Gerard Mortier At The Monnaie The Interviews:

Gerard Mortier at the Monnaie Simon Michael Namenwirth, 2002 Gerard Mortier headed the Monnaie the Brussels opera from 1981 to 1991 He raised the artistic level of the house by creating a new repertoire a new public and a new style of operatic interpretation thereby invigorating artistic life in Belgium and abroad During this period he gave at least 140 individual interviews to the press This book is devoted to a discussion of the main themes contained in the interviews based on copious excerpts from the interviews themselves **Psychoanalysis and the Artistic Endeavor** Lois

Oppenheim, 2015-02-11 Psychoanalysis and the Artistic Endeavor offers an intriguing window onto the creative thinking of several well known and highly creative individuals Internationally renowned writers painters choreographers and others converse with the author about their work and how it has been informed by their life experience Creative process frames the discussions but the topics explored are wide ranging and the interrelation of the personal and professional development of these artists is what comes to the fore The conversations are unique in providing insight not only into the art at hand and into the perspective of each artist on his or her own work but into the mind from which the work springs The interviews are lively in a way critical writing by its very nature is not rendering the ideas all that much more accessible The transcription of the live interview reveals the kind of reflection censored elsewhere the interplay of personal experience and creative process that are far more self consciously shaped in a text written for print Neither private conversation nor public lecture neither crafted response as to the media nor freely associative discourse as in the analytic consulting room these interviews have elements of all The volume guides the reader toward a deeper psychologically oriented understanding of literary and visual art and it engages the reader in the honest and often provocative revelations of a number of fascinating artists who pay testimony to their work in a way no one else can This is a unique collection of particular interest for psychoanalysts scholars and anyone looking for a deeper understanding of the creative process **Belges en France** Jacques Mercier, 2006

Hallelujah Junction John Adams, 2024-03-26 John Adams is one of the most respected and loved of contemporary composers and he has won his eminence fair and square he has aimed high he has addressed life as it is lived now and he has found a language that makes sense to a wide audience Alex Ross *The New Yorker* Now in *Hallelujah Junction* he incisively relates his life story from his childhood to his early studies in classical composition amid the musical and social ferment of the 1960s from his landmark minimalist innovations to his controversial docu operas Adams offers a no holds barred portrait of the rich musical scene of 1970s California and of his contemporaries and colleagues including John Cage Steve Reich and Philip Glass He describes the process of writing rehearsing and performing his renowned works as well as both the pleasures and the challenges of writing serious music in a country and a time largely preoccupied with pop culture *Hallelujah Junction* is a thoughtful and original memoir that will appeal to both longtime Adams fans and newcomers to contemporary music Not since Leonard Bernstein's *Findings* has an eminent composer so candidly and accessibly explored his life and work This

searching self portrait offers not only a glimpse into the work and world of one of our leading artists but also an intimate look at one of the most exciting chapters in contemporary culture **Memoirs of a Russianist, Volume II** Gilbert

Doctorow, 2021-02-12 My email to cousin Danny Gasman professor of history in New York 8 July 1999 I left IREX 15 months ago Maybe I m slow in these matters but by the time I signed out there I had come to the conclusion that my colleagues in the Washington headquarters were likely enjoying second incomes from The Agency And so I moved back to the relatively cleaner business of strong drinks As managing director of United Distillers in Russia I am Mr Smirnoff Mr Johnnie Walker etc Very congenial company Also very politicized business During my lunchtime speech at the Davis Russian Research Center in Harvard a month ago I was trying to make the point to the handful of economists who had not yet left for vacation that the alcoholic beverages industry is as valid a barometer of the Russian political scene as oil and gas Fred Bergson who must be well into his 80s and was once upon a time the dean of American economists specializing in the Soviet Union seemed not to be buying into my message However he maintains a droll sense of humor and asked me at our introductory handshake whether I had learned anything during my stay at Harvard 25 years ago I told him I had learned to tend bar at Harvard Student Agencies and that this serves me well in my new business functions He seemed satisfied Email from Danny Gasman 14 July 1999 I meant to tell you that I laughed a lot when you told me about your lecture at Harvard They deserve even heavier doses of the truth You should keep a diary and publish it It could be a new edition of Radischev s Journey *Sir John Pritchard, His Life in Music* Helen Conway, 1993 Forever fit through Triathlon and Movement is Life Life is Movement These mottos are of particular importance for the group of people who count as masters in international sport circles i e those who have already turned forty and therefore have a different sports profile to the 20 year olds The Master Handbook accompanies all triathletes beginners and advanced alike in their bid to success in sport Detailed instructions and realistic training plans both for triathletes who still go out to work and for those who have retired are the central theme of this work All triathletes who wish to be successful are provided with the necessary advice for swimming cycling and running training as well for triathlon competitions Further tips and advice complete this book for example fitness for masters pulse measurement achieving one s goal despite performance limits regeneration equipment nutrition stretching not to mention numerous anecdotes from training and competition *Out Loud* Mark Morris, Wesley Stace, 2021-10-19 From the most brilliant and audacious choreographer of our time the exuberant tale of a young dancer s rise to the pinnacle of the performing arts world and the triumphs and perils of creating work on his own terms and staying true to himself Before Mark Morris became the most successful and influential choreographer alive The New York Times he was a six year old in Seattle cramming his feet into Tupperware glasses so that he could practice walking on pointe Often the only boy in the dance studio he was called a sissy a term he wore like a badge of honor He was unlike anyone else deeply gifted and spirited Moving to New York at nineteen he arrived to one of the great booms of dance in America Audiences in 1976 had the luxury of Merce Cunningham s

