Mastine Nisbett, 2019-10-30 Dean Joshua Mastine Nisbett reflects on God s involvement and purpose in his life He reminisces over

four decades of ordained ministry in two parishes Several parallels are made between the author and Biblical characters The call of Jeremiah while still in his mother's womb Hannah dedicating her child to God's service and Dean Nisbett's parents baptizing him when he was nineteen days old Amos the dresser of sycamore trees called to be a prophet and Dean Nisbett's call from the grafting of fruit trees to assist in the grafting of souls The anointing of David to be king of Israel and the election of Dean Nisbett as the second rector of St David's Episcopal Church Abraham's sacrificial testing of his son Isaac and the near death experience of Jevon Dean Nisbett's son Joshua who led the Israelites into the Promised Land and Joshua who led St David's into their Promised Land Haggai's call for the rebuilding of the temple and Dean Nisbett's congregation building a house of worship Jesus' passion, death and resurrection and Dean Nisbett's challenges at the onset of his ministry The author also identified with no room at the INN at Bethlehem and the flight to Egypt by the Holy Family Often times the lectionary readings resonate with a current experience of the author Through prayer, meditation, radical trust in God, creative and mutual ministry, difficulties were turned into opportunities and a little church was transformed into a healthy one Reflecting on a pilgrimage to Ghana, Dean Nisbett gives a graphic description of the African Slave Trade He agonizes over the Anglican Church's role in the business but is convinced God planted him in the said church to help change the narrative

**Clint Eastwood** Ian Nathan, 2023-09-21 Clint Eastwood is Hollywood's elder statesman and its conscience He is the standard by which other films and filmmakers are judged He represents both classical Hollywood and an entirely modern uncompromising and unfussy directorial presence There are those who adore him as a cowboy, a superstar, the rugged, unyielding yet introspective face of American machismo There are those who read him as a great American auteur fashioning uncompromising, fascinating intellectual films about his country, about life, about whatever the hell takes his fancy No single figure in all of Hollywood operates so freely outside of the strictures of commercial pressure And yet, or perhaps that is because he makes hit after hit Separation of actor and director is almost impossible They are intimately related, cross pollinating but he has become in the latter half of his career to be viewed as one of the great American artists While drawing connections from his wider work as an actor and those who have influenced him it is his identity as a director that this book will celebrate This is not a career it is a landscape

**The Web in the Sea** Alice O. Howell,1993-04-01 With the mediating help of Sophia the divine feminine principle of wisdom we can decode the inner meaning of geometric shapes numbers and other symbols through intuition to enrich our experience of living and deepen our appreciation of the mystery of form Life has come out of the sea and as it did so millions of years ago it emerged in tiny forms of exquisite design The geometric web by which creation lifted life into being was preexistent Its counterpart lies in the seas of our own personal and collective unconscious as Carl Gustav Jung pointed out Through awareness we can discover preexisting patterns that can show us meaningful order in the chaos we experience at

times in the world and in our personal lives A companion to *Dove in the Stone* the book is illustrated with fifty line drawings and figures and includes an entertaining workbook *Sophia's Mondayschool* with exercises that guide readers in exploring for themselves the mysteries of sacred geometry

*The Seventh Sunrise* Larry Gordon, 2022-11-09 Larry Gordon provides thought provoking tales about life love joy grief compassion and kindness He writes with intrigue and humor His stories take you from a sacrificial mayfly surfing an eddy in the waters of a trout stream to a pantheon ballroom in the cosmos where Jupiter and Saturn dance cheek to cheek From two matches burning bright in the chilly night sky of the Los Angeles Coliseum to the twin peaks of Granite Mountain in Arizona and Mount Sinai halfway around the world Each story is anchored with God's whisper his word engraved in love Each chapter begins with a new day And with each dawn begins another moment of truth a time for joy a time for sorrow but most of all a time to care *The Seventh Sunrise* is chock full of wisdom hidden in the most obscure of places And within each concealed spot is a sanctuary cloaked with God's fingerprints

**The Play Within the Play** Gerhard Fischer, Bernhard Greiner, 2007 The thirty chapters of this innovative international study are all devoted to the topic of the play within the play The authors explore the wide range of aesthetic literary theoretical and philosophical issues associated with this rhetorical device not only in terms of its original meta theatrical setting from the baroque idea of a *theatrum mundi* onward to contemporary examples of postmodern self referential dramaturgy but also with regard to a variety of different generic applications e.g. in narrative fiction musical theatre and film The authors internationally recognized specialists in their respective fields draw on recent debates in such areas as postcolonial studies game and systems theories media and performance studies to analyze the specific qualities and characteristics of the play within the play as ultimate affirmation of the self the Hamlet paradigm as a self reflective agency of meta theatrical discourse and as a vehicle of intermedial and intercultural transformation The challenging study with its underlying premise of play as a key feature of cultural anthropology and human creativity breaks new ground by placing the play within the play at the centre of a number of intersecting scholarly discourses on areas of topical concern to scholars in the humanities

**Memory and Latency in Contemporary Anglophone Literature** Yvonne Liebermann, 2023-06-06 Up until fairly recently memory used to be mainly considered within the frames of the nation and related mechanisms of group identity Building on mechanisms of inclusion and exclusion this form of memory focused on the event as a central category of meaning making Taking its cue from a number of Anglophone novels this book examines the indeterminate traces of memories in literary texts that are not overtly concerned with memory but still latently informed by the past More concretely it analyzes novels that do not directly address memories and do not focus on the event as a central meaning making category Relegating memory to the realm of the latent that is the not directly graspable dimensions of a text the novels that this book analyses withdraw from overt memory discourses and create new ways of remembering that refigure the temporal tripartite of past present and future and negotiate what is memorable in the first place Combining the analysis of the novels overall structure with close

readings of selected passages this book links latency as a mode of memory with the productive agency of formal literary devices that work both on the micro and macro level activating readers to challenge their learned ways of reading for memory
