unhealthy want for supposed manifestations of the power of the Holy Spirit They talk persistently about phenomena emotions and sensationalism They seem to have relatively little sometimes nothing to say about Christ his work of atonement or the historical facts of the gospel By inventing a Holy Spirit product of idolatrous imaginations the modern Charismatic movement offers strange fire which has done incalculable damage to the body of Christ It s time for the evangelical church to rise up and move its focus to a healthy perspective of the person and work of the Holy Spirit The Spiritual health of the church is at stake It is John MacArthur s prayer that you will adopt a biblical perspective about the Spirit and his gifts and also that you won t be a victim of deception of many spiritual counterfeits false doctrines and false miracles that are calling for our attention today In this book you will find How to face a counterfeit revival The truth behind the Charismatic movement The history of the Charismatic movement The Bible s perspective on the work of the Holy Spirit What does God say about those who misrepresent the Holy Spirit How to recognize false spiritual gifts How to rediscover the true work of the Holy Spirit