finest experiments with time and space of Twyla Tharp's virtuosity and Lucinda Childs's genius Morris was flat broke but found a group of likeminded artists that danced together travelled together slept together No one wanted to break the spell or miss a thing because if you missed anything you missed everything This collective led by Morris's fiercely original vision became the famed Mark Morris Dance Group Suddenly Morris was making a fast ascent Celebrated by The New Yorker's critic as one of the great young talents an androgynous beauty in the vein of Michelangelo's David he and his company had arrived Collaborations with the likes of Mikhail Baryshnikov Yo Yo Ma Lou Harrison and Howard Hodgkin followed And so did controversy from the circus of his tenure at La Monnaie in Belgium to his work on the biggest flop in Broadway history But through the Reagan Bush era the worst of the AIDS epidemic through rehearsal squabbles and backstage intrigues Morris emerged as one of the great visionaries of modern dance a force of nature with a dedication to beauty and a love of the body an artist as joyful as he is provocative Out Loud is the bighearted and outspoken story of a man as formidable on the page as he is on the boards With unusual candor and disarming wit Morris's memoir captures the life of a performer who broke the mold a brilliant maverick who found his home in the collective and liberating world of music and dance

Although books have been written about various opera houses throughout the world no one work has covered more than a relatively small number of the larger well known companies and houses and none have made more than brief mention of the smaller houses No book has comprehensively listed opera repertoires Little in sum has been written about any of the smaller companies and houses located in non English speaking countries This is the most comprehensive reference book ever written on opera companies and houses in Western Europe Canada Australia and New Zealand over 300 from the well known to the smaller Each entry includes a history of the opera house or company the works title and composer and type of productions offered company staff world and country premieres repertory and practical information on the theater s address nearby hotel accommodations and how to order tickets Most entries conclude with a bibliography Musique-musiques 2000 Robert Wangermée,2001 Lotfi Mansouri Lotfi Mansouri,2010 Lotfi Mansouri has lived a full life in opera triumphs and near disasters divas and divos moneymen and true artists he has known them all In this entertaining and engaging memoir Mansouri lifts the curtain and invites the reader to see how magic is created on stage He has lived a storied life early years in Iran move to America long stays in Europe and Canada directing tasks on several continents and a brilliant final act as the General Director of the San Francisco Opera all the while continuing to mount productions worldwide He has known virtually everybody in the opera world over the past fifty years and has collaborated with some of the greatest Mansouri was also a central figure in the recent rejuvenation of opera through innovations such as supertitles and perhaps more important the staging and commissioning of new works that would appeal to a more contemporary audience such as SFO s production of The Death of Klinghoffer A Streetcar Named Desire and Dead Man Walking Mansouri isn t shy about dropping names and bruising some egos even his own Anyone who wants to know what the opera world is really like can now find out in the company of a charming and expert guide **Don Giovanni Captured** Richard Will,2024-05-31 Don Giovanni Captured considers the life of a single opera engaging with the entire history of its recorded performance Mozart s opera Don Giovanni has long inspired myths about eros and masculinity Over time its performance history has revealed a growing trend toward critique an increasing effort on the part of performers and directors to highlight the violence and predatoriness of the libertine central character alongside the suffering and resilience of his female victims In Don Giovanni Captured Richard Will sets out to analyze more than a century s worth of recorded performances of the opera tracing the ways it has changed from one performance to another and from one generation to the next Will consults audio recordings starting with wax cylinders and 78s as well as video recordings including DVDs films and streaming videos As Will argues recordings and other media shape our experience of opera as much as live performance does Seen as a historical record opera recordings are also a potent reminder of the refusal of works such as Don Giovanni to sit still By choosing a work with such a rich and complex tradition of interpretation Will helps us see Don Giovanni as a standard bearer for evolving ideas about desire and power both on and off the stage
