## Ecrits De Guerre 19141918:

**Correspondance et écrits de guerre 1914-1918** Élie Halévy,Vincent Duclert,Marie Scot,2014-09-24 Elie Halévy 1870  
1937 illustre représentant de la pensée littéraire française observe la Grande Guerre comme Tocqueville les Etats Unis avec profondeur et grande perspicacité. Infirmier dans un hôpital militaire en contact avec de nombreux correspondants il est à la fois témoin du conflit et dans une position d'expert critique. Il pense la guerre et sa répercussion historique au moment où elle se déroule. On peut mieux comprendre alors comment il en fera ensuite la matrice d'une crise mondiale débouchant sur l'ère des tyrannies. Ce présent volume s'inscrit dans le programme de publication des Œuvres d'Elie Halévy. Il constitue une pièce manquante et désormais disponible entre ses deux grandes œuvres que sont *L'Histoire du peuple anglais au 19e siècle* et *L'Ere des tyrannies au 20e siècle* associé à *Histoire du socialisme européen*, **Écrits de guerre, 1914-1918** Nicolas Beaupré,2013-09-26

Une des rares sources les plus singulières la Grande Guerre a sans nul doute été créée littérairement de l'expérience guerrière. Par milliers auteurs connus et inconnus Henri Barbusse Auguste Stramm Ernst Jünger Léon Werth Maurice Genevoix Kurt Heynicke se sont saisis de leur vécu au front pour en rendre compte par le roman ou la poésie. Par ses relations avec le public les milieux littéraires ou la censure ce dit de la guerre a su prendre une place centrale dans les sociétés en guerre. L'artiste par l'expérience du front et répondant une demande de sens ces textes ont en effet longtemps rencontré un large succès auprès de ceux qui n'ont pas connu l'enfer de la guerre

**La Guerre de 1914-1918** Gaston Jollivet,1916

**1914-1918 : Quatre années sur le front** Paul Tuffrau,2004-01-01 **Anthologie des écrivains morts à la guerre.**  
**1914-1918** Association des écrivains combattants,1926 **La France occupée 1914-1918** Philippe Nivet,2014-05-07

Pendant la Première Guerre mondiale dix départements français de l'Est et du Nord ont été totalement ou partiellement occupés. Deux millions de Français environ ont vécu sous la domination allemande. Fondé sur de multiples sources d'archives publiques et privées cet ouvrage est l'une des premières synthèses sur cette occupation longtemps occultée dans l'historiographie par l'oubli de la Seconde Guerre mondiale. Il met en valeur la germanisation administrative culturelle et économique du territoire envahi. Il montre ce que fut la vie de ces civils privés de liberté soumis au travail forcé victimes des pénuries alimentaires et subissant les conséquences des opérations militaires. Il s'interroge sur l'attitude qu'ils adoptent vis-à-vis des Allemands : résistance, rapprochement ou collaboration. Enfin il accorde une large part à la sortie de l'occupation en montrant comment se met alors en place parallèlement la reconstruction matérielle et la reconstruction morale avec les hommages rendus aux résistants et la mise en cause y compris judiciaire de ceux qui ont été proches des occupants. Des documents accompagnent l'étude.

*Histoire illustrée de la guerre de 1914-1918* Gabriel Hanotaux,1916 *La guerre secrète en Suisse (1914-1918)* Olivier Lahaie,2017 La 4e de couverture indique dans son rapport sur le service actif 1914-1918 que le général Willecrivit après la guerre. On note ce passage se rapportant la guerre secrète. On constate bientôt que les cas d'espionnage militaire contre la Suisse étaient rares. Les institutions militaires dont la connaissance pouvait présenter quelque intérêt pour l'étranger étaient trop

