George Eliot and Victorian Historiography

Imagining the National Past

Neil McCaw

George Eliot And Victorian Historiography

Dr John Rignall

George Eliot And Victorian Historiography:

George Eliot and Victorian Historiography Neil McCaw, 2000-07-25 In this new study of George Eliot's fiction textual attempts to imagine a coherent and unified national past are seen as producing a contradictory vision of Englishness. It is a historiographical national identity constructed in the image of predominant and conflicting trends in the Victorian writing of history. The inherent uncertainty caused by the shift between different perceptions of English history leads in the later fiction to an abandonment of contemporaneous grand narratives. The consequence is a history that anticipates a more modern radical philosophy of history.

Reinventing History Rohan Amanda Maitzen, 1995

George Eliot Kathryn Hughes, 2001 This intensely engaging biography examines the extraordinary life of George Eliot from her childhood through her scandalous liaison and social exile to her hard won status as one of Victorian England's literary elite.

George Eliot's Originals and Contemporaries Gordon Sherman Haight, 1992 Eminent Victorian scholar Gordon Haight's newly collected essays on George Eliot and her literary tradition.

George Eliot and the British Empire Nancy Henry, 2002-01-17 In this study Nancy Henry introduces a set of facts that place George Eliot's life and work within the contexts of mid nineteenth century British colonialism and imperialism. Henry examines Eliot's roles as an investor in colonial stocks, a parent to emigrant sons, and a reader of colonial literature. She highlights the importance of these contexts to our understanding of both Eliot's fiction and her situation within Victorian culture. Henry argues that Eliot's decision to represent the empire only as it infiltrated the imaginations and domestic lives of her characters illuminates the nature of her Realism. The book also re-examines the assumptions of postcolonial criticism about Victorian fiction and its relation to empire.

George Eliot in Context Margaret Harris, 2013-05-30 Prodigiously learned, alive to the massive social changes of her time, defiant of many Victorian orthodoxies, George Eliot has always challenged her readers. She is at once chronicler and analyst, novelist of nostalgia and monumental thinker. In her great novel *Middlemarch* she writes of that tempting range of relevancies called the universe. This volume identifies a range of relevancies that inform both her fictional and her non-fictional writings. The range and scale of her achievement are brought into focus by cogent essays on the many contexts: historical, intellectual, political, social, cultural to her work. In addition, there are discussions of her critical history and legacy as well as of the material conditions of production and distribution of her novels and her journalism. The volume enables fuller understanding and appreciation from a twenty-first century standpoint of the life and work of one of the nineteenth century's major writers.

George Eliot Jan Jedrzejewski, 2008-03-25 This comprehensive guide to one of the most successful yet controversial writers of the Victorian period introduces the contexts and many interpretations of her work from publication to the present.

Social Figures Daniel Cottom, 1987

The Oxford Handbook of George Eliot, 2025-02-20 George Eliot repeatedly stressed the aesthetic and ethical importance of viewing subjects from different perspectives. The Oxford Handbook of George Eliot presents fifty-two perspectives on this major nineteenth-century writer. Together the chapters provide the most wide-ranging collection of

essays on Eliot's life and works published to date. While providing fresh perspectives on the important themes running through Eliot's works, the volume is distinctive in placing a concern with literary form at its heart. Part I questions longstanding conceptions of Eliot as a figure isolated by scandal by exploring her personal and intellectual relationships with her contemporaries. Part II focuses on Eliot's close engagement with earlier poets, dramatists and novelists as well as with painting, sculpture and music, and in so doing probes Eliot's interest in the nature of influence itself. Part III explores the full range of Eliot's unpublished and published works; chapters on each of the novels make a renewed case for the centrality of Eliot's works to current scholarly debates about nineteenth-century literature; other chapters offer ways into texts that have either been neglected, such as the novellas and poetry, or more often mined for biographical and historical contexts than given a close reading, such as the notebooks, manuscripts, letters and journals. Part IV gives close scrutiny to those aspects of literary form which characterise Eliot's writing, particularly her preoccupation with genre and her handling of voice, both that of her narrators and her characters. Part V assesses the complexity of Eliot's legacy for later writers, concluding with five shorter essays which tackle the nature and impact of the enduring cultural status of *Middlemarch* as a often declared the great English novel.

George Eliot and Nineteenth-Century Science Sally Shuttleworth, 1987-03-12. This study explores the ways in which George Eliot's involvement with contemporary scientific theory affected the evolution of her fiction. Drawing on the work of such theorists as Comte, Spencer, Lewes, Bain, Carpenter, von Hartmann and Bernard, Dr Shuttleworth shows how, as Eliot moved from *Adam Bede* to *Daniel Deronda*, her conception of a conservative, static and hierarchical model of society gave way to a more dynamic model of social and psychological life.

