Ein Leben Fur Kuns Und Volksbildung Eduard Leisching 1858 1938 Erinnerungen:

Ein Leben fur Kunst und Volksbildung: Eduard Leisching, 1858-1938 Eduard Leisching, 1978 Austria 1867-1955 John W. Boyer, 2022-09-15 Austria 1867 1955 connects the political history of German speaking provinces of the Habsburg Empire before 1914 Vienna and the Alpine Lands with the history of the Austrian Republic that emerged in 1918 John W Boyer presents the case of modern Austria as a fascinating example of democratic nation building The construction of an Austrian political nation began in 1867 under Habsburg Imperial auspices with the German speaking bourgeois Liberals defining the concept of a political people Volk and giving that Volk a constitution and a liberal legal and parliamentary order to protect their rights against the Crown The decades that followed saw the administrative and judicial institutions of the Liberal state solidified but in the 1880s and 1890s the membership of the Volk exploded to include new social and economic strata from the lower bourgeoisie and the working classes Ethnic identity was not the final structuring principle of everyday politics as it was in the Czech lands Rather social class occupational culture and religion became more prominent variables in the sortition of civic interests exemplified by the emergence of two great ideological parties Christian Socialism and Social Democracy in Vienna in the 1890s The war crisis of 1914 1918 exploded the Empire with the Crown self destructing in the face of military defeat chronic domestic unrest and bitter national partisanship But this crisis also accelerated the emergence of new structures of democratic self governance in the German speaking Austrian lands enshrined in the republican Constitution of 1920 Initial attempts to make this new project of democratic nation building work failed in the 1920s and 1930s culminating in the catastrophe of the 1938 Nazi occupation After 1945 the surviving legates of the Revolution of 1918 reassembled under the four power Allied occupation which fashioned a shared political culture which proved sufficiently flexible to accommodate intense partisanship resulting by the 1970s in a successful republican system organized under the aegis of elite democratic and corporatist negotiating structures in which the Catholics and Socialists learned to embrace the skills of collective but shared self governance

Ein Leben für Kunst und Volksbildung Eduard Leisching, 1978 **Karl Lueger** Richard S. Geehr, 1990 A biography of the Christian Social mayor of Vienna 1897 1910 Ch 5 p 171 207 Running with the Hares Hunting with the Hounds discusses Lueger s antisemitism which many historians have tended to discount While leaving open the question of Lueger s personal convictions argues that his antisemitic remarks and those of his party associates exerted an extremely harmful influence which continued through the First Republic and is still felt today and that only the limitations imposed on him by the Emperor prevented drastic measures against the Jews Reviews the position of Lueger and the Christian Socialists in the debate over Jews at the university especially the medical school the antisemitic productions of Adam M ller Guttenbrunn s Kaiserjubil ums Stadttheater the Aryan Theater and demands for segregation in the public schools

Political Radicalism in Late Imperial Vienna John W. Boyer, 1995-05-05 John Boyer offers a meticulously researched examination of the social and political atmosphere of late imperial Vienna He traces the demise of Vienna's liberal culture and the burgeoning of a new radicalism exemplified by the rise of Karl Lueger and the Christian Socialist Party during the latter half of the nineteenth century This important study paves the way for new readings of fin de siècle Viennese politics and their broader European significance Offers a comprehensive multicausal study of the rise of Christian Socialism in Vienna that phenomenon which was experienced nowhere else in urban Central Europe and which culminated in the famous clash between the Austrian establishment and the colourful domineering lead of the movement Karl Lueger R J W Evans History Boyer's analysis is masterful in terms of research exposition and organization His use of available economic data is judicious and his sense of the social structure of late nineteenth century Vienna is formidable William A Jenks American Historical Review To understand Viennese and even imperial politics in the latter half of the nineteenth century Boyer's book is absolutely essential Robert Wegs Review of Politics
