Gerard Alexander

German Peasants And Agrarian Politics 1914 1924 The Rhineland And Westphalia:

German Peasants and Agrarian Politics, 1914-1924 Robert G. Moeller, 1986 Robert Moeller investigates the German peasantry's rejection of the Weimar Republic in the 1920s and provides a new interpretation of Catholic peasant conservatism in western Germany According to Moeller rural support for conservative political solutions to the troubled Weimar Republic was the result of a series of severe economic jolts that began in 1914 and continued unabated until 1933 During the late nineteenth century peasant farmers in the Rhineland and Westphalia adjusted their production to a capitalist market and enjoyed an unprecedented period of prosperity that lasted until the outbreak of World War I After August 1914 peasant producers confronted state intervention in the agricultural sector regulation of prices and markets and the subordination of agrarian interests to the demands of urban consumers A controlled economy for many agricultural products continued into the postwar period Focusing on the Catholic peasantry Moeller shows that peasant rejection of the Weimar Republic was firmly grounded in the immediate circumstances of the war economy and the uneven process of postwar recovery He challenges the dominant view that rural support for conservative political solutions was primarily the product of the peasantry's hostility toward industrial capitalism and of long term social and political affinities dating from the nineteenth century Moeller's findings show that conservative agrarian ideology was carefully formulated in response to the specific peasant grievances that originated in this period of continuing economic and political crisis Originally published in 1986 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value **German Peasants and Agrarian Politics, 1914-1924** Robert G. Moeller, 2010 *German Peasants and Agrarian Politics, 1914-1924* Robert G. Moeller, 1986 German Peasants and Agrarian Politics 1914 1924 The Rhineland and Westphalia

Imperial Germany and the Great War, 1914-1918 Roger Chickering, 2014-07-10 This book represents the most comprehensive history of Germany during the First World War The Sources of Social Power: Volume 3, Global Empires and Revolution, 1890-1945 Michael Mann, 2012-09-17 Distinguishing four sources of power ideological economic military and political this series traces their interrelations throughout human history This third volume of Michael Mann's analytical history of social power begins with nineteenth century global empires and continues with a global history of the twentieth century up to 1945 Mann focuses on the interrelated development of capitalism nation states and empires Volume 3 discusses the Great Divergence between the fortunes of the West and the rest of the world the self destruction of European and Japanese power in two world wars the Great Depression the rise of American and Soviet power the rivalry between capitalism socialism and fascism and the triumph of a reformed and democratic capitalism *The Lion and the Star* Jonathan Friedman, 2021-12-14 The Lion and the Star not only offers an informed glimpse into the intricacies of daily German

life but also confirms the continuing danger of making sweeping generalizations about German Jews and non Jews In the aftermath of World War II many viewed the Third Reich as an aberration in German history and laid blame with Hitler and his followers Since the 1960s historians have widened their focus implicating ordinary Germans in the demise of German Jewry Jonathan Friedman addresses this issue by investigation everyday relations between German Jews and their Gentile neighbors Friedman examines three German communities of different sizes Frankfurt am Main Giessen and Geisenheim Symbolized by the Hessian heraldic lion these communities represent a cross section of both Gentile and Jewish society in Germany during the Weimar and Nazi years Researching in the United States Germany England and Israel he gleaned information from interviews memoirs diaries letters newspapers church and synagogue records censuses government documents and reports from Nazi and resistance organizations Friedman s comparative analysis offers a balanced response to recent scholarly works condemning the entire German people for their complicity in the Holocaust

The German Right, 1918-1930 Larry Eugene Jones, 2020-04-02 Analyzes the role of the non Nazi German Right in the destabilization and paralysis of Weimar democracy from 1918 to 1930

Tucker, 2014-10-28 Offering exhaustive coverage detailed analyses and the latest historical interpretations of events this expansive five volume encyclopedia is the most comprehensive and detailed reference source on the First World War available today One hundred years after the beginning of World War I in 1914 this conflict still stands as perhaps the most important event of the 20th century World War I toppled all of the existing empires at the time transformed the Middle East and vaulted the United States to becoming the world s leading economic power Its effects were profound and lasting and included outcomes that led to World War II This multivolume encyclopedia provides a wide ranging examination of World War I that covers all of the important battles key individuals both civilian and military weapons and technologies and diplomatic social political cultural military and economic developments Suitable as a reference tool for high school and undergraduate students as well as faculty members and graduate level researchers World War I The Definitive Encyclopedia and Document Collection offers accessible in depth information and up to date analyses in a format that lends itself to quick and easy use The set comprises alphabetically arranged cross referenced entries accompanied by further reading selections as well as a comprehensive bibliography A fifth volume provides chronologically arranged documents and an A Z index