George Eliot: The Last Victorian (Text Only) Kathryn Hughes, 2012-06-28. This highly praised biography is the first to explore fully the way in which her painful early life and rejection by her brother Isaac in particular shaped the insight and art which made her both Victorian England's last great visionary and the first modern.

George Eliot, European Novelist Dr John Rignall, 2013-05-28. Reading George Eliot as a European novelist among other European novelists, John Rignall explores her use of European travel scenes and locations in her fiction and also places her novels in conversation with the work of other major European writers. Throughout the book, Rignall shows Eliot's engagement with the cultures of France and Germany, suggestively making the case that Eliot's novels belong to the tradition of the European novel that descends from Cervantes. Rignall develops the fundamental theme of Eliot's position as a European novelist in chapters that explore the significance of Eliot's first visit to Germany with G. H. Lewes, Eliot's ideas on the cultural differences between French and German writing, the incidental part travel plays in novels such as *Daniel Deronda* and *Middlemarch*, the role of European landscapes in her fiction, the dialogical relationship between Eliot and Balzac, comparisons between *Middlemarch* and Flaubert's *Madame Bovary*, and connections between the novels of Eliot, Gottfried Keller and Theodor Fontane. *Daniel Deronda* is examined both within the wider context of European Jewish life and as part of a tradition of French novels that harkens back to Balzac and anticipates Proust. Rignall's final chapter takes up

Nietzsche's notorious criticism of Eliot in *Twilight of the Idols* showing that Eliot with her sceptical intelligence insight into the essentially metaphorical nature of language and grasp of modernity has something in common with this philosophical iconoclast

George Eliot and the Discourses of Medievalism Judith Johnston, 2006 The medievalism this work addresses is confined to texts written in Middle English Its focus is on British medievalism which operates within an assumed Christianity a Christianity which underwent radical change both in the Reformation and in Victorian England

The Buried Life of Things Simon Goldhill, 2015 Simon Goldhill offers a fascinating new perspective on the material culture of nineteenth century Britain

Harriet Martineau and the Birth of Disciplines Valerie Sanders, Gaby Weiner, 2016-07-15 One of the foremost writers of her time Harriet Martineau established her reputation by writing a hugely successful series of fictional tales on political economy whose wide readership included the young Queen Victoria She went on to write fiction and nonfiction books articles and pamphlets popular travel books and more insightful analyses Martineau wrote in the middle decades of the nineteenth century at a time when new disciplines and areas of knowledge were being established Bringing together scholars of literature history economics and sociology this volume demonstrates the scope of Martineau's writing and its importance to nineteenth century politics and culture Reflecting Martineau's prodigious achievements the essays explore her influence on the emerging fields of sociology history education science economics childhood the status of women disability studies journalism travel writing life writing and letter writing As a woman contesting Victorian patriarchal relations Martineau was controversial in her own lifetime and has still not received the recognition that is due her This wide ranging collection confirms her place as one of the leading intellectuals cultural theorists and commentators of the nineteenth century

Who's afraid of...? Marion Gymnich, 2012-11-20 Fear in its many facets appears to constitute an intriguing and compelling subject matter for writers and screenwriters alike The contributions address fictional representations and explorations of fear in different genres and different periods of literary and cultural history The topics include representations of political violence and political fear in English Renaissance culture and literature dramatic representations of fear and anxiety in English Romanticism the dramatic monologue as an expression of fears in Victorian society cultural constructions of fear and empathy in George Eliot's *Daniel Deronda* 1876 and Jonathan Nasaw's *Fear Itself* 2003 facets of children's fears in twentieth and twenty first century stream of consciousness fiction the representation of fear in war movies the cultural function of horror film remakes the expulsion of fear in Kazuo Ishiguro's novel *Never Let Me Go* and fear and nostalgia in Mohsin Hamid's post 9/11 novel *The Reluctant Fundamentalist*

