An Honorable German Charles McCain, Charles L. McCain, 2009-07-25 A truly epic and stirring tale of war love and the sea An original and surprising look at World War II from the other side Nelson DeMille When World War

It begins Max Brekendorf a proud young German naval officer fights for his country with honor and courage With the unstoppable German war machine overrunning Europe Max looks ahead to a bright future with his fianc e Mareth But as the war progresses their future together becomes less and less certain German victories begin to fade In the North Atlantic Max must face the increasing strength of the Allies on ever more harrowing missions Berlin itself is savaged by bombing making life for Mareth increasingly dangerous and desperate And as the Third Reich steadily crumbles Nazi loyalists begin to infiltrate Max s crew and turn their terror on Germany s own armed forces Recognizing what his nation has become Max is forced to make a choice between his own sense of morality and his duty to the Reich With its stirring rarely seen glimpse of the German home front during WWII vivid characters and evocation of the drama and terror of war at sea *An Honorable German* is a suspense filled story of adventure of love and loss and of honor and redemption A fast paced old fashioned naval yarn that crackles with authenticity *An Honorable German* will leave the taste of salt on your tongue as you breathlessly turn the pages A first class tale that aficionados of the Second World War will find especially satisfying I enjoyed it immensely Christopher Reich New York Times bestselling author Outstanding maritime action sequences Publishers Weekly
