and makes a case for the value of the universal in literature Written in a jargon free style with reference to many supporting writers the book raises a number of significant cultural questions about the arts fashions and literary reputations of interest to readers in contemporary literary studies *A Grain Of Truth* Nina Bawden,2011-11-03 This is the off side of lust in plush suburbia described by a crypto moralist with a mischievous sense of humour SUNDAY TIMES A born story teller INDEPENDENT The

modest and moderating virtues of Nina Bawden's novels can easily be demonstrated by her earlier title *The Grain of Truth* KIRKUS REVIEWS Emma's anxious and manipulative plea 'Someone listen to me' opens and closes this deliciously uncomfortable novel in which Nina Bawden explores myriad emotional disguises with her characteristic acuity When Emma's father-in-law falls down the stairs to his death she is convinced she pushed him in an act of wish-fulfilment To her husband Henry and her close friend Holly this is unthinkable Guilt is simply Emma's obsession in a humdrum domestic existence enlivened by romantic fantasy For Holly who successfully fields a string of love affairs sexual pleasures are more easily attainable whereas Henry a Divorce lawyer prides himself on being a realist Each tells their story in turn illuminating and distorting their separate versions of the truth As they do so an intricate jigsaw of the private deceptions with which they shore up everyday life emerges

**Devil By The Sea** Nina Bawden, 2011-11-03 A born story teller INDEPENDENT Nina Bawden's readers should be numbered like the sands of the sea GUARDIAN The first time the children saw the Devil he was sitting next to them in the second row of deckchairs in the bandstand He was biting his nails So begins the horrifying story of a madman loose in a small seaside town his prey the very young and the very old Seen through the eyes of Hilary a precocious highly imaginative lonely child it is a chilling story about the perceptiveness of children the blindness of parents and the allure of strangers As the adults carry on with their own grown-up capers Hilary is led further and further into the twilight world of one man's terrifyingly warped view of normal life But will she have the sense to resist it

**A Nice Change** Nina Bawden, 2011-02-17 A sophisticated comedy hugely enjoyable MAIL ON SUNDAY A gently entertaining tale of summer love and Brits abroad HARPERS AND QUEEN The story proceeds at a cracking pace and has an ending that is as delicious as unexpected JULIA FLYNN SUNDAY TELEGRAPH Amy thought the Hotel Parthenon in Greece would be a nice change for her husband Labour Minister Tom Jones who is recovering from an operation He is convinced that it's a bad idea as soon as they arrive and he spots Portia his redheaded ex-mistress in the minibus to the hotel Then they receive a surprise visit from Tom's father Also on board is an American publisher a young doctor a shady pair from London and two enigmatic elderly twins This book is a wonderful comedy reminiscent of *A Midsummer's Night Dream* where the most unlikely people fall in and out of love A Nice Change is classic Nina Bawden

**Ruffian On The Stair** Nina Bawden, 2011-02-17 It is a measure of Bawden's skill that she manages to show both the terrors of extreme longevity and its comic potential THE TIMES An upper middle class version of Mike Leigh's *Secrets and Lies* INDEPENDENT ON SUNDAY Bawden has a penetrating eye for both the insalubrious and gorgeous detail homing in with language that is always crisp and precise GUARDIAN In six days Silas Mudd will celebrate his 100th birthday He is alarmingly healthy and tough as old boots which is more than can be said of his son Will Not sure he'll make old bones Silas confides loudly to Coral his daughter-in-law Grumpily flattered by the fuss over his impending party even from his irritating family Silas's greater pleasure is to go over his life and the women whom he

loved and who made trouble for him his sterling and capable Aunt his wonderfully vulgar second wife Bella Molly a music hall singing sister and Effie his first and hopeless wife But there is no doubt that Silas's son and his two daughters will be at the party Best outfits and good form are what they think Silas wants served up and they dare not disappoint him This is not a family that reveals disturbing thoughts or truths Silas is the only one left who knows exactly what is shoring up his family So he sits waiting and thinking wondering what would happen if he were to tell

The Birds On The Trees Nina Bawden, 2011-05-05 **SHORTLISTED FOR THE LOST MAN BOOKER PRIZE** Nina Bawden gets inside the skins of all her people and shows them as paradoxical crotchety adulterous ambitious and completely human A beautifully sustained impression of the impossibility of family life **INDEPENDENT** A story about a middle class family in crisis which is so good and so true **GUARDIAN** The expulsion from school of their eldest son shatters the middle class security of Maggie a writer and Charlie a journalist Since childhood Toby has been diffident and self absorbed but the threat of drug taking and his refusal or inability to discuss his evident unhappiness disturbs them sufficiently to seek professional help Veering between private agony and public cheerfulness Maggie and Charlie struggle to support their son and cope with the reactions and advice of friends and relatives Noted for the acuity with which she reaches into the heart of relationships Nina Bawden here excels in revealing the painful intimate truths of a family in crisis Toby's situation is explored with great tenderness while Maggie's grief and self recrimination are rigorously if compassionately observed
