Economic Development In Tatars Global Markets And A Russian Region:

Economic Development in Tatarstan Leo McCann,2004-08-02 Based on extensive original research in the Republic of Tatarstan in the Central Volga region of Russia this book examines the economic development path followed by Tatarstan since the collapse of the Soviet Union and the Russian financial crash of 1998 It argues that the roles of global capitalism and globalisation are somewhat exaggerated in much contemporary academic literature In the case of Tatarstan a strong state role tightly knit local elite networks and the inheritance of the Soviet politic and industrial systems are the most important socio economic formations in explaining the region s development [Economic Development in Tatarstan](#) Leo McCann,2005

Based on extensive original research in Tatarstan this book examines the economic development path followed by Tatarstan since the collapse of the Soviet Union **The Territories of the Russian Federation 2015** Europa Publications,2015-02-20 This excellent reference source brings together hard to find information on the constituent units of the Russian Federation The introduction examines the Russian Federation as a whole focusing on Russian federalism and elections followed by a chronology demographic and economic statistics and a review of the Federal Government The second section comprises territorial surveys each of which includes a current map This edition includes new surveys covering the recently annexed and disputed territories of Crimea and Sevastopol as well as updated surveys of each of the other 83 federal subjects The third section comprises a select bibliography of books The fourth section features a series of indexes listing the territories alphabetically by Federal Okrug and Economic Area Users will also find a gazetteer of selected alternative and historic names a list of the territories abolished created or reconstituted in the post Soviet period and an index of more than 100 principal cities detailing the territory in which each is located [Crimean Conflicts](#) Sabine Lorca,AI,2025-03-20 Crimean Conflicts explores the pivotal role of Crimea in shaping geopolitical power dynamics across centuries Focusing on military conflicts political power struggles and Crimea s significance to Russian identity the book argues that the region s strategic location has made it a constant target for imperial ambitions Crimea s history reveals how power geography and identity intertwine creating cycles of conflict For example the Crimean War highlights the peninsula s vulnerability as a focal point for competing powers while the Russian annexation in the 18th century underscores its importance in shaping Russian national identity The book progresses chronologically beginning with the Crimean Khanate and culminating in the 2014 crisis It analyzes key conflicts such as the Crimean War and World War II battles fought on the peninsula through the lenses of military strategy and political maneuvering By integrating military history with political analysis Crimean Conflicts offers a unique perspective on the region s narrative This approach provides valuable insights for understanding Crimea s enduring geopolitical vulnerability and its continued importance in international relations

Finance, Economics, and Industry for Sustainable Development Anna Rumyantseva,Hod Anyigba,Elena Sintsova,Natalia V. Vasilenko,2024-06-18 This volume discusses strategic approaches and relevant decisions of business government and civil

society to achieve the Sustainable Development Goals SDG which were adopted by all UN member states in 2015 The book presents the proceedings of the 4th International Scientific Conference on Sustainable Development ESG 2023 St Petersburg 2023 At present the economies of different countries are in a zone of turbulence and the current agenda pushes the transformation of all customary systems to maintain and keep the achieved positions This volume brings together material on sustainable development in economics and finance as well as industry It is intended for scholars and professionals involved in public and corporate finance financial accounting and auditing sustainable development risk management as well as economic growth macroeconomics monetary policy in a sustainable development environment public and corporate governance and economics corporate communications and public relations **Russia and America: From Rivalry to**

Reconciliation George Ginsburgs, Alvin Z. Rubinstein, Oles M. Smolansky, 2016-09-16 Compiled against the background of the enormous sociopolitical change in China between 1970 and 1990 this work provides a detailed lexicography of political and social life in China It includes 1600 entries each averaging half a page in length *Index Islamicus*, 2007 *Russian Transformations* Leo McCann, 2004-07-31 Examining contemporary Russian socio economic development this book explores the degree to which Russian experiences can be incorporated into current social science theories **The Russian Regions** John Löwenhardt, Stephen White, 2007 [The Economics of Secession](#) NA NA, 2016-04-30 *Worldmark Encyclopedia of Cultures and Daily Life* Timothy L. Gall, Jeneen Hobby, 2009 **The Profit of the Earth** Courtney Fullilove, 2017-04-18

While there is enormous public interest in biodiversity food sourcing and sustainable agriculture romantic attachments to heirloom seeds and family farms have provoked misleading fantasies of an unrecoverable agrarian past The reality as Courtney Fullilove shows is that seeds are inherently political objects transformed by the ways they are gathered preserved distributed regenerated and improved In *The Profit of the Earth* Fullilove unearths the history of American agricultural development and of seeds as tools and talismans put in its service Organized into three thematic parts *The Profit of the Earth* is a narrative history of the collection circulation and preservation of seeds Fullilove begins with the political economy of agricultural improvement recovering the efforts of the US Patent Office and the nascent US Department of Agriculture to import seeds and cuttings for free distribution to American farmers She then turns to immigrant agricultural knowledge exploring how public and private institutions attempting to boost midwestern wheat yields drew on the resources of willing and unwilling settlers Last she explores the impact of these cereal monocultures on biocultural diversity chronicling a *fin de siècle* Ohio pharmacist's attempt to source Purple Coneflower from the diminishing prairie Through these captivating narratives of improvisation appropriation and loss Fullilove explores contradictions between ideologies of property rights and common use that persist in national and international development ultimately challenging readers to rethink fantasies of global agriculture's past and future [Central Eurasian Reader](#) Stéphane A.
