George Biography Viscount Tonypandy:

George Edwin Hanton Robertson,1992 **George Thomas, Mr Speaker** *George Thomas*,1986 *George Whitefield*
Geordan Hammond,David Ceri Jones,2016-05-13 *George Whitefield* 1714-70 was one of the best known and most widely travelled evangelical revivalists in the eighteenth century. For a time in the middle decades of the eighteenth century Whitefield was the most famous person on both sides of the Atlantic. An Anglican clergyman, Whitefield soon transcended his denominational context as his itinerant ministry fuelled a Protestant renewal movement in Britain and the American colonies. He was one of the founders of Methodism, establishing a distinct brand of the movement with a Calvinist orientation but also the leading itinerant and international preacher of the evangelical movement in its early phase. Called the Apostle of the English empire, he preached throughout the whole of the British Isles and criss-crossed the Atlantic seven times, preaching in nearly every town along the eastern seaboard of America. His own fame and popularity were such that he has been dubbed Anglo-America's first religious celebrity and even one of the Founding Fathers of the American Revolution. This collection offers a major reassessment of Whitefield's life, context and legacy, bringing together a distinguished interdisciplinary team of scholars from both sides of the Atlantic. In chapters that cover historical, theological and literary themes, many addressed for the first time, the volume suggests that Whitefield was a highly complex figure who has been much misunderstood. Highly malleable, Whitefield's persona was shaped by many audiences during his lifetime and continues to be highly contested.

History of Money *Glyn Davies*,2010-09-01 This is a straight forward readable account written with the minimum of jargon of the central importance of money in the ordinary business of the life of different people throughout the ages from ancient times to the present day. It includes the Barings crisis and the report by the Bank of England on Barings Bank, up to date information on the state of Japanese banking and the changes in the financial scene in the US. It also touches on the US housing market and the problem of negative equity. The paradox of why more coins than ever before are required in an increasingly cashless society is clearly explained, as is the role of the Euro coin as the lowest common denominator in Europe's controversial single currency system. The final section provides evidence to suggest that for most of the world's richer countries the era of persistent inflation may well be at an end. This new edition is updated and takes account of important recent developments such as the independence of the Bank of England, the introduction of Euro notes and coins from 1st of January 2002 and developments in electronic money.

The Transactions of the Honourable Society of Cymmrodorion
Honourable Society of Cymmrodorion (London, England),2003 **A Bibliography of British History, 1914-1989** *Keith Robbins*,American Historical Association,Royal Historical Society (Great Britain),1996. Containing over 25 000 entries, this unique volume will be absolutely indispensable for all those with an interest in Britain in the twentieth century. Accessibly arranged by theme, with helpful introductions to each chapter, a huge range of topics is covered. There is a comprehensive index.

Unionism in the United Kingdom, 1918-1974 *P. Ward*,2005-03-01 This book examines the range and

complexity of unionist political identities ideas and beliefs in the non English parts of the United Kingdom in the mid twentieth century It discusses the careers of eight politicians from Scotland Wales and Northern Ireland and uncovers the varieties of unionism that held the multi national UK together Challenging the idea that Britain was in the process of breaking up it argues that the Union provided a focus for loyalty in the United Kingdom that contributed to the continuing formation of identities of Britishness

Huw T. Edwards Paul Ward,2011-02-15 Huw T Edwards was a prominent Welsh and English speaking public figure in twentieth century Welsh society In the 1950s he was known as the unofficial Prime Minister of Wales because of his chairmanship of the Council of Wales In 1958 Edwards resigned from the Council of Wales because the Conservative government refused to create the post of Secretary of State for Wales In 1959 he also resigned from the Labour Party after 50 years membership Again his reasons reflected a growing sense of Welsh nationalism He had become increasingly interested in Welsh cultural and political issues and had encouraged his union to support of Coleg Harlech and the National Eisteddfod On leaving Labour Edwards joined Plaid Cymru Edwards s political life therefore seems to reinforce the notion of fragmentation of United Kingdom identities and their replacement by distinct and politically ambitious national identities in Wales This book suggests that close examination of Edwards political life reveals a more complex situation Edwards s resignation from Labour was about his political desires for Wales but equally entailed a rejection of the rightward shift in British Labour politics being led by Hugh Gaitskell Edwards s protest can therefore be viewed from the perspective of the British left as well as Welsh nationalism Hence in 1965 Edwards rejoined Labour because the accession of Harold Wilson to the Labour leadership and government resulted in a radicalisation of the party alongside recognition of Welsh nationhood with the establishment of a Welsh Secretary of State and a Welsh Office

