Educating Deaf Children Bilingually:

Educating Deaf Children Bilingually Shawn Neal Mahshie, 1995 **Deaf Education and Challenges for Bilingual/Multilingual Students** Musyoka, Millicent Malinda, 2022-01-07

Biliteracy or the development of reading writing speaking listening and thinking competencies in more than one language is a complex and dynamic process The process is even more challenging when the languages used in the literacy process differ in modality Biliteracy development among deaf students involves the use of visual languages i e sign languages and auditory languages spoken languages Deaf students sign language proficiency is strongly related to their literacy abilities The distinction between bilingualism and multilingualism is critical to our understanding of the underserved the linguistic deficit and the underachievement of deaf and hard of hearing D HH immigrant students thus bringing the multilingual and immigrant aspect into the research on deaf education Multilingual and immigrant students may face unique challenges in the course of their education Hence in the education of D HH students the intersection of issues such as biculturalism multiculturalism bilingualism multilingualism and immigration can create a dilemma for teachers and other stakeholders working with them

Deaf Education and Challenges for Bilingual Multilingual Students is an essential reference book that provides knowledge skills and dispositions for teaching multicultural multilingual and immigrant deaf and hard of hearing students globally and identifies the challenges facing the inclusion needs of this population This book fills a current gap in educational resources for teaching immigrant multilingual and multicultural deaf students in learning institutions all over the world Covering topics such as universal design for learning inclusion literacy and language acquisition this text is crucial for classroom teachers of deaf or hard of hearing students faculty in deaf education programs language instructors students pre service teachers researchers and academicians

Bilingualism and Bilingual Deaf Education Marc Marschark, Gladys Tang, Harry Knoors, 2014 This edited volume brings together diverse issues and evidence in two related multidisciplinary domains bilingualism among deaf learners in sign language and the written spoken vernacular and bilingual deaf education The volume examines each issue with regard to language acquisition language functioning social emotional functioning and academic outcomes

Working with Deaf Children Pamela Knight, Ruth Swanwick, 2013-10-23 This book is essential and accessible reading for all teachers and professionals who are working with sign bilingual deaf children It considers the background and theory underpinning current developments in sign bilingual education and the implications for policy and developing classroom practice Practical teaching strategies are suggested and evaluated The authors draw on their own experience of working in sign bilingual settings as well as current good practice and relevant research This book is the first UK book that describes sign bilingual education beyond policy It is also the first book to support sign bilingual practice dealing with current educational issues The authors draw together relevant research and practice in sign bilingual education and present practical strategies for teachers

The Path to Language Danielle Bouvet, 1990 The author uses strong theoretical and practical arguments to show

that deaf children can and should acquire language just as hearing children do provided they experience the same conditions all children need in order to learn to speak For deaf children Sign Language is the only language that can satisfy all those conditions *Discussing Bilingualism in Deaf Children* Charlotte Enns,Jonathan Henner,Lynn McQuarrie,2021-03-31 This collection unites expert scholars in a comprehensive survey of critical topics in bilingual deaf education Drawing on the work of Dr Robert Hoffmeister chapters explore the concept that a strong first language is critical to later learning and literacy development In thought provoking essays authors discuss the theoretical underpinnings of bilingual deaf education teaching strategies for deaf students and the unique challenges of signed language assessment Essential for anyone looking to expand their understanding of bilingualism and deafness this volume reflects Dr Hoffmeister s impact on the field while demonstrating the ultimate resilience of human language and literacy systems Encyclopedia of Bilingualism and Bilingual Education Colin Baker,Sylvia Prys Jones,1998 This encyclopedia is divided into three sections individual bilingualism bilingualism in society and bilingual education It includes many pictures graphs maps and diagrams The book concludes with a comprehensive bibliography on bilingualism Educating Deaf Children Bilingually in Public Schools Jacqlyn Davoll,2001
