

Germaine Greer

Germaine Greer

Germaine Greer:

Germaine Elizabeth Kleinhenz, 2018-11-21 As a student in Melbourne Elizabeth Kleinhenz heard frequent talk of this almost mythical figure Germaine Greer Urged on by her mother a first wave feminist she read *The Female Eunuch* a clarion call that rallied women to assert their female power and like her mother and millions of others across the world changed her life As one of the first researchers permitted to trawl through the Germaine Greer Archive housed at the University of Melbourne Elizabeth found evidence of a brilliant teacher serious scholar flamboyantly attired hippie TV presenter provocative magazine columnist and editor real estate investor domestic goddess creator of extravagant gardens and preserves shelterer of strays and waifs libertarian bohemian anarchist working journalist correspondent traveller and adventurer international celebrity and performer wag and ratbag mentor and icon Germaine Greer has said that her archive is a representation of the times in which she has lived Yet she anticipated catalysed and triumphantly rode the wave of the immense social and intellectual changes of her era For Elizabeth two things are certain women's lives today are very different from how they were when Germaine Greer and she left school and much of the change that has occurred over the past half century can be directly attributed to the lifetime of intense scholarship unremitting hard work and influence of Germaine Greer

The Whole Woman Germaine Greer, 2009-04-22 Thirty years after the publication of *The Female Eunuch* Germaine Greer is back with the sequel she vowed never to write A marvelous performance No feminist writer can match her for eloquence or energy none makes us laugh the way she does *The Washington Post* In this thoroughly engaging new book the fervent rollicking straight shooting Greer is as ever the ultimate agent provocateur Mirabella With passionate rhetoric outrageous humor and the authority of a lifetime of thought and observation she trains a sharp eye on the issues women face at the turn of the century From the workplace to the kitchen from the supermarket to the bedroom Greer exposes the innumerable forms of insidious discrimination and exploitation that continue to plague women around the globe She mordantly attacks lifestyle feminists who blithely believe they can have it all and argues for a fuller more organic idea of womanhood Whether it's liposuction or abortion Barbie or Lady Diana housework or sex work Greer always has an opinion and as one of the most brilliant glamorous and dynamic feminists of all time her opinions matter For anyone interested in the future of womanhood *The Whole Woman* is a must read

Germaine Elizabeth Kleinhenz, 2019 As a student in Melbourne Elizabeth Kleinhenz heard frequent talk of this almost mythical figure Germaine Greer Urged on by her mother she read *The Female Eunuch* a clarion call that rallied women to assert their female power and like her mother and millions of others across the world changed her life As one of the first researchers permitted to trawl through the Germaine Greer Archive housed at the University of Melbourne Elizabeth found evidence of a brilliant teacher serious scholar flamboyantly attired hippie TV presenter provocative magazine columnist and editor real estate investor domestic goddess creator of extravagant gardens and preserves shelterer of strays and waifs libertarian bohemian anarchist working journalist correspondent

traveller and adventurer international celebrity and performer wag and ratbag mentor and icon Germaine Greer has said that her life is merely a representation of the times in which she has lived Yet she anticipated catalysed and triumphantly rode the wave of the immense social and intellectual changes of her era For Elizabeth two things are certain women s lives today are very different from how they were when Germaine Greer and she left school and much of the change that has occurred over the past half century can be directly attributed to the lifetime of intense scholarship unremitting hard work and influence of Germaine Greer Germaine Greer Maryanne Dever,Anthea Taylor,Lisa Adkins,2020-04-28 Germaine Greer is one of the most enduring and influential figures of the second wave of the women s movement The Female Eunuch 1970 is one of second wave feminism s most widely recognised publications and its author has come to embody and indeed expand our understanding of second wave feminism in a way that few others have Yet while Greer s public visibility never seems to wane her writings and her politics have failed to attract the kind of sustained critical engagement they warrant This volume represents the first collection of essays to examine Greer her politics her writing and her status as a feminist celebrity The essays in this collection cover The Female Eunuch 1970 Greer s public rivalry with Arianna Stassinopoulos her time in America her ideas and politics and her styling as feminist fashion icon Many essays include new insights drawn from previously unseen material in the recently launched Germaine Greer Archive at the University of Melbourne Australia This book was originally published as a Special Issue of Australian Feminist Studies **The Female Eunuch** Germaine Greer,2024-01-17 The publication of Germaine Greer s The Female Eunuch in 1970 was a landmark event raising eyebrows and ire while creating a shock wave of recognition in women around the world with its steadfast assertion that sexual liberation is the key to women s liberation Today Greer s searing examination of the oppression of women in contemporary society is both an important historical record of where we ve been and a shockingly relevant treatise on what still remains to be achieved *Germaine Greer: Untamed Shrew* Christine Wallace,2013-07-01 The story of one of the most intriguing people in a generation Germaine Greer is one of the opinion formers of our age her challenging views constantly provoking us in print and on the small screen The Female Eunuch her first book published in 1970 was hailed by the women s liberation movement and influenced an entire generation Yet two years earlier Greer had argued that there is hardly a woman alive who is not deeply attracted to the notion of a husband of the kind extolled by Kate the rebellious wife subdued in The Taming of the Shrew Over 30 years later as Germaine Greer revises what one reviewer called one of the most eloquent pieces of anarchist propaganda that have appeared in this century it is fitting to assess the life and work of this complex compelling intellect Christine Wallace an Australian academic familiar with the background in which Germaine Greer grew up has drawn extensively from candid interviews with Greer s family friends and former colleagues as well as from her many autobiographical writings She reveals a courageous contradictory often tormented woman variously and often simultaneously scholar rock stars groupie bohemian lover of cats and gardening and a feminist who spurned and then yearned for

