A Weekly Record of Progress in Freemasonry ,1898 **International Commerce** ,1965 **Hitler's Last Day: Minute by Minute** Jonathan Mayo,Emma Craigie,2015-04-09 On 30th April 1945 Germany is in chaos Russian troops have reached Berlin All over the country people are on the move concentration camp survivors Allied PoWs escaping Nazis and the civilian population is fast running out of food The man who orchestrated this nightmare is in his bunker beneath the capital saying his farewells This is the gripping story of Hitler s final hours as seen through the eyes of those who were with him in the bunker those fighting in the streets of Germany and those pacing the corridors of power in Washington London and Moscow 30th April 1945 was a day that millions had dreamed of and millions had died for **The Novel: An Alternative History, 1600-1800** Steven Moore,2013-08-29 Winner of the Christian Gauss Award for excellence in literary scholarship from the Phi Beta Kappa Society Having excavated the world s earliest novels in his previous book literary historian Steven Moore explores in this sequel the remarkable flowering of the novel between the years 1600 and 1800 from Don Quixote to America s first big novel an homage to Cervantes entitled Modern Chivalry This is the period of such classic novels as Tom Jones Candide and Dangerous Liaisons but beyond the dozen or so recognized classics there are hundreds of other interesting novels that appeared then known only to specialists Spanish picaresques French heroic romances massive Chinese novels Japanese graphic novels eccentric English novels and the earliest American novels These minor novels are not only interesting in their own right but also provide the context needed to appreciate why the major novels were major breakthroughs The novel experienced an explosive growth spurt during these centuries as novelists experimented with different forms and genres epistolary novels romances Gothic thrillers novels in verse parodies science fiction episodic road trips and family sagas along with quirky unclassifiable experiments in fiction that resemble contemporary avant garde works As in his previous volume Moore privileges the innovators and outriders those who kept the novel novel In the most comprehensive history of this period ever written Moore examines over 400 novels from around the world in a lively style that is as entertaining as it is informative Though written for a general audience The Novel An Alternative History also provides the scholarly apparatus required by the serious student of the period This sequel like its predecessor is a zestfully encyclopedic avidly opinionated and dazzlingly fresh history of the most elastic of literary forms Booklist **Famous Battles and How They Shaped the Modern World** Beatrice Heuser,Athena S. Leoussi,2018-08-30 Why are some battles remembered more than others Surprisingly it is not just size that matters nor the number of dead the decisiveness of battles or their effects on communities and civilisations It is their political afterlife the multiple meanings and political uses

attributed to them that determines their fame This ground breaking series goes well beyond military history by exploring the transformation of battles into sites of memory and meaning Cast into epic myths of the fight of Good against Evil of punishment for decadence or reward for virtue of the birth of a nation or the collective assertion against a tyrant the defence of Civilisation against the Barbarians Christendom against the Infidel particular battles have acquired fame beyond their immediate contemporaneous relevance The epic battles of European history examined in this first volume range from the siege of Troy and the encounters of Marathon and Thermopylai to the wars of the Israelites which inspired the way many later battles would be narrated and from the triumphs and defeats of the Roman Empire to Hastings the massacre of Bziers and the battle of Courtrai In each chapter the historical events surrounding a battle form the backdrop for multi layer interpretations which consciously or unconsciously carry political agendas
