**The Cottage Woman** Augusta,2021-12-22 The Cottage Woman is a human story a daring and true story This ancient wise woman became a spiritual guide a telescope a therapist and a friend She helped those who visited her to navigate relationships health crises and daily challenges The reader will also be introduced to a multi dimensional reality streams of consciousness the other side and that death is not the word she used The cottage woman invited us to see further to climb the mountain higher Like a telescope that looks into the heavens just when we thought we had seen it all the lens expanded she replaced the old with the new and we were challenged to go further She stretched us beyond our limits our three dimensional knowing to discover physical reality is not the total reality A bigger story exists under us and beyond us

Crossover Picturebooks Sandra L. Beckett,2013-06-17 This book situates the picturebook genre within the widespread international phenomenon of crossover literature examining an international corpus of picturebooks including artists books wordless picturebooks and celebrity picturebooks that appeal to readers of all ages Focusing on contemporary picturebooks Sandra Beckett shows that the picturebook has traditionally been seen as a children s genre but in the eyes of many authors illustrators and publishers it is a narrative form that can address any and all age groups Innovative graphics and formats as well as the creative often complex dialogue between text and image provide multiple levels of meaning and invite readers of all ages to consider texts that are primarily marketed as children s books The interplay of text and image that distinguishes the picturebook from other forms of fiction and makes it a unique art form also makes it the ultimate crossover genre Crossover picturebooks are often very complex texts that are challenging for adults as well as children Many are characterized by difficult adult themes genre blending metafictional discourse intertextuality sophisticated graphics and complex text image interplay Exciting experiments with new formats and techniques as well as novel interactions with new media and technologies have made the picturebook one of the most vibrant and innovative contemporary literary genres one that seems to know no boundaries Crossover Picturebooks is a valuable addition to the study of a genre that is gaining increasing recognition and appreciation and contributes significantly to the field of children s literature as a whole

Clark, James Joss French, 2014-06-01 Hearts and Minds Without Fear Unmasking the Sacred in Teacher Preparation is the first book of its kind that focuses on the critical urgency of integrating creativity mindfulness and compassion in which social and ecological justice are forefronted in teacher preparation This is especially significant at a time of cultural turmoil educational reform and inequities in public education The book serves as a vehicle to unmask fear within current educational ethical deficiencies and revitalize hope for community members teacher educators pre service in service teachers and families in school communities The recipients of these strategies are explicitly presented in order to build understanding of a compassionate paradigm shift in schools that envisions possibility and social imagination on behalf of our children in schools and our communities The authors unabashedly place the arts and aesthetics at the core of the educational paradigm solution The book lives its own message Within each seed chapter the authors practice authentically what they preach offering a refreshing perspective to bring our schools back to life and instill hope in children's and educators hearts and minds

**Spirituality, Education & Society** Njoki N. Wane, Energy L. Manyimo, Eric J. Ritskes, 2011-10-29 Spirituality education and society An integrated approach argues the value of spirituality in education as a way to address the lived experiences and personal knowledge of students with the goal of creating a more holistic transformative educational process This edited volume has a wide array of viewpoints which all point to the importance of spirituality in the authors personal lives their communities and society at large Spirituality is conceptualised as a base from which to challenge dominant forms of knowing while in the process being able to center and engage with an important aspect of the student that has been missing from current evaluations their spiritual selves Within the diversity of this volume it becomes evident that spirituality cannot be

confined to a singular definition and that educators must be willing to create spaces to foster spiritual growth and exploration if we are to break away from the commoditized disempowering system that is so dominant today This edited collection is a valuable resource for students practitioners educators and administrators who wish to engage in transformational schooling Its multidisciplinary approach engages ideas around critical pedagogy sociology of education and inclusive schooling There is an increasing need for exploring novel paradigms of studying education in the context of the dynamics that straddle social economic and technological processes that have come to characterize the world in recent years This book is a timely contribution in this respect as its focus transcends hitherto applied approaches that depend largely on western orientation The book breaks new grounds in studying education and society that find significant relevance in societies that are marginalized by the dominant western understanding The authors draw from the rich heritage of spirituality that is akin to the non western social paradigms to develop a rigorous but creative concept of schooling I am sure practitioners researchers and students of education will find it a valuable source of practical and theoretical information that would widen their horizon of understanding of sociology of education Tom Mongare Ndege PhD Moi University Kenya The editors have compiled a brilliant collection of essays Each piece of scholarly work shows how spirituality is a paramount part of our everyday lives and is connected to teaching learning living and healing This is a timely and most relevant work that is sure to spur critical dialogue and discussion This collection shows that while the spirit may be wounded it can never be broken Erica Neeganagwedgin PhD University of Toronto
