Smith, 1978 Based on the lives of Edward Duke of Windsor and Wallis Duchess of Windsor      **That Woman** Anne Sebba, 2012-02-14 Acclaimed biographer Sebba offers the first full scale biography of Wallis Simpson exploring the mind of one of the most glamorous and reviled figures of the 20th century and one of the most talked about women of her generation      The American Duchess Anna Pasternak, 2019-03-05 Wallis Simpson is known as the woman at the center of the most scandalous love affair of the 20th century but in this unputdownable lively and detailed The Times London biography discover a woman wronged by history with new information revealed by the latest research and those who were close to the couple The story that has been told repeatedly is this The handsome charismatic and popular Prince Edward was expected to marry a well bred virgin who would one day become Queen of England when he ascended the throne But when the prince was nearly forty he fell in love with a divorced American woman Wallis Simpson No one thought the relationship would last and when the prince did become king everyone assumed that was the end of the affair But to the shock of the British establishment the new king announced his intention to marry the American divorce Overnight Wallis was accused of entrapping the prince in a seductive web in order to achieve her audacious ambition to be queen After declaring that he could not rule without the woman he loved the king abdicated and his family banished him and his new wife from the country The couple spent the rest of their days in exile but

happy in their devoted love for each other Now Anna Pasternak's *The American Duchess* tells a different story that Wallis was the victim of the abdication not the villain Warm well mannered and witty Wallis was flattered by Prince Edward's attention but like everyone else she never expected his infatuation to last She never anticipated his jealous possessive nature and his absolute refusal to let her go Edward's true dark nature however was no secret to the royal family the church or the Parliament everyone close to Edward knew that beyond his charming facade he was utterly unfit to rule Caught in Edward's fierce obsession she became the perfect scapegoat for those who wished to dethrone the troubled king With profound insight and evenhanded research Pasternak pulls back the curtain on one of the darkest fairy tales in recent memory and effortlessly reveals a host of intriguing insights into a misunderstood woman Kirkus Reviews **Edward & Mrs. Simpson** A.