The Challenges of Globalization Cornelius Torp, 2014-09-01 In the mid nineteenth century a process began that appears from a present day perspective to have been the first wave of economic globalization Within a few decades global economic integration reached a level that equaled and in some respects surpassed that of the present day This book describes the interpenetration of the German economy with an emerging global economy before the First World War while also demonstrating the huge challenge posed by globalization to the society and politics of the German Empire The stakes for both the winners and losers of the intensifying world market played a major role in dividing German society into camps with conflicting socio economic priorities As foreign trade policy

moved into the center stage of political debates the German government found it increasingly difficult to pursue a successful policy that avoided harming German exports and consumer interests while also seeking to placate a growing protectionist movement *Osthandel and Ostpolitik* Robert Mark Spaulding, 1997-06-01 Eclipsed by the scope of the Atlantic economy obscured by Anglo German rivalry and nearly destroyed by the post 1945 division of Europe the flow of goods across East Central Europe has been nonetheless an immensely significant pattern of European economic exchange For Germany the Osthandel Eastern trade was both a blessing and a curse its bounty provided much of the raw material for the rise of German economic and political power in Europe while its lure tantalized German ambitions to the point of madness Despite the enduring importance of this commerce no monograph has yet made this pattern of trade the centerpiece of its treatment of German East European relations This study puts this important pattern of German East European trade into the center of discussion and views an extended period of German foreign policy toward Eastern Europe through this lens **The Oxford**

Handbook of the Weimar Republic Nadine Rossol, Benjamin Ziemann, 2022 The Weimar Republic was a turbulent and pivotal period of German and European history and a laboratory of modernity The Oxford Handbook of the Weimar Republic provides an unsurpassed panorama of German history from 1918 to 1933 offering an indispensable guide for anyone

interested in the fascinating history of the Weimar Republic The Great War in History Jay Winter, Antoine Prost, 2020-12-03 This revised and updated edition of The Great War in History provides the first survey of historical interpretations of the Great War from 1914 to 2020 It demonstrates how the history of the Great War has now gone global and how the internet revolution has affected the way we understand the conflict Jay Winter and Antoine Prost assess not only diplomatic and military studies but also the social and cultural interpretations of the war across academic and popular history family history and public history including at museums on the stage on screen in art and at sites of memory They provide a fascinating case study of the practice of history and the first survey of the ways in which the Centenary deepened and deflected both public and professional interpretations of the war This will be essential reading for scholars and students in history war studies European history and international relations Political Power and Social Theory Diane E.

Davis, Christina Proenza-Coles, 2008-09-07 Deals with the comparative and historical social science This title focuses on a variety of questions relating to states citizenship and power common themes examined with divergent analytical entry points and through deep knowledge of country cases as diverse as Russia the United States El Salvador South Africa and Israel

The Young Bultmann William D. Dennison, 2008 During his early life 1884 1925 Rudolf Bultmann passionately attempted to unite scholar and laity through his understanding of God which developed in the context of his home and its love for the common people of the church the legacy of Schleiermacher Marburg Lutheran neo Kantianism the eschatological perspective of the History of Religion School dialectical theology and Heidegger's philosophy of existence Bultmann always insisted that God reflected the inner forces of life within each human being Over the years however Bultmann came to hold

that Lutheran neo Kantianism provided the basic structure by which to analyze critique and strengthen his understanding of God In light of this neo Kantian structure Bultmann insisted that God could not be the formulation of any scientific ethical or artistic construction In other words God could not be the object or manifestation of human reason in any form since God transcended human reason Hence in 1925 through the assistance of the dialectical theologians and Heidegger Bultmann presented his purest formulation of a neo Kantian understanding of God God as the spontaneous moment of encountering the dialectical forces within our existential being

The Nazi Impact on a German Village Walter Rinderle, Bernard Norling, 2021-05-11 A vivid sensitive portrait of a small tradition bound community coming to terms with modernity under the most adverse of conditions Observer Review Many scholars have tried to assess Adolf Hitler s influence on the German people usually focusing on university towns and industrial communities most of them predominately Protestant or religiously mixed This work by Walter Rinderle and Bernard Norling however deals with the impact of the Nazis on Oberschopfheim a small rural overwhelmingly Catholic village in Baden Wuerttemberg in southwestern Germany This incisively written book raises fundamental questions about the nature of the Third Reich The authors portray the Nazi regime as considerably less totalitarian than is commonly assumed hardly an exemplar of the efficiency for which Germany is known and neither revered nor condemned by most of its inhabitants The authors suggest that Oberschopfheim merely accepted Nazi rule with the same resignation with which so many ordinary people have regarded their governments throughout history Based on village and county records and on the direct testimony of Oberschopfheimers this book will interest anyone concerned with contemporary Germany as a growing economic power and will appeal to the descendants of German immigrants to the United States because of its depiction of several generations of life in a German village An excellent study Describes in rich detail the political economic and social structures of a village in southwestern Germany from the turn of the century to the present Publishers Weekly A lively informative treatise that puts a human face on history South Bend Tribune This very readable story emphasizes continuities within change in German historical development during the twentieth century American Historical Review