motherhood An icon of women's liberation yet fiercely competitive and scathing of other women a swashbuckling adventuress yet often vulnerable and surprisingly passive in her dealings with men an inveterate self dramatist yet incorrigibly honest Greer has always lived by extremes and the risks she took have allowed shoals of moderate feminists to swim in her wake Many followers have been rebuffed by her reckless inconsistency a quality she shares with Byron her first literary love stemming from a rare determination to be true to the moment This biography puts into context the unhappy childhood the convent schooling and promiscuous but rigorous university years that shaped Greer's powerful personality and restless intelligence Child of the beat generation leader and victim of the 60s sexual revolution she continues to assail our complacency

Daddy, We Hardly Knew You Germaine Greer, 2013-12-13 Ferocious psychic need and volcanic energy drive this combined memoir detective story and travelogue from the author of *The Female Eunuch* The New Yorker After her father died influential feminist writer and public intellectual Germaine Greer realizes how little she knows about him She decides to track the life of her father an Australian intelligence officer during World War II to uncover the roots of his secrecy and distance As she painstakingly assembles the jigsaw pieces of the past Greer discovers surprising secrets about her father her family and herself During her three year quest Greer travels from England to Australia Tasmania India and Malta searches through scores of genealogical civil and military archives and delves into the memories of the men and women who may or may not have known Reg Greer Yet the heart of her lyrical but brutal elegy is her own emotional journey as the startling facts behind her father's facade force her to painfully examine her own notions of truth and loyalty family and obligation Kirkus Reviews starred review Anyone who has done this kind of search will identify with Ms Greer's frustration admire her persistence laugh at her accuracy and rejoice in her discoveries The New York Times Book Review The deeply affecting climax is a remarkable feat of family reconstruction Publishers Weekly

[Germaine Greer, Celebrity Feminism and the Archive](#) Anthea Taylor, 2024-11-29 Germaine Greer *Celebrity Feminism and the Archive* the first scholarly book on this internationally renowned feminist draws upon Greer's largely unexplored archive to demonstrate her impact on readers and viewers since the 1970s Across many decades in the limelight and through multiple media forms the provocative Greer has worked to shape audience understandings of gender sexuality and feminism Through deep engagement with archival material Anthea Taylor offers a compelling reassessment of Greer's celebrity feminist labour and its effects over time Examining archived letters from fans anti fans and those in between this innovative volume shows how and why readers and viewers have come to affectively invest or disinvest in this iconoclastic feminist Advancing debates about the social and political function of celebrity Germaine Greer *Celebrity Feminism and the Archive* is essential reading for scholars in Gender Studies History Archival Studies and Media and Cultural Studies

The Change Germaine Greer, 2018-05-17 A brilliant gutsy exhilarating exasperating fury of a book New York Times Germaine Greer has given women just the book they need for this time of their lives Read it pass it on talk about it disagree with it keep the circle going Washington Post The seminal

ground breaking and controversial feminist text on the menopause revised and updated When The Change was published in 1991 menopause was a word of fear Then as now expensive magazines advertised even more expensive anti ageing preparations none of which worked Big pharma was pushing replacement hormones but doctors were dragging their feet Some women told horror stories of their experiences with replacement hormones others called them lifesavers Nobody knew why some women went through this change of life without difficulty What was working for them when other women were tormented almost to madness It seemed that we were close to an answer to that question but that was before large scale studies revealed that the protective effects of hormone replacement had been vastly exaggerated given the perceived increase in the risk of life threatening disease the studies had to be called off Now more than ever amid the clamour of online chatrooms and promotions for a vast array of alternative therapies the individual woman has to manage her passage through menopause for herself In The Change Germaine Greer provides a common sense guide to a very interesting and important stage of women s lives

On Rape Germaine Greer, 2018-09-06 It s time to rethink rape Centuries of different approaches to rape as inflicted by men on women have got us nowhere Rape statistics remain intractable one woman in five will experience sexual violence Very few rapes find their way into court The crucial issue is consent thought by some to be easy to establish and by others impossible Sexual assault does not diminish relations between the sexes do not improve litigation balloons In *On Rape* Germaine Greer argues there has to be a better way

The Beautiful Boy Germaine Greer, 2003 The beauty of male imagery as an object of female desire has been repressed argues feminist writer Greer in this work of art history She includes some 200 images from Western art in her exploration of the shifting meanings and presentations of masculinity

