## **George Meredith And English Comedy:**

**George Meredith and English Comedy** V.S. Pritchett, 2011-09-28 It is because we learn from the writers who have either got into difficulties or who have a certain vanity in creating them that I have chosen Meredith as my subject says Mr Pritchett at the beginning of these Clark Lectures for 1969 The Meredith who as Henry James remarked did the best things best but whose novels some critics have written off was in some ways the forerunner of the contemporary novel its erratic movement its profusion of metaphor His strange style was a device for linking his Romance to a real world and Mr Pritchett believes that the difficulties of this style have been in any case exaggerated What he aimed at was comedy but comedy conceived of as theatre The business of comedy is ruthlessly to expose the false emotions and the false image of oneself Meredith's great virtues as a writer of comedy were his power to analyse states of mind and his gift for slipping out of one mind into another Mr Pritchett illuminates these virtues no less than Meredith's defects with brilliant commentaries on Beauchamp's Career The Ordeal of Richard Feverel Evan Harrington Harry Richmond and The Egoist A passionate feminist a romantic poet with a leaning to the mythic a champion of intelligence and the values which spring from it Meredith wrote novels whose originality can be clearly seen from Mr Pritchett's fresh viewpoint *George Meredith's Essay On Comedy and Other New Quarterly Magazine Publications* George Meredith, 1998 In this book Meredith's prose is presented for the first time in a critical edition Its goal is to present Meredith's words as he intended them to be read without the errors of his publishers and with a complete scholarly apparatus that allows readers to re create the history of each work's transmission Each text originally published in the New Quarterly Magazine between 1877 and 1879 is accompanied by a textual history a list of editorial emendations a historical collation showing how Meredith's texts changed over time and additional lists and tables as determined by the special circumstances of each text *George Meredith and English Comedy* Victor Sawdon Pritchett, 1970 **English Fiction of the Victorian Period** Michael Wheeler, 2014-01-14 Professor Wheeler's widely acclaimed survey of the nineteenth century fiction covers both the major writers and their works and encompasses the genres and minor fiction of the period This excellent introduction and reference source has been revised for this second edition to include new material on lesser known writers and a comprehensively updated bibliography *An Essay on Comedy and the Uses of the Comic Spirit* George Meredith, 2023-08-28 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision *Dorian Unbound* Sean O'Toole, 2023-04-18 This book examines the broad archive of texts that Oscar Wilde read from quite early in his literary career through to the release of Dorian Gray making the case for a transnational network of literary forms that influenced Wilde's unique and hybrid prose Arguing that prevailing scholarly discourse on Dorian's aesthetic and decadent contexts has unintentionally obscured an even richer array of cultural movements from which Wilde drew inspiration O Toole makes a significant case for a more dynamic reading of the novel **Comic Faith** Robert M.

Polhemus,1982-10 Polhemus sketches several distinctions between nineteenth and twentieth century novelists and concludes that what most characterizes the nineteenth century from the perspective of the twentieth is the tendency in its comic fiction to criticize and to undermine the dogma and institutions of religion and to put faith instead of the existence of the comic perspective Comic Faith is a virtuoso performance of impressive stature I suspect the book will be influential for many years to come John Halperin Modern Fiction Studies Gothic and the Comic Turn A. Horner,S. Zlosnik,2004-11-30 Although Gothic writing is now seen as significant for an understanding of modernity it is still largely characterized as a literature of fear and anxiety Gothic and the Comic Turn argues that partly through its desire to be taken seriously Gothic criticism has neglected the comic doppelganger that has always inhabited the Gothic mode and which in certain texts emerges as dominant Tracing an historical trajectory from the late Romantic period through to the present day this book examines how varieties of comic parody and appropriation have interrogated the complexities of modern subjectivity **The Egoist**

George Meredith,1910 **On Modern British Fiction** Zachary Leader,2002 In this volume fourteen of today's very best novelists and critics join forces to create a landmark study of the last 50 years of British fiction Essays by Martin Amis Ian McEwan Hilary Mantel James Wood Christopher Hitchens Michael Wood Elaine Showalter and others range from modern historical fiction and nationality to lad lit and the comic tradition from criticism and reviewing to the reception of British fiction in America Among the many writers explored here are Angus Wilson Angela Carter Iris Murdoch Penelope Fitzgerald V S Pritchett Naipaul and Rushdie Provocative and insightful this is a must read for anyone interested in modern fiction

**The Egoist** George Meredith,1879 **Habit in the English Novel, 1850-1900** S. O'Toole,2013-11-07 This book offers new perspectives on the concept of habit in the nineteenth century novel delineating the complex changing significance of the term and exploring the ways in which its meanings play out in a range of narratives from Dickens to James