Gender and Rural Modernity Elizabeth B. Jones, 2016-12-05 By the end of the First World War women s labor was viewed by contemporary observers as fundamental to the survival of family farms in Germany and consequently to the nation s economic and social stability At the same time however the overburdening of farm women sparked increasingly acrimonious conflicts between young hired women or M gde their employers and state officials The progressive feminization of agricultural work in Germany during the prewar decades and attempts after the war to prevent young women s flight from family farms is the focus of this new study Concentrating principally on developments in the Kingdom later the Freestate of Saxony the author highlights the ways that previously invisible historical actors young rural women actively shaped state policies in disputes over work between M gde and their employers before village magistrates in the thorny debates over rural social welfare reform and the campaigns to professionalize farm wives and daughters and in

state officials uneven enforcement of agricultural employment laws and their struggles to maintain the food supply during and after the First World War The book furthermore challenges established narratives of German history that equate modernity with the industrial and the urban instead suggesting that rural inhabitants participated actively in the broader debates and crises that defined modernity in the Imperial and Weimar eras particularly concerning debates over individual rights versus collective national duties the future health and prosperity of the Volk and the meanings of Germanness The Sources of Democratic Consolidation Gerard Alexander, 2018-10-18 Why did precarious and collapsed democracies in Europe develop into highly stable democracies Gerard Alexander offers a rational choice theory of democratic consolidation in a survey of the breakdowns of and transitions to democratic institutions Through an analysis of developments in Spain Britain France Germany and Italy Alexander explores how key political sectors established the long term commitment to democracy that distinguishes consolidated democracies Alexander makes a highly accessible rationalist argument about the conditions under which such commitments emerge arguing that powerful sectors abandon options for overthrowing democratic rules only when they predict low risks in democracy The author's argument parallels established claims about the predictability essential to the development of modern capitalism The Sources of Democratic Consolidation outlines Alexander's claim that a political precondition rather than an economic or social precondition exists for consolidated democracies Drawing on interviews and archival research the author links his argument to evidence from the five largest countries in Western Europe from the 1870s to the 1980s and also discusses the implications for the prospects for democratic consolidation in other regions Political pacts power sharing and institutional designs he says may help stabilize uncertain democracies but they cannot create consolidation *Home Fires Burning* Belinda J. Davis, 2003-06-19 Challenging assumptions about the separation of high politics and everyday life Belinda Davis uncovers the important influence of the broad civilian populace particularly poorer women on German domestic and even military policy during World War I As Britain's wartime blockade of goods to Central Europe increasingly squeezed the German food supply public protests led by women of little means broke out in the streets of Berlin and other German cities These street scenes riveted public attention and drew urban populations together across class lines to make formidable apparently unified demands on the German state Imperial authorities responded in unprecedented fashion in the interests of beleaguered consumers interceding actively in food distribution and production But officials' actions were far more effective in legitimating popular demands than in defending the state's right to rule In the end says Davis this dynamic fundamentally reformulated relations between state and society and contributed to the state's downfall in 1918 Shedding new light on the Wilhelmine government German subjects' role as political actors and the influence of the war on the home front on the Weimar state and society *Home Fires Burning* helps rewrite the political history of World War I Germany Modern Prussian History: 1830-1947 Philip G. Dwyer, 2014-06-11 The rise of Prussia and subsequent unification of Germany under Prussia was one of the most important events in modern European history However

the fact that this unification was brought about as a result of the Prussian military has led to many misconceptions about the nature of Prussia and consequently of Germany which persist to this day This collection sets out to correct them Beginning in 1830 and finishing with the official dissolution of Prussia by the Allies in 1947 the book takes a broad approach chapters cover the conservatives and the monarchy industrialisation the transformation of the rural and urban environment the labour movement the tensions between Catholics and Protestants within the state and the debate about the links between Prussian militarism and the final tragedy of Nazi Germany By focusing on the social religious and political tensions that helped define the course of Prussian history the book also throws light on the development of modern German history

Making War, Forging Revolution Peter Holquist, 2002-12-30 Reinterpreting the emergence of the Soviet state Holquist situates the Bolshevik Revolution within the continuum of mobilization and violence that began with World War I and extended through Russia's civil war thereby providing a genealogy for Bolshevik political practices that places them clearly among Russian and European wartime measures

German Peasants And Agrarian Politics 1914 1924 The Rhineland And Westphalia Introduction

In today's digital age, the availability of German Peasants And Agrarian Politics 1914 1924 The Rhineland And Westphalia books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of German Peasants And Agrarian Politics 1914 1924 The Rhineland And Westphalia books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of German Peasants And Agrarian Politics 1914 1924 The Rhineland And Westphalia books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing German Peasants And Agrarian Politics 1914 1924 The Rhineland And Westphalia versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, German Peasants And Agrarian Politics 1914 1924 The Rhineland And Westphalia books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing German Peasants And Agrarian Politics 1914 1924 The Rhineland And Westphalia books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a

nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for German Peasants And Agrarian Politics 1914 1924 The Rhineland And Westphalia books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, German Peasants And Agrarian Politics 1914 1924 The Rhineland And Westphalia books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of German Peasants And Agrarian Politics 1914 1924 The Rhineland And Westphalia books and manuals for download and embark on your journey of knowledge?

FAQs About German Peasants And Agrarian Politics 1914 1924 The Rhineland And Westphalia Books

1. Where can I buy German Peasants And Agrarian Politics 1914 1924 The Rhineland And Westphalia books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