Censorship and the Representation of the Sacred in Nineteenth-Century England Jan-Melissa Schramm, 2019-05-27 Throughout the nineteenth century the performance of sacred drama on the English public stage was prohibited by law and custom left over from the Reformation successive Examiners of Plays under the control of the Lord Chamberlain's Office censored and suppressed both devotional and blasphemous plays alike Whilst the Biblical sublime found expression in the visual arts the

epic and the oratorio nineteenth century spoken drama remained secular by force of precedent and law The maintenance of this ban was underpinned by Protestant anxieties about bodily performance impersonation and the power of the image that persisted long after the Reformation and that were in fact bolstered by the return of Catholicism to public prominence after the passage of the Catholic Relief Act in 1829 and the restoration of the Catholic Archbishoprics in 1850 But even as anti Catholic prejudice at mid century reached new heights the turn towards medievalism in the visual arts antiquarianism in literary history and the popular in constitutional reform placed England's pre Reformation past at the centre of debates about the uses of the public stage and the functions of a truly national drama This book explores the recovery of the texts of the extant mystery play cycles undertaken by antiquarians in the early nineteenth century and the eventual return of sacred drama to English public theatres at the start of the twentieth century Consequently law literature politics and theatre history are brought into conversation with one another in order to illuminate the history of sacred drama and Protestant anti theatricalism in England in the long nineteenth century

Novel Science Adelene Buckland, 2022-12-22 *Novel Science* is the first in depth study of the shocking groundbreaking and sometimes beautiful writings of the gentlemen of the heroic age of geology and of the contribution these men made to the literary culture of their day For these men literature was an essential part of the practice of science itself as important to their efforts as mapmaking fieldwork and observation The reading and writing of imaginative literatures helped them to discover imagine debate and give shape and meaning to millions of years of previously undiscovered earth history Borrowing from the historical fictions of Walter Scott and the poetry of Lord Byron they invented geology as a science discovered many of the creatures we now call the dinosaurs and were the first to unravel and map the sequence and structure of stratified rock As Adelene Buckland shows they did this by rejecting the grand narratives of older theories of the earth or of biblical cosmogony theirs would be a humble science faithfully recording minute details and leaving the big picture for future generations to paint Buckland also reveals how these scientists just as they had drawn inspiration from their literary predecessors gave Victorian realist novelists such as George Eliot Charles Kingsley and Charles Dickens a powerful language with which to create dark and disturbing ruptures in the too seductive sweep of story

Forms of Empire Nathan K. Hensley, 2016-11-08 In *Forms of Empire* Nathan K Hensley shows how the modern state's anguished relationship to violence pushed writers to expand the capacities of literary form The Victorian era is often imagined as an age of equipoise but the period between 1837 and 1901 included more than two hundred separate wars What is the difference though between peace and war *Forms of Empire* unpacks the seeming paradoxes of the Pax Britannica's endless conflict showing that the much vaunted equipoise of the nineteenth century state depended on physical force to guarantee it But the violence hidden in the shadows of all law the violence of sovereign power itself shuddered most visibly into being at the edges of law's reach in the Empire where emergency was the rule and death perversely routinized This book follows some of the nineteenth century's most astute literary thinkers George Eliot Charles

Dickens Wilkie Collins A C Swinburne H Rider Haggard and Robert Louis Stevenson among them as they wrestled with the sometimes sickening interplay between order and force and generated new formal techniques to account for fact that an Empire built on freedom had death coiled at its very heart In contrast to the progressive idealism we have inherited from the Victorians the writers at the core of *Forms of Empire* moved beyond embarrassment and denial in the face of modernity's uncanny relation to killing Instead they sought effects free indirect discourse lyric tension and the idea of literary character itself that might render thinkable the conceptual vertigoes of liberal violence In the process they touched up to the dark core of our post Victorian modernity Drawing on archival work literary analyses and a theoretical framework that troubles the distinction between historicist and formalist approaches *Forms of Empire* links the Victorian period to the present and articulates a forceful vision of why literary thinking matters now

A Companion to George Eliot Amanda Anderson, Harry E. Shaw, 2016-01-19 This collection offers students and scholars of Eliot's work a timely critical reappraisal of her corpus including her poetry and non fiction reflecting the latest developments in literary criticism It features innovative analysis exploring the relation between Eliot's Victorian intellectual sensibilities and those of our own era A comprehensive collection of essays written by leading Eliot scholars Offers a contemporary reappraisal of Eliot's work reflecting a broad range of current academic interests including religion science ethics politics and aesthetics Reflects the very latest developments in literary scholarship Traces the revealing links between Eliot's Victorian intellectual concerns and those of today

George Eliot And Victorian Historiography Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free George Eliot And Victorian Historiography PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free George Eliot And Victorian Historiography PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while

supporting the authors and publishers who make these resources available. In conclusion, the availability of George Eliot And Victorian Historiography free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About George Eliot And Victorian Historiography Books

What is a George Eliot And Victorian Historiography PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a George Eliot And Victorian Historiography PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a George Eliot And Victorian Historiography PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a George Eliot And Victorian Historiography PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a George Eliot And Victorian Historiography PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any

restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
