American Popular Music and Its Business: From 1900 to 1984 Russell Sanjek, 1988 Volume three of this work focuses on developments in the music business in the twentieth century from its earliest days to the present era **Electric Sounds** Steve J. Wurtzler, 2007-01-30 Electric Sounds brings to vivid life an era when innovations in the production recording and transmission of sound revolutionized a number of different media especially the radio the phonograph and the cinema The 1920s and 1930s marked some of the most important developments in the history of the American mass media the film industry s conversion to synchronous sound the rise of radio networks and advertising supported broadcasting the

establishment of a federal regulatory framework on which U S communications policy continues to be based the development of several powerful media conglomerates and the birth of a new acoustic commodity in which a single story song or other product was made available to consumers in multiple media forms and formats But what role would this new media play in society Celebrants saw an opportunity for educational and cultural uplift critics feared the degradation of the standards of public taste Some believed acoustic media would fulfill the promise of participatory democracy by better informing the public while others saw an opportunity for manipulation The innovations of this period prompted not only a restructuring and consolidation of corporate mass media interests and a shift in the conventions and patterns of media consumption but also a renegotiation of the social functions assigned to mass media forms Steve J Wurtzler s impeccably researched history adds a new dimension to the study of sound media proving that the ultimate form technology takes is never predetermined Rather it is shaped by conflicting visions of technological possibility in economic cultural and political realms *Electric Sounds* also illustrates the process through which technologies become media and the ways in which media are integrated into American life
