*Omaha Beach* Adrian R. Lewis, 2003-11-20 The Allied victory at Omaha Beach was a costly one A direct infantry assault against a defense that was years in the making undertaken in daylight following a mere thirty minute bombardment the attack had neither the advantage of tactical surprise nor that of overwhelming firepower American forces were forced to improvise under enemy fire and although they were ultimately victorious they suffered devastating casualties Why did the Allies embark on an attack with so many disadvantages Making extensive use of primary sources Adrian Lewis traces the development of the doctrine behind the plan for the invasion of Normandy to explain why the battles for the beaches were fought as they were Although blame for the Omaha Beach disaster has traditionally been placed on tactical leaders at the battle site Lewis argues that the real responsibility lay at the higher levels of operations and strategy planning Ignoring lessons learned in the Mediterranean and Pacific theaters British and American military leaders employed a hybrid doctrine of amphibious warfare at Normandy one that failed to maximize the advantages of either British or U S doctrine Had Allied forces at the other landing sites faced German forces of the quality and quantity of those at Omaha Beach Lewis says they too would have suffered heavy casualties and faced the prospect of defeat

Ambrose, 1995-04-01 In observance of Dwight David Eisenhower s one hundredth birthday in 1990 the Eisenhower Center at the University of New Orleans sponsored a series of lectures by distinguished American and European scholars who espouse an exciting breadth of interpretation regarding the man and his times In *Eisenhower A Centenary Assessment* Günter Bischof and Stephen E. Ambrose have assembled thirteen of those lectures revised and updated thus providing an important contribution to scholarship on the thirty fourth United States president The collection is truly balanced in the interpretive sense with essays by leading revisionist and postrevisionist scholars on Eisenhower Four of the essays address Eisenhower historiography and his role as military commander two concern his presidential domestic policies and the remainder represent an assortment of ongoing research into select areas of his foreign policy by a younger generation of scholars demonstrating how much the evaluation of Eisenhower s handling of foreign affairs remains in ferment Ambrose concludes the volume with a broad summary of Eisenhower s achievements and legacies As Bischof and Ambrose state in their Introduction Eisenhower played a central role for so long and so crucial a period in twentieth century history that his impact contributions successes and failures will be subject to reinterpretation and debate for as long as Western civilization lasts His reputation has already undergone ups and downs from the negative opinions of his contemporaries to the enthusiasm of revisionists in the late seventies and early eighties to the more critical assessments of postrevisionist scholars in the late eighties and the nineties Such is the inevitable cycle of scholarship to look at old problems with new perspectives using new documentation or innovative methods to arrive at new conclusions This centennial reexamination of Eisenhower s place in history will remain a milestone in years to come

**The Wrong War** Rosemary Foot, 2019-06-30 In 1951 General Omar Bradley declared publicly that war with China would involve the United States in the wrong war at the wrong place at the wrong time and with the wrong enemy Despite the stated intent of the U S to keep the Korean conflict from spreading the debate on extending the war was far more intense and protracted than previous accounts of this period have suggested Concentrating on the debate over expansion Rosemary Foot reveals the strains it caused both within the U S bureaucracy and between America and its North Atlantic allies She supplies important new information on the U S government s appraisal of Sino Soviet relations between 1950 and 1953 and makes clear that a high proportion of U S officials came to recognize the limited nature of Soviet support for China Explaining why the Eisenhower administration nearly unleashed nuclear weapons on China in the spring of

1953 Foot demonstrates that the Korean war would very likely have grown into a conflict of major proportions if the Chinese and North Koreans had not conceded the final issue of the truce talks the question of the voluntary repatriation of prisoners of war