Encyclopedia of the Essay Tracy Chevalier,2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length The more than 500 entries by 275 contributors include entries on nationalities various categories of essays such as generic such as sermons aphorisms individual major works notable writers and periodicals that created a market for essays and particularly famous or significant essays The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch nationality era selected writings list additional readings and anthologies Jane Austen Laurence W. Mazzeno,2011 A comprehensive look at the academic criticism of Jane Austen from her time down to the present Among the most important English novelists Jane Austen is unusual because she is esteemed not only by academics but by the reading public Her novels continue to sell well and films adapted from her works enjoy strong box office success The trajectory of Austen criticism is intriguing especially when one compares it to that of other nineteenth century English writers At least partly because she was a woman in the early nineteenth century she was long neglected by critics hardly considered a major figure in English

literature until well into the twentieth century a hundred years after her death Yet consequently she did not suffer from the reaction against Victorianism that did so much to hurt the reputation of Dickens Tennyson Arnold and others How she rose to prominence among academic critics and has retained her position through the constant shifting of academic and critical trends is a story worth telling as it suggests not only something about Austen's artistry but also about how changes in critical perspective can radically alter a writer's reputation Laurence W Mazzeno is President Emeritus of Alvernia University Reading Pennsylvania

*The Other Side of a Frontier* V.S. Pritchett, 2011-10-28 The Other Side of a Frontier is a celebration of the distinguished contribution which V S Pritchett has made to English letters over the past fifty years Introduced by the author the collection has been chosen from his short stories literary criticism biographies and travel writing and includes extracts from his autobiographies It provides a perfect introduction to a universally acknowledged master of the English language

**Contemporary Literary Critics** NA NA, 2015-12-25 A reference guide to the work of 115 modern British and American critics

**Persuasion** Jane Austen, 2011-11-07 This is a tale of love lost and renewed amid England's complicated upper society

Mr. Beluncle V. S. Pritchett, 2009-02-19 Like most great comedy writes Darin Strauss in his Introduction Mr Beluncle makes sport of the Stuffed Shirt the Hypocritical Pious Gentleman and the Tyrant as well as the Big Spender and all these descriptions fit a single character Mr Beluncle himself One of V S Pritchett's most enduring characters Mr Beluncle is narcissistic sanctimonious and self indulgent yet despite these flaws he is undeniably compelling Readers who follow this quirky British furniture salesman on his seemingly ordinary escapades shopping for ridiculously expensive houses attending services at his peculiar church presiding over a tumultuous family meal are in for a delightful and disquieting ride Poignant hilarious and utterly unforgettable Mr Beluncle is an ideal introduction to one of the English language's most gifted authors

**Essential Stories** V. S. Pritchett, 2007-12-18 Introduction by JEREMY TREGLOWN In his daily walks through London notes Jeremy Treglown in his Introduction to this collection Pritchett watched and listened to people as a naturalist observes wild creatures and birds He knew that oddity is the norm not the exception This finely attuned sense coupled with an understanding that nothing in life is mundane is what makes these stories so immensely enjoyable Drawing on a vast treasure chest of writings Treglown has selected sixteen of Pritchett's gems including A Serious Question which makes its debut in book form here Featuring some of the best work from a long career this new compilation of Pritchett's brilliantly compact stories illuminates his legendary skills

**The Experimental Impulse in George Meredith's Fiction** Richard C. Stevenson, 2004 This book argues that George Meredith as a writer of Victorian fiction is most critical for us today because of the ways in which he wrote against convention The focus is on seven novels An Essay on Comedy The Ordeal of Richard Feverel The Adventures of Harry Richmond The Egoist One of Our Conquerors Lord Ormont and His Aminta and The Amazing Marriage which clearly illuminate the experimental and transgressive impulse in Meredith as seen in his treatment of controversial contemporary themes in his departures from conventions of genre and in his innovations with narrative

technique and the representation of consciousness canonical writers we now associate with the first wave of modernism in the English novel James and then Woolf Forster Lawrence Conrad Ford and Joyce to varying degrees all saw Meredith as an influence to be reckoned with in their own novelistic experimentation an influence this book proposes essential to understanding the modernist translation of nineteenth century realism into new formal thematic and psychological realms twentieth century British novel at the University of Oregon

## Whispering the Secrets of Language: An Mental Quest through **George Meredith And English Comedy**

In a digitally-driven world where displays reign great and quick connection drowns out the subtleties of language, the profound strategies and mental subtleties hidden within words often go unheard. Yet, situated within the pages of **George Meredith And English Comedy** a captivating fictional prize blinking with raw emotions, lies an extraordinary journey waiting to be undertaken. Written by a skilled wordsmith, this charming opus encourages readers on an introspective trip, lightly unraveling the veiled truths and profound affect resonating within ab muscles fabric of every word. Within the psychological depths of the touching review, we shall embark upon a honest exploration of the book is primary subjects, dissect its interesting publishing design, and yield to the effective resonance it evokes serious within the recesses of readers hearts.
