E.D.E.N. Southworth Melissa Homestead, Pamela Washington, 2013-01-20 The prolific nineteenth century writer E D E N Southworth enjoyed enormous public success in her day she published nearly fifty novels during her career but that very popularity combined with her gender led to her almost complete neglect by the critical establishment before the emergence of academic feminism Even now most scholarship on Southworth focuses on her most famous novel The Hidden Hand However this new book the first since the 1930s devoted entirely to Southworth shows the depth of her career beyond that publication and reassesses her place in American literature Editors Melissa Homestead and Pamela Washington have gathered twelve original essays from both established and emerging scholars that set a new agenda for the study of E D E N Southworth s works Following an introduction by the editors these articles are divided into four thematic clusters The first Serial Southworth treats her fiction in periodical publication contexts Southworth s Genres the second grouping considers her use of a range of genres beyond the sentimental novel and the domestic novel In the third part Intertextual Southworth the essays present intensive case studies of Southworth s engagement with literary traditions such as Greek and Restoration drama and with her contemporaries such as Harriet Beecher Stowe and French novelist George Sand Southworth s focus on social issues and reform figures prominently throughout the volume but the pieces in the fourth section Southworth Marriage and the Law present a sustained inquiry into the ways in which marriage law and the status of women in the nineteenth century engaged her literary imagination The collection concludes with the first chronological bibliography of Southworth s fiction organized by serialization date rather than book publication For the first time scholars will be able to trace the publication history of each novel and will be able to access citations for lesser known and previously unknown works With its fresh approach this volume will be of great value to students and scholars of American literature women s studies and popular culture studies MELISSA J HOMESTEAD is the Susan J Rosowski Associate Professor of English at the University of Nebraska Lincoln Her book American Women Authors and Literary Property 1822 1869 includes Southworth and her articles on American women s writing have been published in a variety of academic journals PAMELA T WASHINGTON is Professor of English and former dean of the College of Liberal Arts at the University of Central Oklahoma She is the co author of Fresh Takes Explorations in Reading and Writing A Freshman Composition Text [Handbook of Psychopathy](#) Christopher J. Patrick, 2019-06-14 Widely considered the go to reference and now extensively revised with over 65% new material this authoritative handbook surveys the landscape of current knowledge on psychopathy and addresses essential clinical and applied topics Leading researchers explore major theoretical models symptomatology and diagnostic subtypes assessment methods developmental pathways and causal influences from genes and neurobiology to environmental factors The volume examines manifestations of psychopathy in specific populations as well as connections to antisocial behavior and recidivism It presents contemporary perspectives on prevention and treatment and discusses special considerations in clinical and

Desegregating Private

Higher Education in the South Melissa Kean,2008-10-15 After World War II elite private universities in the South faced

growing calls for desegregation Though unlike their peer public institutions no federal court ordered these schools to admit black students and no troops arrived to protect access to the schools to suggest that desegregation at these universities took place voluntarily would be misleading In *Desegregating Private Higher Education in the South* Melissa Kean explores how leaders at five of the region s most prestigious private universities Duke Emory Rice Tulane and Vanderbilt sought to strengthen their national position and reputation while simultaneously answering the increasing pressure to end segregation To join the upper echelon of U S universities these schools required increased federal and northern philanthropic funding Clearly to receive this funding schools had to eliminate segregation and so a rift appeared within the leadership of the schools University presidents generally favored making careful accommodations in their racial policies for the sake of academic improvement but universities boards of trustees the presidents main opponents served as the final decision makers on university policy Board members usually comprised of professional white male alumni reacted strongly to threats against southern white authority and resisted determinedly any outside attempts to impose desegregation The grassroots civil rights movement created a national crisis of conscience that led many individuals and institutions vital to the universities survival to insist on desegregation The schools felt enormous pressure to end discrimination as northern foundations withheld funding accrediting bodies and professional academic associations denied membership divinity students and professors chose to study and teach elsewhere and alumni withheld contributions The *Brown v Board of Education* decision in 1954 gave the desegregation debate a sense of urgency and also inflamed tensions which continued to mount into the early 1960s These tensions and the boards resistance to change created an atmosphere of crisis that badly eroded their cherished role as southern leaders When faced with the choice between institutional viability and segregation Kean explains they gracelessly relented refusing to the end to admit they had been pressured by outside forces Shedding new light on a rare unexamined facet of the civil rights movement *Desegregating Private Higher Education in the South* fills a gap in the history of the academy *Catalogue of the Washington State Library ...
