Gerald Durrells Army:

The Evolution of Gerald Durrell Mary Sanders Pollock, 2024-05-30 In *The Evolution of Gerald Durrell A Naturalist s Critical Biography* Mary Sanders Pollock revisits the life and work of Gerald Durrell one of the most significant environmentalist figures of the 20th century This new biography tracks Durrell s evolution from a free range childhood on Corfu through his time in Africa South America and the islands of the Pacific and Indian Oceans Durrell s early work is described in his numerous travel narratives but his conservation activities culminated in the stationary ark a conservation zoo on the Isle of Jersey which still plays an important role in global wildlife conservation efforts This biography situates Durrell s writing collecting and conservation practices within the frameworks of animal studies conservation biology and postcolonial history Familiarizing readers with the broad range of his cultural impact from *The Corfu Trilogy* to his BBC television specials Pollock shows how Durrell s approach offers models for how life on earth is to thrive and survive scientists must make greater efforts to touch hearts and minds and cultural workers must communicate more about science and the perilous existence of other species

The Macedonian Front, 1915-1918 Basil Gounaris, Michael Llewellyn-Smith, Ioannis Stefanidis, 2022-03-31 The Macedonian question has been much studied in recent years as has the political history of the period from the Balkan Wars in 1912 13 to the Treaty of Lausanne in 1923 But for a variety of reasons connected with the political division of Greece and the involvement of outside powers the events at and behind the Macedonian front have been side lined The recent commemorations of the centenary of the end of the First World War in the UK illustrate how by comparison with the enormous and moving emphasis on the western front Macedonia has been not wholly but largely ignored This volume illuminates this comparatively neglected period of Greek history and examines the strategic and military aspects of the war in Macedonia and the political social economic and cultural context of the war

Madagascar Hilary Bradt, Mervyn Brown, 1993 An ideal sourcebook for practical information for travelers and an in depth background to island culture and wildlife in Africa s Madagascar

The Durrells Richard Bradford, 2025-06-05 A variously tragic tale of escapism and assimilation Richard Bradford s *The Durrells* explores the truth behind the image The Durrells are probably the most celebrated literary family of the 20th century Gerald turned them into celebrities with his tripartite memoir beginning with *My Family and Other Animals* 1956 which told of his experiences with his widowed mother Louisa and three siblings during their time in 1930s Corfu We know of the Durrells from their own writings and from the image of them created by TV film and biographical accounts of specific figures What we do not know is the truth Using previously unpublished material from the Jersey Archive Richard Bradford unravels the lives of the famous four children of the Corfu era Larry Gerry Margo and Lesli as they find themselves geographically and emotionally divided amongst a backdrop of imperial decline and unrest The children of moneyed colonialists they were already used to being treated with aghast fascination by the island s locals and by expatriate Britons as a disgrace to the homeland Yet their story goes beyond the Ionian Sea and *The Durrells* delves

into the complex social and political circumstances in which the family lived with seemingly constant threats of war and endangerment to both themselves and their natural environment **The Sacred Combe** Simon Barnes,2016-01-14

Reflections on the natural world and our place within it from one of our finest natural history writers nature writing at its very best We've all got one A secret special place Hidden Enclosed A little greener and more fertile than the world outside Here the birds are slightly more exotic slightly more confiding the grass greener and the fruit sweeter To know such a place to love such a place is part of being human Sometimes it's a place of myth like the Garden of Eden Sometimes it exists in fictional form like Narnia or Shangri La Sometimes it comes in memories of a golden day in childhood or in a glorious doomed love affair Sometimes it's a real place that we dare not go back to for fear that it or we had changed And just occasionally it's a real place A place where you leave a small piece of your heart and return as often as you can so as not to lose it It's a place of privilege Simon Barnes found such a place when he woke in his first morning in the Luangwa Valley in Zambia to find elephants eating the roof of his hut It was a homecoming and he has been faithful to that passion ever since Here he has known peace danger discomfort fear and a profound sense of oneness with the Valley with all nature and with the world With the Valley he found completion This book explores the special places of the mind and the world with special reference to the Luangwa Valley and the glorious support of the Valley's great artist Pam Carr It's a book about the quest for paradise and the eternal human search to find such a paradise everywhere **Greek to Me: Adventures of the Comma**

young girl's recollections of life in London in the early 1930s/1940s a young woman's crippling health issues in the 1950s and then the experience of being an immigrant to Australia in the early 1960s It's a remarkable story one of survival tenacity and when it comes down to it courage and determination to get on and live a life that would provide hope for the future It's not your usual biographical book as it contains such gems of imagination that it is actually awe inspiring The gift of words is not endowed to everyone but certainly attributed to June who was able to bring her experiences to life through each page of her memoirs The Heraldic World of Lawrence Durrell Bruce Redwine,2022-03-02 Lawrence Durrell's position as one of the
