The American Bibliography of Slavic and East European Studies Patt Leonard, Rebecca Routh, 2020-02-27 This bibliography first published in 1957 provides

citations to North American academic literature on Europe Central Europe the Balkans the Baltic States and the former Soviet Union Organised by discipline it covers the arts humanities social sciences life sciences and technology *Problems and Prospects in European Education* Francois Orivel, Jürgen Schriewer, Elizabeth S. Swing, 2000-06-30 Written by scholars and professionals from such organizations as the Council of Europe and the European Community this volume provides a comprehensive examination of education throughout Europe The particularities of national educational systems are of necessity within its purview but overall organization of the volume reflects such thematic and regional concerns as the impact of social and economic integration on education the modification of educational structures and curricula following the demise of communism in Eastern Europe degree equivalency the financing of educational change privatization the impact of migration and immigration national concerns intercultural education and multiculturalism The volume s experts discuss European education s common heritage and the distinct national traditions it preserves They deal with the interpretations of European education systems put forward in the shape of educational theories or reform oriented programs policies and

ideologies as well as with the social actors forces and movements that have fuelled reform The book s chapters also address the challenges European education has to face as a consequence of processes of change occurring at multiple levels at the levels of cultural values socio political reconstruction intercultural migration supra national integration and ongoing global interconnection The National Jewish Monthly ,1928 Central and Eastern Europe and the CIS Jerome Witt,2021-04-14 Learn about the many economical and political changes in Central and Eastern Europe to stay on top of business Western academics are being called upon to play a principle role in the redefinition of management education in Central and Eastern Europe and the former USSR Among the countless ideological political and economic issues engendered by the demise of communism throughout the region myriad challenges in business education have surfaced Central and Eastern Europe and the CIS provides an insightful background for Western educators who wish to play a part in or simply bear witness to this historic development This book reveals and documents some of the major educational efforts and issues which have emerged during the past few years and relates the experiences and viewpoints of some of the most active participants It shares both insights and lessons that have already been learned with those who seek to contribute in the future Each chapter will interest and challenge the reader as it frankly describes the struggle to establish modern business education in these dynamic societies In this collection distinguished contributors counsel readers that if Western educators are to make an effective contribution they must first discover which western ideas and theories can be used immediately which need to be adapted to fit the local environments and which must be completely rethought Each chapter enhances the understanding of business education in these emerging societies and affords a clearer understanding of the gulf between East and West Topics in Central and Eastern Europe and the CIS include international business education in Estoniafrom socialism to capitalism business education and management training in the old and new East Central Europe the International Center for Public Enterprises in Sloveniaimplications for teaching interpersonal skills and introducing international business concepts teaching organization behavior to Eastern European managersa process of adaptation to change Business education will most certainly have a significant impact on the restructuring of the political and social cultures in the region and is in fact critical to the ultimate success of democratic free market systems Central and Eastern Europe and the CIS helps Western educators and practitioners alike to make a useful contribution toward meeting the opportunities and threats in this historic era