patentes chez nous ou trop faciles connaître pour qu'on ait besoin d'y entretenir un service de renseignements spéciaux et compliqués. Par contre le service d'espionnage entre les Puissances belligérantes prit rapidement des proportions gigantesques et menaçantes pour la neutralité et la sécurité de la Suisse. Pendant les hostilités, en effet, les services de renseignements des différents belligérants ont opéré dans le pays agissant les uns contre les autres ou contre la nation helvétique. Un auteur confirme que la Suisse tait la véritable Terre Promise des différents services d'espionnage des pays belligérants. Tous les portiers d'hotels, les garçons de café, les chauffeurs, les grooms tous travaillaient pour le compte soit des Alliés soit des Puissances centrales et bien souvent pour les deux à la fois. Thilo greffier au Tribunal fédéral crivit quant lui en 1936 : Pendant la guerre mondiale la Suisse a été la Terre promise des espions. Ils y pullulaient et ce n'est certes pas la peur de la Cour pénale fédérale avec ses condamnations anodines qui les empêchait de travailler à plein rendement de soudoyer des douaniers, des agents de police et même des officiers de contrôler consulats et installations de faire sauter des coffres forts d'acheter une usine entière pour en faire une centrale d'espionnage de monter une imprimerie clandestine pour la fabrication de faux de se livrer au rapt de personnes d'administrer des soporifiques ou d'appliquer un masque avec du chloroforme. Or cet espionnage militaire, politique, diplomatique ou économique a exposé la Confédération à plusieurs dangers mortels. Il a notamment mis en cause sa neutralité à port atteinte sa capacité à défendre, il a enfin poussé des citoyens suisses à délation et quelques uns malheureusement à la trahison.

**Le Congo belge dans la Première Guerre mondiale (1914-1918)** Pamphile Mabiala Mantuba-Ngoma, Isidore Ndaywel E Nziem, 2015-12-01. L'histoire congolaise de la Première Guerre mondiale existe. Les contributions belges et congolaises qui sont l'objet de ce livre l'affirment et le démontrent. Dès que la Belgique la tropole du Congo avait vu la violation de sa neutralité par l'Allemagne, le Congo belge n'est pas resté longtemps dans le doute. La guerre exclusivement européenne devint une guerre mondiale impliquant en Afrique les colonies allemandes et celles des alliés.

German Atrocities, 1914 John Horne, Alan Kramer, 2001-01-01. Is it true that the German army invading Belgium and France in August 1914 perpetrated brutal atrocities? Or are accounts of the deaths of thousands of unarmed civilians mere fabrications constructed by fanatically anti-German Allied propagandists? Based on research in the archives of Belgium, Britain, France, Germany and Italy, this pathbreaking book uncovers the truth of the events of autumn 1914 and explains how the politics of propaganda and memory have shaped radically different versions of that truth. John Horne and Alan Kramer mine military reports, official and private records, witness evidence and war diaries to document the crimes that scholars have long denied: a campaign of brutality that led to the deaths of some 6500 Belgian and French civilians. Contemporary German accounts insisted that the civilians were guerrillas executed for illegal resistance. In reality this claim originated in a vast collective delusion on the part of German soldiers. The authors establish how this myth originated and operated and how opposed Allied and German views of events were used in the propaganda war. They trace the memory and forgetting of the atrocities on both sides up to and beyond World War II. Meticulously researched and convincingly argued, this book reopens a

painful chapter in European history while contributing to broader debates about myth propaganda memory war crimes and the nature of the First World War     Notes d'un Gantois sur la guerre de 1914-1918 Marc Baertsoen,1929     *Writing the Great War* Christoph Cornelissen,Arndt Weinrich,2022-11-11 From the Treaty of Versailles to the 2018 centenary and beyond the history of the First World War has been continually written and rewritten studied and contested producing a rich historiography shaped by the social and cultural circumstances of its creation Writing the Great War provides a groundbreaking survey of this vast body of work assembling contributions on a variety of national and regional historiographies from some of the most prominent scholars in the field By analyzing perceptions of the war in contexts ranging from Nazi Germany to India's struggle for independence this is an illuminating collective study of the complex interplay of memory and history     *Livre d'or des pharmaciens morts pour la France, 1914-1918, 1939-1945* Comité national Aux morts de la pharmacie française,René Fabre,Georges Hugonot,Georges Weill,1952-01-01T00:00:00+01:00 Cet ouvrage est une rédition numérique d'un livre paru au XXe siècle désormais indisponible dans son format d'origine     **Guerre et théâtre, 1914-1918** Pierre-Barthélemy Gheusi,1919     **The Great War in History** Jay Winter,Antoine Prost,2020-12-03 The first comprehensive survey of interpretations of the Great War from 1914 to 2020     *The Moral Disarmament of France* Mona L.
