Resumen del Contenido Apart from being fun reading jokes is a good way for ESL EFL learners to improve their understanding of English Some jokes show different ways in which words are used and such jokes make it easier for learners to remember the language points Here is an example Is she making him a good wife Well not exactly but she's making him a good husband In

this joke the word make is used in two different patterns In the first one make him a good wife means become a good wife for him while in the second make him a good husband means train him so that he will become a good husband A good teacher always knows when to use a joke in his classroom He may say That reminds of a joke story during his lesson and then a story follows This will arouse the students interest in his class and students never fail to like such a teacher