The British National Bibliography Arthur James Wells,1993

Oxford Dictionary of National Biography 2005-2008 Lawrence Goldman,2013-03-07 Who made modern Britain This book drawn from the award winning Oxford Dictionary of National Biography tells the story of our recent past through the lives of those who shaped national life Following on from the Oxford DNB s first supplement volume noteworthy people who died between 2001 and 2004 this new volume offers biographies of more than 850 men and women who left their mark on twentieth and twenty first century Britain and who died in the years 2005 to 2008 Here are the people responsible for major developments in national life from politics the arts business technology and law to military service sport education science and medicine Many are closely connected to specific periods in Britain s recent history From the 1950s the young Harold Pinter or the Yorkshire cricketer Fred Trueman for example From the Sixties the footballer George Best photographer Patrick Lichfield and the Pink Floyd musician Syd Barrett It s hard to look back to the 1970s without thinking of Edward Heath and James Callaghan who led the country for seven years in that turbulent decade or similarly Freddie Laker pioneer of budget air travel and the comedians Ronnie Barker and Dave Allen who entertained with their sketch shows and sit coms A decade later you probably browsed in Anita Roddick s Body Shop or danced to the music of Factory Records established by

the Manchester entrepreneur Tony Wilson In the 1990s you may have hoped that Things can only get better with a New Labour government which included Robin Cook and Mo Mowlam Many in this volume are remembered for lives dedicated to a profession or cause Bill Deedes or Conor Cruise O'Brien in journalism Ned Sherrin in broadcasting or indeed Ted Heath whose political career spanned more than 50 years Others were responsible for discoveries or innovations of lasting legacy and benefit among them the epidemiologist Richard Doll who made the link between smoking and lung cancer Cicely Saunders creator of the hospice movement and Chad Varah founder of the Samaritans With John Profumo who gave his name to a scandal policeman Malcolm Fewtrell who investigated the Great Train Robbery or the Russian dissident Aleksandr Litvinenko who was killed in London in 2006 we have individuals best known for specific moments in our recent past Others are synonymous with popular objects and experiences evocative of recent decades Mastermind with Magnus Magnusson the PG Tips chimpanzees trained by Molly Badham John DeLorean's gull wing car or the new British Library designed by Colin St John Wilson though as rounded and balanced accounts Oxford DNB biographies also set these events in the wider context of a person's life story Authoritative and accessible the biographies in this volume are written by specialist authors many of them leading figures in their field Here you will find Michael Billington on Harold Pinter Michael Crick on George Best Richard Davenport Hines on Anita Roddick Brenda Hale on Rose Heilbron Roy Hattersley on James Callaghan Simon Heffer on John Profumo Douglas Hurd on Edward Heath Alex Jennings on Paul Scofield Hermione Lee on Pat Kavanagh Geoffrey Wheatcroft on Conor Cruise O'Brien and Peregrine Worsthorne on Bill Deedes Many in this volume are naturally household names But a good number are also remembered for lives away from the headlines What in the 1980s became Thatcherism owed much to behind the scenes advice from Ralph Harris and Alfred Sherman children who learned to read with Ladybird Books must thank their creator Douglas Keen while without its first producer Verity Lambert there would have been no Doctor Who Others are ordinary people capable of remarkable acts Take for instance Arthur Bywater who over two days in 1944 cleared thousands of bombs from a Liverpool munitions factory following an explosion only to do the same months later in another factory Awarded the George Cross and the George Medal Bywater remains the only non-combatant to have received Britain's two highest awards for civilian bravery

The History of Wales John Graham Jones, 2014-11-15 This is an engaging best-selling volume reproduced with text panels that provide brief biographies of historical figures and descriptions of major historical sites in Wales As the only concise history of Wales currently available in print this book is an ideal introductory study for the general reader From primitive Stone Age cave dwellers who were the earliest recorded inhabitants of Wales through settlement by the Celts before the Roman and Norman invasions this book leads the reader through the age of the native Welsh princes that culminated with the eventual conquest of Wales by Edward I in 1282 Later seminal themes include the passage of the so-called Union legislations of 1536 and 1543 the impact of successive religious changes the agrarian and industrial revolutions and the severe interwar depression of the twentieth century This new edition

concludes with a discussion of the far reaching political social and economic changes covering the momentous period from the close of the twentieth century to the present day **The Athenaeum** Michael Wheeler,2020-09-11 A compelling history of the famous London club and its members impact on Britain s scientific creative and official life When it was founded in 1824 the Athen um broke the mold Unlike in other preeminent clubs its members were chosen on the basis of their achievements rather than on their background or political affiliation Public rather than private life dominated the agenda The club with its tradition of hospitality to conflicting views has attracted leading scientists writers artists and intellectuals throughout its history including Charles Darwin and Matthew Arnold Edward Burne Jones and Yehudi Menuhin Winston Churchill and Gore Vidal This book is not presented in the traditional insular style of club histories but devotes attention to the influence of Athenians on the scientific creative and official life of the nation From the unwitting recruitment of a Cold War spy to the welcome admittance of women this lively and original account explores the corridors and characters of the club its wider political intellectual and cultural influence and its recent reinvention **Bibliography of Wales** ,1993

