Economics In The Curriculum Developmental Economic Education Program:

Economics in the Curriculum James D. Calderwood, John D. Lawrence, 1975 Effective Economic Education in the Schools William B. Walstad, John Charles Soper, 1991 The Developmental Economic Education Program DEEP was launched in 1964 by the Joint Council on Economic Education as an experimental program in three school districts By 1989 there were 1 836 school districts enrolled in DEEP covering some 39 percent of the precollege student population This book tells the story of DEEP an effort to improve the economics education curriculum by involving teachers administrators universities and businesses in a curriculum change partnership This current look at the DEEP experience is divided into five major parts Part I consists of four chapters that give a rationale for economic education and explain in more detail the features of the DEEP model Part II focuses on the research and evaluation that have been conducted over the 25 year history of DEEP and on related studies of economic understanding among students in secondary and elementary grades The next two parts offer case studies of how DEEP works Part III looks at DEEP operations and issues in four diverse states Part IV shows how the DEEP process works in six different school districts In part V the focus shifts from the present to the future these chapters discuss the future of DEEP in the context of educational reform requirements for new curriculum materials needs of school districts and leadership from the Joint Council on Economic Education DB **Resources in Education** ,1995 **Research in Education** ,1971 Handbook of Research in Social Studies Education Linda S. Levstik, Cynthia A. Tyson, 2010-04-15 This Handbook outlines the current state of research in social studies education a complex dynamic challenging field with competing perspectives about appropriate goals and on going conflict over the content of the curriculum Equally important it encourages new research in order to advance the field and foster civic competence long maintained by advocates for the social studies as a fundamental goal In considering how to organize the Handbook the editors searched out definitions of social studies statements of purpose and themes that linked or divided theory research and practices and established criteria for topics to include Each chapter meets one or more of these criteria research activity since the last Handbook that warrants a new analysis topics representing a major emphasis in the NCSS standards and topics reflecting an emerging or reemerging field within the social studies The volume is organized around seven themes Change and Continuity in Social Studies Civic Competence in Pluralist Democracies Social Justice and the Social Studies Assessment and Accountability Teaching and Learning in the Disciplines Information Ecologies Technology in the Social Studies Teacher Preparation and Development The Handbook of Research in Social Studies is a must have resource for all beginning and experienced researchers in the field Pacesetters in Innovation United States.
