**Tales of Mystery and Imagination (Classic Reprint)** Edgar Allan Poe,2016-06-28 Excerpt from Tales of Mystery and Imagination Edgar Allan Poe was born in Boston on January 19 1809 Certain peculiarities in his work have been put down to racial tendencies for his father though American born was of Irish descent But we notice the profession of the parents as a fact more immediate than their racial derivation Both parents were actors and the stage seems to have been in keeping with certain tendencies in the father He seems to have been a Bohemian or rather a vagabond It is said that he had made an imprudent marriage it is fairly certain that he deserted his wife before the child Edgar was born The mother died when Poe was two years old and Edgar one of her three children was adopted by a childless pair the Allans wealthy Scotch folk of Richmond in Virginia Four years later the Allans made a tour through Ireland Scotland and England They settled in England for a while and young Edgar Allan now six years of age was given five years schooling at Stoke Newington He was eleven when he returned to America with the Allans and we hear of him afterwards as a youngster at the Richmond school brilliant indeed but defiant irritable and solitary a descendant of a race whose imaginative and easily excitable temperament has at all times rendered them remarkable as he says in what seems to be an autobiographical note About the Publisher Forgotten