From Depression to Devolution Leon Gooberman,2017-02-01 Throughout the twentieth century Wales underwent rapid and far reaching economic upheavals on such a scale that few avoided their impacts from recessions war changing fortunes within the iconic steel and coal industries the rise and decline of manufacturing as well as the gradual rise to dominance of the service sector the changes were as dramatic as was the intensity of attempts to deal with their consequences Wales was a laboratory for government intervention in the economy ranging from the attraction of investment and the clearance of land made derelict by industry to the regeneration of urban areas This is the first book to focus on these actions and to outline why how and with what effect governments intervened and it contains timely commentary as economic performance remains one of the most important issues facing contemporary Wales Nationhood, Providence, and Witness Carys Moseley,2013-05-10 This book argues that problems with recognizing the State of Israel lie at the heart of approaches to nationhood and unease over nationalism in modern Protestant theology as well as modern social theory Three interrelated themes are explored The first is the connection between a theologian s attitude to recognizing Israel and their approach to the providential place of nations in the divine economy Following from this the argument is made that theologians handling of both modern and ancient Israel is mirrored profoundly in the question of recognition and ethical treatment of the nations to which they belong along with neighboring nations The third theme is how social theory represented by certain key figures has handled the same issues Four major theologians are discussed Reinhold Niebuhr Rowan Williams John Milbank and Karl Barth Alongside them are placed social theorists and scholars of religion and nationalism including Mark Juergensmeyer Philip Jenkins Anthony Smith and Adrian Hastings In the process debates over the relationship between theology and social theory are reconfigured in concrete terms around the challenge of recognition of the State of Israel as well as stateless nations **Labour's First Century** Duncan Tanner,Pat Thane,Nick Tiratsoo,2000-09-11 The Labour Party s centenary is an

appropriate moment to evaluate its performance across the twentieth century and to reflect on why a party which has so many achievements to its credit nonetheless spent so much of the period in opposition Duncan Tanner Pat Thane and Nick Tiratsoo have assembled a team of acknowledged experts who cover a wide range of key issues from economic policy to gender The editors also provide a lucid accessible introduction Labour s First Century covers the most important areas of party policy and practice always placing these in a broader context Taken together these essays challenge those who minimize the party s contribution whilst they also explain why mistakes and weaknesses have occurred Everyone interested in British political history whether supporters or opponents of the Labour Party will need to read Labour s First Century

Eden D R Thorpe,2011-05-31 Anthony Eden who served as both Foreign Secretary and Prime Minister was one of the central political figures of the twentieth century He had good looks charm a Military Cross from the Great War an Oxford first and a secure parliamentary constituency from his mid twenties He was Foreign Secretary at the age of 38 and the first British statesman to meet Hitler Mussolini and Stalin Eden s dramatic resignation from Neville Chamberlain s Cabinet in 1938 outlined here in the fullest detail yet made an international impact This ground breaking book examines his controversial life and tells the inside story of the Munich crisis 1938 the Geneva Conference 1954 Eden s battles with Churchill over the modernisation of the post war Conservative Party and his rivalry with Butler and Macmillan in the early 1950s culminating in a fascinating analysis of the Suez crisis Willie Brown James Richardson,2023-11-15 This is the first comprehensive biography of Willie Brown one of California s most enduring and controversial politicians Audacious driven talented Brown has dominated California politics longer and more completely than any other public figure James Richardson a senior writer for The Sacramento Bee takes us from Brown s childhood through his years as Speaker of the State Assembly to his election as San Francisco s mayor Along the way we get a riveting behind the scenes account of three decades of California politics This is the first comprehensive biography of Willie Brown one of California s most enduring and controversial politicians Audacious driven talented Brown has dominated California politics longer and more completely than any other public figure James Cofiant Jim Griffiths D. Ben Rees,2014-07-14 Bywgraffiad un o wleidyddion Cymraeg pwysicaf ail hanner yr ugeinfed ganrif a Gweinidog Gwladol cyntaf Cymru Jim Griffiths 1890 1975 Mae r gyfrol hon yn llenwi bwlch arbennig gan nad oes cyfrol Gymraeg wedi i chyhoeddi yn cwmpasu ei fywyd a i yrfa Conscience and Conflict Michael Hughes,2008 Attention is given to the way in which Methodist scholars and ministers ranging from A S Peake to Leslie Weatherhead and Donald Soper to Kenneth Greet have sought to relate questions of war and peace to broader considerations of Christian faith and practice Chapters focus on responses within British Methodism to the Boer War and its aftermath the First World War the inter war years and the rise of fascism the Second World War the Cold War debates about the relationship between economic justice and conflict in the post 1945 period and the international situation since the end of the Cold War Looking at official Conference documents and grass roots material the author shows how Methodists alongside

other Christians have wrestled with questions such as whether it can ever be right for Christians to take up arms or support their country in times of war Does the state have the right to conscript its citizens to fight in times of war and should individuals have the right to object to military service on grounds of conscience Is it ever morally acceptable to possess weapons of mass destructions or to target civilians in times of war Is it possible to identify new ways of promoting global economic justice in order to reduce the incidence of war and conflict debt relief new trading patterns etc
