Educación Exigencia Y Pasión Desafíos Para Educadores Cristianos:

Educación pape François, Jorge Mario Bergoglio, Liliana Ferreirós, 2003 *Educación: exigencia y pasión: desafíos para educadores cristianos*, 2013 **Educación** Jorge Mario Bergoglio, 2014 **Educación, exigencia y pasión** Jorge Mario Bergoglio (Cardenal), 2014 Este libro es parte de la colección e Libro en BiblioBoard **Tendencias y retos en la formación inicial de los docentes** Juan Carlos Torre Puente (coord.), **Francis** Mario Escobar, 2013-05-21 First Jesuit First Latin American And a new pope who chose as his first act a simple request please pray for me The recent resignation of Pope Benedict XVI took the world by surprise and for good reason More than 600 years had passed since a pope last left his post Jorge Mario Bergoglio now Pope Francis is a man of prayer a man of action and a humble man who has always promoted others over himself In fact it was Bergoglio who bowed out of the running in the papal election of 2005 to facilitate the rise of Benedict XVI However the new pope faces a Catholic Church in crisis a church that has lost the media pull of John Paul II and is still hounded by pedophile scandals and the filtration of documents from former papal administrations His first year may not be an easy one but neither this man nor the church itself has ever shied away from the challenges thrust upon them Pope Francis is austere and simple but has vast theological training He is a man of his time but one who also travels by subway and bus just like any other citizen Tirelessly fighting poverty and marginalization he is a beacon of hope for the poor persecuted sectors of the church Has a Catholic spring finally arrived after a very long winter Francis is the complete biography of a humble man who has suddenly become one of the most powerful and influential men on the planet **Pope Francis** Mario I Aguilar, 2014-05-29 Pope Francis His Life and Thought paints a compelling picture of a truly remarkable pope considering his life in detail until his election as Pope Francis in 2013 Cardinal Jorge Bergoglio was a highly unusual candidate for the papacy for two main reasons the pope from far away is the first non European to be elected and furthermore he began his career as a Jesuit one of God's soldiers Members of the order traditionally do not ascend the hierarchy of the Church and it took a personal request from Pope John Paul II for Bergoglio to leave the Society of Jesus and accept his appointment as bishop Bergoglio's theological principles have been profoundly shaped by these two factors However the author also reveals that the evolution of his thought was deeply affected by his simple Argentinean upbringing and his fearless work in the slums of Buenos Aires as a young Jesuit and as a senior member of the Church Bergoglio has consistently emphasised the importance of alleviating the suffering of the poor following the teaching of Vatican II and in keeping with his own unflinching morality This volume reveals Pope Francis as remarkably humble and altruistic man doctrinally conservative and engaged less in politics than in the struggle to re-centre the Church at the margins of society It will be of great interest to any reader who wishes to know more about this inspiring individual **Papa Francisco su vida y sus desafíos** Saverio Gaeta, 2013 La vida intereses y testimonios del nuevo pontífice que nos ha llegado desde el fin del mundo según el mismo afirmó en las primeras palabras dirigidas a su pueblo Un Papa que nos ha sido dado en un cónclave

llevado por el Espíritu Santo como afirma uno de los cardenales después de la elección. En este libro Saverio Gaeta nos presenta el recorrido de fe de Jorge Mario Bergoglio desde que escuchó el llamado a su vocación hasta sus primeras apariciones como nuevo sucesor de Pedro en una línea de humildad y servicio al otro como esencia del cristiano en un seguimiento de Cristo crucificado con todas las responsabilidades y desafíos que esto implica. The Roots of Pope Francis's Social and Political Thought Thomas R. Rourke, 2016-08-30. In The Roots of Pope Francis's Social and Political Thought Thomas R. Rourke traces the development of Pope Francis's thinking from his time as a Jesuit provincial through today. Meticulously researched, the book draws on decades of previously untranslated writings from Father Jorge Bergoglio SJ who went on to become archbishop and cardinal; this volume also references his recent writings as pope. The book explores the deepest roots of Pope Francis's thinking beginning with the experience of the Jesuit missions in Argentina 1500s-1700s showing how both the success and tragedy of the missions profoundly formed his social and political views. Subsequent chapters explore influences from the Second Vatican Council through today regarding culture, politics and economics. In Pope Francis's understanding there is a perpetual tension between the attempts to redeem the social order through the Gospel and the never-ending attempts to dominate peoples and their lands through a variety of imperial projects that come from the powerful. What emerges is a profoundly Christian approach to the social, political and economic problems of our time. The Pope is portrayed as an original thinker independent of ideological currents rooted in the Gospels and the tradition of Catholic social thought. In a time of division and violence the writings of Pope Francis often point to the path of peace and justice. **Francisco** Mario Escobar, 2013-05-06. *El Primer Papa Latinoamericano*. Un hombre que eligió como su primer acto una simple petición por favor: oren por mí. Francisco es la biografía completa de un hombre humilde que de la noche a la mañana se ha convertido en uno de los hombres más influyentes del planeta. La reciente dimisión del Papa Benedicto XVI tomó al mundo por sorpresa y por buenas razones. Más de 600 años han pasado desde que un Papa renunció a su cargo. Jorge Mario Bergoglio, ahora Papa Francisco, es un hombre de oración, un hombre de acción y un hombre humilde que siempre ha promovido a otros sobre sí mismo. Él fue quien en 2005 renunció al papado para facilitar el ascenso de Benedicto XVI. Sin embargo, el nuevo Papa enfrenta a una iglesia católica en crisis, una iglesia que ha perdido la atracción de los medios de comunicación de Juan Pablo II y es acosada por los escándalos de pedofilia. Su primer año puede no ser fácil, pero ni este hombre ni la Iglesia han eludido los retos que se les han impuesto. El Papa Francisco es un hombre sencillo pero con una amplia formación teológica. Es un hombre de su tiempo pero uno que también viaja en metro y autobús al igual que cualquier otro ciudadano. Ha llegado por fin la primavera después de este invierno tan largo. El primer papa latinoamericano es una completa biografía de un hombre humilde que repentinamente se ha convertido en uno de los hombres más poderosos e influyentes del planeta. *La revolución pacífica* Mario Escobar, 2014-04-01.