White Beech Germaine Greer, 2014-07-15 For years I had wandered Australia with an aching heart Everywhere I had ever travelled across the vast expanse of the fabulous country where I was born I had seen devastation denuded hills eroded slopes weeds from all over the world feral animals open cut mines as big as cities salt rivers salt earth abandoned townships whole beaches made of beer cans One bright day in December 2001 sixty two year old Germaine Greer found herself confronted by an irresistible challenge in the shape of sixty hectares of dairy farm one of many in southeast Queensland that after a century of logging clearing and downright devastation had been abandoned to their fate She didn t think for a minute that by restoring the land she was saving the world She was in search of heart s ease Beyond the acres of exotic pasture grass and soft weed and the impenetrable curtains of tangled Lantana canes there were Macadamias dangling their strings of unripe nuts and Black Beans with red and yellow pea flowers growing on their branches and the few remaining White Beeches stupendous trees up to 120 feet in height logged out within forty years of the arrival of the first white settlers To have turned down even a faint chance of bringing them back to their old haunts would have been to succumb to despair Once the process of rehabilitation had begun the chance proved to be a dead certainty When the first replanting shot up to make a forest and rare caterpillars turned up to feed on the leaves of the new young trees she knew beyond a doubt that at least here

biodepletion could be reversed Greer describes herself as an old dog who succeeded in learning a load of new tricks inspired and rejuvenated by her passionate love of Australia and of Earth the most exuberant of small planets *Germaine Greer*

Germaine Greer, **New Feminist Art Criticism** Katy Deepwell,1995 This text reviews feminist art strategies as they emerged in the late 1980s and early 1990s in America and the UK It draws together the views of prominent practitioners critics academics and curators on a broad range of controversial issues The central focus of the book is feminism s engagement with psychoanalysis and post modernism and its aim of deconstructing the borders between art and craft and theory and practice Feminist politics in the art world are also investigated through discussion of the negotiations of feminist curators responses to feminist exhibitions issues surrounding pornography and the censorship of women s work and the role of feminist teaching on fine art and design degree courses The book covers a variety of art work including installation work painting textiles and photography Whitefella Jump Up Germaine Greer,2004 Race relations are one of the most fraught issues in the world Almost everywhere in the world where different races rub against each other there is racism and friction The problem is most acute with displaced indigenous people White Australia with the history of its terrible treatment of the Aborigines is an extreme case study In this brilliant essay Germaine Greer shows how it could should and must be different The problem is not the Aborigines but the settler society and what it has done to the country She shows how Australians must embrace their aboriginality By extension the argument applies to the whole world and to the unequal relationships between people But as always with Germaine Greer it is argued with wit humour anger passion and superbly memorable prose Germaine Greer is worth reading on any subject she is at her most powerful and polemical when faced with real wrongs that need righting **LIFE** ,1971-04-30 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use **LIFE** ,1971-05-07 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use *Shakespeare's Wife* Germaine Greer,2009-02-24 A New York Times Book Review Notable Book of the Year A polemical ground breaking study of Elizabethan England that reclaims Ann Hathaway s rightful place in history Little is known about the wife of the world s most famous playwright a great deal none of it complimentary has been assumed The omission of her name from Shakespeare s will has been interpreted as evidence that she was nothing more than an unfortunate mistake from which Shakespeare did well to distance himself Yet Shakespeare is above all the poet of marriage Before him there were few comedies or tragedies about wooing or wedding And yet he explored the sacrament in all its aspects spiritual psychological sexual sociological and was the creator of some of the most tenacious and intelligent heroines

in English literature Is it possible therefore that Ann who has been mocked and vilified by scholars for centuries was the inspiration Until now there has been no serious critical scholarship devoted to the life and career of the farmer s daughter who married England s greatest poet Part biography part history Shakespeare s Wife is a fascinating reconstruction of Ann s life and an illuminating look at the daily lives of Elizabethan women from their working routines to the rituals of courtship and the minutiae of married life In this thoroughly researched and controversial book Greer steps off the well trodden paths of orthodoxy asks new questions and begins to right the wrongs done to Ann Shakespeare *Germaine Greer* Germaine Greer,19?? **Encyclopedia of Women's Health** Sana Loue,Martha Sajatovic,2004-07-15 Designated a Reference Reviews Top Ten Print Reference Source 2005 The Encyclopedia of Women s Health meets this challenge by bringing together an impressive array of experts on topics from reproductive issues to gastrointestinal illnesses This skilfully edited volume informed by current health issues and health care realities offers readers practical information historical aspects and future directions all meticulously researched and conveniently presented Key features include Accessible A to Z coverage including AIDS birth control hormone replacement therapy teen pregnancy sexual harassment violence body image access to health care and more Entries spanning the medical psychological sociocultural spiritual and legal arenas Medical topics explored from both conventional and complementary perspectives Cross cultural data illustrate issues as they apply to minority women rural women the elderly and other underserved populations Special chapters on disparities in women s health and health care Historical overview of women in health as patients and as professionals Suggested readings and resource lists
