Edipo Rey:

Edipo Rey Sófocles, 2015-11-29 Edipo rey es la obra maestra de Sófocles La obra nos presenta a Edipo en su momento de mayor esplendor como rey de Tebas y esposo de Yocasta Poco a poco se descubre la verdad Edipo es el asesino Layo era su padre y su esposa Yocasta es al mismo tiempo su madre Yocasta se suicida y Edipo tras cegarse a sí mismo pide a su cuñado Creonte que le deje partir al destierro y se quede con sus dos hijas ya que sus dos hijos son hombres y sabrán cómo actuar Todo un clásico del teatro que Paradimage le ofrece en una cuidada edición digital **Edipo Rey: (spanish Edition) (Worldwide Edition)** , 2018-09-13 Del género dramático, la historia y nuestra lengua Jorge Durán Vélez, 2004 Escritos de investigación La extinción del tributo indígena en la nueva granada Las tierras de resguardos indígenas y el nacimiento de la industria petrolera en Colombia la aplicación del derecho indiano en los fallos de la corte suprema de justicia que definieron la naturaleza jurídica de tales propiedades Escritos de divulgación Las fuentes del derecho indiano Derecho indiano y derecho humanos Información historiográfica La historia del derecho indiano autores y temática El instituto internacional de historia del derecho indiano Presencia de escritos sobre derecho indiano en cien años del boletín de historia y antigüedades órgano de difusión de la academia colombiana de historia **La Palabra Y la Acción : Monologos Teatrales , El modelo actancial y su aplicación** Román Calvo, 2007 **El saber del error** Rocío Orsi, 2007 En buena medida la tradición filosófica occidental ha consistido en una reflexión sobre temas trágicos y muchas veces sobre la naturaleza misma de lo trágico De ahí que quizás no quepa ya recuperar una mirada ingenua sobre la tragedia una mirada ajena a toda filosofía o filosóficamente ignorante Leer filosóficamente a Sófocles es por tanto una de las formas en que la historia de su recepción nos permite e incluso nos obliga a hacerlo Y lo que este libro ofrece es un acercamiento a los principales motivos de interés que la lectura de Sófocles puede suscitar a un lector filosóficamente formado o quizás mejor a alguien cuyos motivos de lectura sean primordialmente filosóficos En estas páginas se tratará de ilustrar los motivos que nos permiten subrayar la pertinencia o incluso la necesidad de incluir a Sófocles en el canon de los pensadores que se han ocupado de explorar las fuentes del valor y los percances que acechan a la vida buena La poesía trágica aparecerá sometida a fuertes restricciones pero también dotada de una libertad y una autoridad inslitas y esa extraña combinación posibilitará que dé voz a una sociedad a la vez acuciada por la discordia y el riesgo de ruptura civil violenta lo que ellos denominaban *stasis* pero obsesionada también por el logro de un consenso y de una convivencia pacífica En las obras de Sófocles y a través de algunos de sus héroes de mayor talla Atenas se representará como una polis que sueña con ser una comunidad política unida pero que está siempre amenazada por la quiebra interna y las acechanzas de enemigos externos que vive la tensa paradoja de prodigar una igualdad política que la hizo célebre en el mundo antiguo y de tributar honra a los mejores a los que se elevan sobre los hombres comunes según establece el espíritu agonístico y aristocrático heredado de su tradición En este contexto Sófocles aparecerá como un curioso pionero de nuestra tradición filosófica moral una tradición que siguiendo esta línea puede escribirse en términos de una historia del

Bosher,Fiona Macintosh,Justine McConnell,Patrice Rankine,2015-11-05 The Oxford Handbook of Greek Drama in the Americas is the first edited collection to discuss the performance of Greek drama across the continents and archipelagos of the Americas from the beginning of the nineteenth century to the present The study and interpretation of the classics have never been restricted by geographical or linguistic boundaries but in the case of the Americas long colonial histories have often imposed such boundaries arbitrarily This volume tracks networks across continents and oceans and uncovers the ways in which the shared histories and practices in the performance arts in the Americas have routinely defied national boundaries With contributions from classicists Latin American specialists theatre and performance theorists and historians the Handbook also includes interviews with key writers including Nobel Laureate Derek Walcott Charles Mee and Anne Carson and leading theatre directors such as Peter Sellars Carey Perloff H ctor Daniel Levy and Heron Coelho This richly illustrated volume seeks to define the complex contours of the reception of Greek drama in the Americas and to articulate how these different engagements at local national or trans continental levels as well as across borders have been distinct both from each other and from those of Europe and Asia **Edipo rey de Arkadi Avérchenko** Аркадий Аверченко,2012

Zambrano's only play and retells Antigone's story through the prism of the Spanish Civil War. This dramatized talking cure evokes the eponymous hero's experience of solitude, delirium and passion within the marginal space of her tomb, casting her as the messenger of consciousness for the second half of the twentieth century. Recent studies place Zambrano in the visionary company of women with questing minds such as Hannah Arendt, Simone Weil and her close contemporary, the Spanish writer Rosa Chacel, whose lives were complicated by fascist conflicts that impelled them to travel across Europe and to the Americas in search of refuge. Placing emphasis on the play as a text for performance, this first English translation, including the author's prologue and a critical introduction, aims to extend interest in this trailblazing reworking of classical myth by this acclaimed Spanish woman writer and encourage further connections within exile and Antigone scholarship.

El tiempo de lo sagrado en Pasolini González García González, 1997-01-01 *Opera Plot Index* David

Hamilton, William E. Studwell, 2020-11-25. First Published in 1990. Information about individual operas and other types of musical theater is scattered throughout the enormous literature of music. This book is an effort to bring that data together by comprehensively indexing plots and descriptions of individual operatic background, criticism and analysis, musical themes and bibliographical references. The principal audience for this general reference guide will be for the non-specialist, but it is hoped that persons specializing in opera would also find it useful. *A Companion to Greek Tragedy* John Ferguson, 2013-11-06

This handbook provides students and scholars with a highly readable yet detailed analysis of all surviving Greek tragedies and satyr plays. John Ferguson places each play in its historical, political and social context, important for both Athenian and modern audiences, and he displays a keen discriminating critical competence in dealing with the plays as literature. Ferguson is sensitive to the meter and sound of Greek tragedy, and with remarkable success he manages to involve even the Greekless reader in an actual encounter with the Greek as poetry. He examines language and metrics in relation to each tragedian's dramatic purpose, thus elucidating the crucial dimension of technique that other handbooks, mostly the work of philologists, renounce in order to concentrate on structure and plot. The result is perceptive criticism in which the quality of Ferguson's scholarship vouches for what he sees in the plays. The book is prefaced with a general introduction to ancient Greek theatrical production, and there is a brief biographical sketch of each tragedian. Footnotes are avoided; the object of this handbook is to introduce readers to the plays as dramatic poetry, not to detail who said what about them. There is an extensive bibliography for scholars and a glossary of Greek words to assist the student with the operative moral and stylistic terms of Greek tragedy. **Amazing Adventures of a Heart Surgeon** Domingo Liotta, 2007.
