**The Collected Poems of Georges Bataille** Georges Bataille,1999 This is the first collected English translation of Bataille s poems Bataille s poetry is definitely the poetry of a philosopher but it is also a poetry with an obsessively erotic often scatological edge frequently pushing the boundary of what is or isn t obscene Bataille believed that everything relates to the workings of desire and death in sexuality but he also believed that poetry was the product of hate and other extreme emotions just as much as erotic pleasure accedes to self annihilation But Bataille was interested in actual action not just disengaged hypothesis concerning the sexual act Dufour Editions is pleased to bring Bataille s poetry to print in English This is the audacious frightful side of surrealism Library Journal Bataille produced some of the most transcendent pointedly filthy literature of the century and these poems together in English for the first time are no exception Publishers Weekly

**Georges Bataille** Benjamin Noys, 2000-05-20 This is a guide to the life and work of the French intellectual Georges Bataille best known as the author of the celebrated erotic novel The Story of the Eye Benjamin Noys introduces Bataille as a writer out of step with the dominant intellectual trends of his day surrealism and existentialism and shows that it was his very marginality that accounted in large part for his subsequent importance for the post structuralists and the counterculture in Europe and in the United States Treating Bataille s work as a whole rather than focusing as other studies have done on aspects of his work i.e. as social theory or philosophy Noys study is intended to be sensitive to the needs of students new to Bataille s work while at the same time drawing on the latest research on Bataille to offer new interpretations of Bataille s oeuvre for more experienced readers This is the first clear introductory reading of Bataille in English challenging current reductive readings and stressing the range of disciplines affected by Bataille s work at a time when interest in Bataille is growing

**Eroticism** Georges Bataille, 1986-10 Reprint Originally published Death and sensuality New York Walker 1962      On Nietzsche Georges Bataille, 2015-09-23 A poetic philosophical and political account of

Nietzsche's importance to Bataille and of Bataille's experience in Nazi occupied France Georges Bataille wrote *On Nietzsche* in the final months of the Nazi occupation of France in order to cleanse the German philosopher of the stain of Nazism More than merely a treatise on Nietzsche the book is as much a work of ethics in which thought is put to the test of experience and experience pushed to its limits At once personal and political it was written as an act of war its publication contingent upon the German retreat The result is a poetic and philosophical and occasionally harrowing record of life during wartime Following *Inner Experience* and *Guilty* *On Nietzsche* is the third volume of Bataille's *Summa Atheologica* Haunted by the recognition that existence cannot be at once autonomous and viable herein the author yearns for community from the depths of personal isolation and transforms Nietzsche's will to power into his own will to chance This new translation includes *Memorandum* a selection of 280 passages from Nietzsche's works edited and introduced by Bataille Originally published separately Bataille planned to include the text in future editions of *On Nietzsche* This edition also features the full notes and annotations from the French edition of Bataille's *Oeuvres Complètes* as well as an incisive introductory essay by Stuart Kendall that situates the work historically biographically and philosophically

*The Beast at Heaven's Gate* Andrew Hussey, 2006 The essays in this collection were originally given at the international colloquium *Cent Ans de Bataille* La Bataille de Cent Ans held at the Fondaci T pies in Barcelona in September 1998 They are written from a variety of perspectives but are drawn together by the singular aim of addressing and interrogating Georges Bataille as our contemporary whose fascination with the rupture between mythical and experimental forms of discourse defines our own age as much as it did in Bataille's own time More precisely the essays in this collection range over Bataille's status as a novelist a poet an art critic a philosopher and a prophet of post modernity with this aim in mind They not only seek to advance and clarify debate about Bataille's present status in the post modern canon but also shed new light on the complex relation between Bataille and the present generation of readers who have come to him through the prism of post modernist thought It is of significance for each writer in this collection most crucially that the premonition of catastrophe which defined Bataille's fluid political positions is also located between tragedy and irony

**The Poetry of Georges Bataille** Georges Bataille, 2018 Presents a new window into the literary philosophical and theological concerns of this enigmatic thinker and writer

On Bataille Leslie Anne Boldt-Irons, 1995-01-01 Essays on the French writer and critic Georges Bataille that examine his thought in relation to Hegel Nietzsche and Derrida

The Absence of Myth Georges Bataille, 2020-05-05 For Bataille the absence of myth had itself become the myth of the modern age In a world that had lost the secret of its cohesion Bataille saw surrealism as both a symptom and a beginning of an attempt to address this loss His writings on this theme are the result of a profound reflection in the wake of World War Two *The Absence of Myth* is the most incisive study yet made of surrealism insisting on its importance as a cultural and social phenomenon with far reaching consequences Clarifying Bataille's links with the surrealist movement and throwing revealing light on his complex and greatly misunderstood

relationship with Andr Breton The Absence of Myth shows Bataille to be a much more radical figure than his postmodernist devotees would have us believe a man who continually tried to extend Marxist social theory a pessimistic thinker but one as far removed from nihilism as can be      *Eroticism* Georges Bataille, 1987 Ranging from Freud to Sade this far reaching and controversial study of the underlying sexual basis of religion and philosophy especially in relation to death includes the results of research into taboo religious ecstasy and the erotic impulse
